

NOTICE OF INTENT TO AWARD A SOLE-SOURCE CONTRACT

Army Contracting Command – Aberdeen Proving Ground (ACC-APG), Tobyhanna Division, Tobyhanna, PA 18466 intends to award a sole source contract to Phillips Corporation/ Federal Division, 7390 Coca Cola Drive Ste. 200, Hanover, MD 21076.

This requirement is for a non-personal services contract to provide Preventative Maintenance and Emergency Repairs to the OMAX Water Jet bar code TY022738 serial number K511780. The OMAX system is located in building 1C Bay 2 of Tobyhanna Army Depot. The contractor shall provide all personnel, equipment, supplies, facilities, transportation, tools, materials, supervision, and other items and non-personal services necessary to provide Preventive Maintenance and Emergency Repairs on Tobyhanna's OMAX Water Jet machine.

The Government intends to acquire this service under the guidelines of FAR Part 13, Simplified Acquisition Procedures and FAR Part 12, Commercial Items. The Government intends to solicit and negotiate directly under the authority of 41 U.S.C. 1901 as implemented by FAR 13.501.

A draft Performance Work Statement (PWS) is attached.

This is not a solicitation for competitive quotes. However, if any interested party can provide the maintenance services to the OMAX system, you may submit a statement of capabilities that may be considered by Tobyhanna Army Depot. A determination by the Government not to compete this proposed requirement is based upon responses to this notice and is solely within the discretion of the Government.

Information received will be considered solely for the purpose of determining whether to conduct a competitive procurement in the future.

The capability statement and any other information furnished must be via email only and must contain material in sufficient detail to allow the Government to determine if the party can meet the requirements.

Capability statements and related materials must be e-mailed to Jessica McHugh at jessica.l.mchugh.civ@army.mil by 12:00 PM EST on 29 April 2025.
