

SINGLE SOURCE JUSTIFICATION NOT EXCEEDING THE SIMPLIFIED ACQUISITION THRESHOLD

SECTION 1: IDENTIFICATION OF THE AGENCY AND THE CONTRACTING ACTIVITY

Department of State Contracting Activity	☐ Office of Acquisitions Management ☐ Foreign Service Institute ☐ Office of Foreign Missions ☐ U.S. Mission to the United Nations ☒ Overseas Post – HARARE
Requiring Activity	AGS - GROUND HANDLING AND DELIVERY FOR JUNE 1, 2025 – NOVEMBER 30, 2025

SECTION 2: NATURE AND/OR DESCRIPTION OF THE ACTION BEING APPROVED

Approval is requested to award on a sole source basis a Purchase Order for above services to ensure continuity of Embassy Harare's unclassified prograde pouch shipments services as described in Section 3 on behalf of the Requiring Activity.

SECTION 3: DESCRIPTION OF SUPPLIES/SERVICES REQUIRED TO MEET THE AGENCY'S NEEDS

The requirement is to provide ground handling services for prograde unclassified pouch shipments, including customs clearance and delivery to Embassy Harare at Robert Grabel Mugabe International Airport, Harare. The estimated value for the entire period of performance is \$50,000. These services include ground handling services for prograde unclassified pouch shipments, including customs clearance and delivery by Beach Consultancy t/a Aviation Ground Services.

Inbound (prograde) unclassified pouch shipments are critical to the support and operation of Embassy Harare. Handling services must be performed by the monopoly cargo handling provider and no alternatives exist.

SECTION 4: IDENTIFICATION OF THE STATUTORY AUTHORITY PERMITTING OTHER THAN FULL AND OPEN COMPETITION

In accordance with Federal Acquisition Regulation (FAR) 13.106-1(b)(1), the Contracting Officer has deemed only one source reasonably available based on the following:

- ☐ Urgency
- ☐ Exclusive licensing agreements
- ☐ Brand-name
- ☐ Industrial mobilization
- ☒ Other <41 USC 253(c)(1), FAR 6.302-1, Only one responsible source and no other supplies or services will satisfy agency requirements >

SECTION 5: DEMONSTRATION THAT THE PROPOSED CONTRACTOR'S UNIQUE QUALIFICATIONS OR THE NATURE OF THE ACQUISITION REQUIRES USE OF THE AUTHORITY CITED

The vendor has a monopoly at the Harare airport for air cargo handling services for Emirates and Qatar, the airlines used by DPM. Post has no control over choice of airlines, and no other provider does air cargo handling services for these airlines.

SECTION 6. DETERMINATION BY THE CONTRACTING OFFICER THAT THE ANTICIPATED COST TO THE GOVERNMENT IS FAIR AND REASONABLE

By signing the justification, the Contracting Officer makes a determination that the price to the Government is anticipated to be fair and reasonable.

Costs were compared with a neighboring post (Lusaka) based on historical experience – the costs in Harare are somewhat higher, but as the provider has a cargo monopoly at HRE airport no other competitive options are available. Costs have also been compared to performance of clearance and delivery functions in house, and the costs from the vendor are lower while also offering more flexibility and better service.

SECTION 7. CERTIFICATIONS

All reviews and approvals should be completed in the order listed unless otherwise authorized or required.

REQUIREMENTS CERTIFICATION

I certify that the facts and representations under my cognizance which are included in this Justification and its supporting acquisition planning documents, except as noted herein, are complete and accurate to the best of my knowledge and belief.
