Driver's License or Registration:

Current Insurance. All drivers must be prepared to show upon request.

It is unlawful for any person to:

Display or cause to be displayed or have in possession any canceled, revoked, suspended, fictitious, or fraudulently altered registration card, temporary permit, flightline decal, or fraudulently altered state driver's license/operators permit.

Lend their registration card, temporary pass to any other person or knowingly permit the use thereof by any person or upon any other vehicle than that which it is intended.

Lend or knowingly permit the use of their driver's license by any other person.

No person shall drive a motor vehicle on Edwards AFB unless the person has in their immediate possession a valid driver's license.

Installation Traffic Codes

Vehicle operators on DoD installation and operators of GOVs will not use cellular phones unless the vehicle is safely parked or unless they are using a hands-free device. Holding a cell phone while operating the cell phone in speaker mode does not constitute use of a hands-free device.

Cars manufactured after model year 1966 require a manufacturer-approved restraint system meeting federal traffic safety standards.

Operators using vehicles equipped with air bags must still wear the manufacturer's primary restraint system (seat belts).

Speed-Measuring Devices/Radar Detectors.

Use of radar detection devices to indicate the presence of speed recording instruments or to transmit simulated erroneous speeds are prohibited on DoD installations to include Edwards AFB.

The general audience session will be held at the unclassified level.
