

NOTICE OF INTENT TO AWARD SOLE SOURCE

The U.S. Department of Energy (DOE), Environmental Management (EM) Consolidated Business Center (CBC), intends to award a contract to Hanson Audio Visual, LLC. (Hanson) on a sole source basis. The services provided by Hanson support the EMCBC office by their understanding and knowledge of existing audio visual equipment and the capacity to repurpose existing equipment for continued use in the upgraded system.

The authority permitting this sole source acquisition without full and open competition is prescribed by FAR 6.302-1, only one responsible source and no other supplies or services will satisfy agency requirements. The DOE/EMCBC will procure the services of an audio visual company with the knowledge and capacity to incorporate existing systems into the required upgrade and hardening.

This notice serves as a Notice of Intent to award a contract and is **not** a request for proposals or quotations. No requests for capability briefings will be considered. A solicitation package will not be posted publicly and requests for copies of the solicitation in response to this notice will not be honored or acknowledged. A determination by the Government not to compete this proposed action based upon responses to this notice is solely within the discretion of the Government. Information received will be considered solely for the purpose of determining whether conducting a competitive procurement in the future would be in the best interest of the Government.

Responsible sources that believe they can perform these services in their entirety must submit a written notification of interest and capability statement by 5:00 PM (Eastern Time) on 20 May, 2025. All information submitted should support the firm's capabilities to provide all of the required services and shall be furnished at no cost or obligation to the Government. Responses shall be submitted via e-mail to the following address: Christopher.nettle@emcbc.doe.gov Telephone requests or inquiries will not be accepted.
