4. Authority:

[REDACTED] FAR 13.106-1(b)(1): Brand Name/ Single Source

Action using Simplified Acquisition Procedures: The contracting officer must justify restricting consideration to an item peculiar to one manufacturer (e.g., a particular brand-name, product, or a feature of a product that is peculiar to one manufacturer). A brand-name item, even if available on more than one contract, is an item peculiar to one manufacturer. Brand-name specifications shall not be used unless the brand-name, product, or feature is essential to the Government's requirements and market research indicates other companies' similar products, or products lacking the feature, do not meet, or cannot be modified to meet, the agency's needs.

5. Reasons for Authority Cited:

Central Florida Yamaha is the manufacturer and only authorized dealer of the engines.

6. Publicizing Contract Actions: For FAR Part 13 actions, the public display and synopsis requirements of FAR 5.101 and FAR 5.203 [REDACTED] do not apply due to the \$ threshold, [REDACTED]

[REDACTED]

apply and will be followed, or ☐ do not apply due to an exception at 5.202 (13) (i).

7. Market Research:

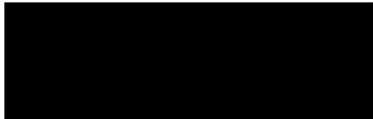

The most cost-effective course of action was the top priority in choosing the best valued technical support. [REDACTED] is the only authorized dealer for these Yamaha engines and is the only viable approved source to procure this brand of engine. The research conducted herein was executed by the designated technical expert. IAW with the FAR, the required vetting was completed to determine the best valued option available that would meet all the stated performance parameters within the government procurement guidelines. This vendor provides the best opportunity available to accomplish the proposed technical repair for the vessel.

8. Other Facts: Caribbean Security Basin Initiative (CBSI) Technical Assistance Field Team (TAFT) aids and support to Eastern Caribbean Partner Nations in their efforts to repair their United States (U.S.) supplied vessels. The RBDF's RB-02 is not mission capable due to failed engines. The components in need of repair are brand name. Currently no other source is known besides [REDACTED]. Other outside sources were researched. Due to this restriction, third party dealers and/or distributor network do not have the capabilities to accommodate the contracted parts that are being sought out to repair the vessel.

9. Technical/Requirements Certification: I certify that the supporting data under my cognizance which are included in the justification are accurate and complete to the best of my knowledge and belief.

[REDACTED]

10. Contracting Officer Certification/Approval:

I hereby determine that the anticipated cost or price to the Government for this contract action will be fair and reasonable based upon.

I certify that this justification is accurate and complete to the best of my knowledge and belief, and that completing this purchase as a sole source is in the best interest of the Government. Additionally, I approve this justification to limit competition subject to the availability of funds and provided that the services or supplies herein described have otherwise been authorized for acquisition.
