

NOTICE OF INTENT TO SOLICIT FROM A SINGLE SOURCE FOR:

URGENT REPAIR OF INTEGRAL AC COMPONENT AT THE CANANDAIGUA VAMC

The Veterans Health Administration, Network Contracting Office 02 intends to solicit from a single source IAW FAR 13.106(b) to obtain: Emergent Service on (1) LG AC System currently in place at the Canandaigua VAMC and manufactured by LG,

Period of performance (estimated): 04/11/2025 through 05/15/2025

Basic description of the requirement: Replacement of a seized inverter/compressor in (1) LG Multi-5 Unit currently used at the Canandaigua VAMC. This part is an integral part of the AC cooling system and if not repaired quickly has the potential to impact patient care. The service technician identified this seized part during a routine inspection of the cooling system.

Place of Performance: Canandaigua VA Medical Center
400 Fort Hill Ave,
Canandaigua, NY 14424

The NAICS code for this requirement is 238220

Intended Source: EMCOR SERVICES
704 CLINTON AVE
ROCHESTER, NY 14620
UEID# YGPLB6VKNQ6

THIS NOTICE OF INTENT IS NOT A REQUEST FOR COMPETITIVE QUOTES.

However, interested parties may identify their interest and/or submit their capabilities in response to this notice for purposes of identifying future possible sources of supply/services; should a requirement similar in scope present itself and allow for competitive quotes to be sought by: 4/11/2025 @ 17:00 EST.

The Department of Veterans Affairs will NOT be responsible for any costs incurred by interested parties in responding to this notice of intent. Only written responses from responsible sources will be considered. Any prospective contractor must be registered in the System for Award Management (SAM) to be eligible for award.

Interested parties are encouraged to furnish information by email only with RESPONSE TO INTENT TO SOLE SOURCE –LG AC Repair in the subject line. All documents submitted, will not be returned. All interested parties shall submit clear and convincing documentation demonstrating their capabilities to satisfy the requirements listed above to Contract Specialist Jason M. Rundle at jason.rundle@va.gov. The capability documentation should include general information and technical background describing in detail the prospective contractor's capabilities and experience that will demonstrate the ability to support these requirements.
