ADVANCE NOTICE TO ALL OPEN MARKET INDUSTRY PARTNERS (IPs)

This letter is an advance notice that the Department of Transportation (DOT), Federal Highway Administration (FHWA), Office of Safety, intends to release a Request for Proposal (RFP) in late 2024-early 2025. This RFP is for the Office of Safety Technical Expertise and Support Services multiple award Indefinite-Delivery, Indefinite Quantity (IDIQ) contract recompetes. The Government estimates the total value of this IDIQ to be \$58 Million (M) for a five-year ordering period.

A Virtual Industry Day will be held at 11:00AM Eastern Time (ET) on October 30, 2024. The Virtual Industry Day will be held through Microsoft Teams. Additional details will be provided in the Notice of Virtual Industry Day letter. The posting can be accessed here:

The “DRAFT” RFP Statement of Work (SOW) and Appendices page are attached to this Advance Notice.

This document is marked DRAFT and is subject to change. All references to Appendix I and deliverables within the DRAFT document are placeholders and the Appendix I information will not be provided with this Advance Notice package. The Government will provide an updated DRAFT of the SOW as it becomes available. Please note that neither the release of this DRAFT document nor the hosting of the Virtual Industry Day obligates the Government in any way to pursue these requirements under the Open Market. These documents are provided in order to assist the Open Market IPs with participating in the Virtual Industry Day.

Should you have any questions regarding this requirement, you may contact the FHWA Contract Specialist, Kristen Hayes at kristen.hayes@dot.gov or the FHWA Contracting Officer, Carolyn Lethert at carolyn.lethert@dot.gov.

Sincerely,

Kristen Hayes
