

**SINGLE SOURCE JUSTIFICATION
(UNDER SAT)**

**JOINT ADMINISTRATIVE OPERATIONS
Acquisitions Operations**

Pursuant to FAR subpart 13.106-1(b)(1)(i) and (ii), for purchases not exceeding the Simplified Acquisition Threshold (SAT), Contracting Officers may solicit from only one source if the circumstances deem only one source is reasonably available (e.g., urgency, exclusive licensing agreements, brand name, or industrial mobilization).

Instructions: The information in the text boxes are provided as sample language or to indicate a needed fill-in. Sample language should be removed from the final document. All text boxes require information and shall not be left blank.

1. Description of Need

We intend to tag adult Chinook Salmon with acoustic tags to monitor their movements and survival after capture and release from the Coleman National Fish Hatchery, Battle Creek. The receivers for this study are expensive to purchase new, but are already owned. Only transmitters from Vemco can be utilized with this equipment as the system is proprietary and owned by Vemco. No alternate manufacturers and vendors exist whose equipment is compatible with the Vemco system.

2. Market Research Conducted

The Vemco system was developed and patented by Vemco and alternate manufacturers and vendors of these products do not exist.

3. Other Capable Sources

Alternate manufacturers and vendors of acoustic tags compatible with the currently owned acoustic receiver system do not exist.

4. Barriers to Competition

The Vemco system was developed and patented by Vemco and alternate manufacturers and vendors of these products do not exist.

5. Contractor's Qualifications

The Vemco system was developed and patented by Vemco and alternate manufacturers and vendors of these products do not exist.

6. Determination of Fair and Reasonable Cost

The estimated cost of these acoustic tags included in this purchase is the listed catalogue cost for custom-manufactured tags. Vemco acoustic tags are proprietary and patented by Vemco (Innovasea Systems Inc.) and there are no alternate manufacturers that are compatible with the currently owned acoustic signal receivers.

7. Recommendation and Certification by Program Office

Based on the above justification, I recommend this acquisition to be conducted using sole source acquisition procedures. I hereby certify that this justification is accurate and complete to the best of my knowledge and belief.
