The US Coast Guard, C5I Service Center, intends to solicit and award on a sole source basis under the authority of FAR 13.106-1(b) to PROLOGIC, INC DBA Ultra Intelligence and Communications, 3903 Northdale BLVD # 110, Tampa, Florida, 33624-1864, United States. This procurement is being conducted under Simplified Acquisition Procedures (SAP) - only one responsible source and no other supplies or services will satisfy agency requirements. Ultra Intelligence and Communications is the Original Equipment Manufacturer (OEM) of One-Way Cable, 10' (120") (Labor, documentation, materials and shipping costs included), Part Number: UPL-1015-0033. These specialty cables establish the connection required between the CG's SIPRNet workstations and the Key Management Infrastructure Management Client (KMI MGC) equipment suite required to transfer classified COMSEC keying material packages that are eventually loading into other equipment to establish the CG's secure communications capabilities.

All responsible sources may submit a bid, proposal, or quotation which shall be considered by the agency. Interested vendors may submit their capabilities and qualifications to perform the effort in writing to the identified point of contact no later than (NLT) 10:00AM EST of Thursday, 15 May 2025.
