

Serbia Industry Day

Daniel Magrino, daniel.k.magrino.civ@us.navy.mil

Alexander Dodge, alexander.w.dodge.civ@us.navy.mil

4 March 2025

Belgrade, Serbia

UNCLASSIFIED//FOR OFFICIAL USE ONLY

Agenda

- **Introduction to NAVFAC**
- **The NAVFAC EURAFCENT Expeditionary Program**
 - Where and How we work
 - Design-Build (DB) v. Design-Bid-Build (DBB) methodologies
- **Upcoming Construction Contracting Opportunities in Serbia**
- **Contracting Process Overview**
- **Eligibility for Award**
- **General Proposal Submittal Requirements**
- **Basis of Award**
- **Requesting an NCAGE Code**
- **Registering with SAM.gov**
- **Registering with PIEE and submitting your proposal**

Ground Rules

- All attendees must sign-in
- Silence all electronic devices
- No recording
- Meeting is unclassified
- Presentation material and answers to questions will be posted to SAM.gov.
- All communications shall be directed through the Contracting Office.
 - Daniel K. Magrino (daniel.k.Magrino.civ@us.navy.mil)

Ground Rules

1. Increase industry's understanding of U.S. Government Contracts, Processes, and Systems and any pending requirements.
2. Afford industry an opportunity to provide feedback & to ask questions regarding the Government's processes or contemplated requirements.
3. Provide basic contractual information including the cognizant Contracts personnel, the types of requirements being contemplated, and an estimated timeline should a solicitation be released and a contract awarded.
4. Increase competition and teaming/subcontracting opportunities amongst capable and/or interested firms.

Industry Day Goals

Disclaimer

- Today's remarks by Government officials **are not** a guarantee of the Government's course of action in proceeding with the project or of a future contract award.
- The information shared today reflects current Government intentions and is **subject to change** based on a variety of circumstances, including internal and external comments.
- Formal solicitations are **the only documents** that should be relied upon in determining the Government's actual requirements.

NAVFAC Mission

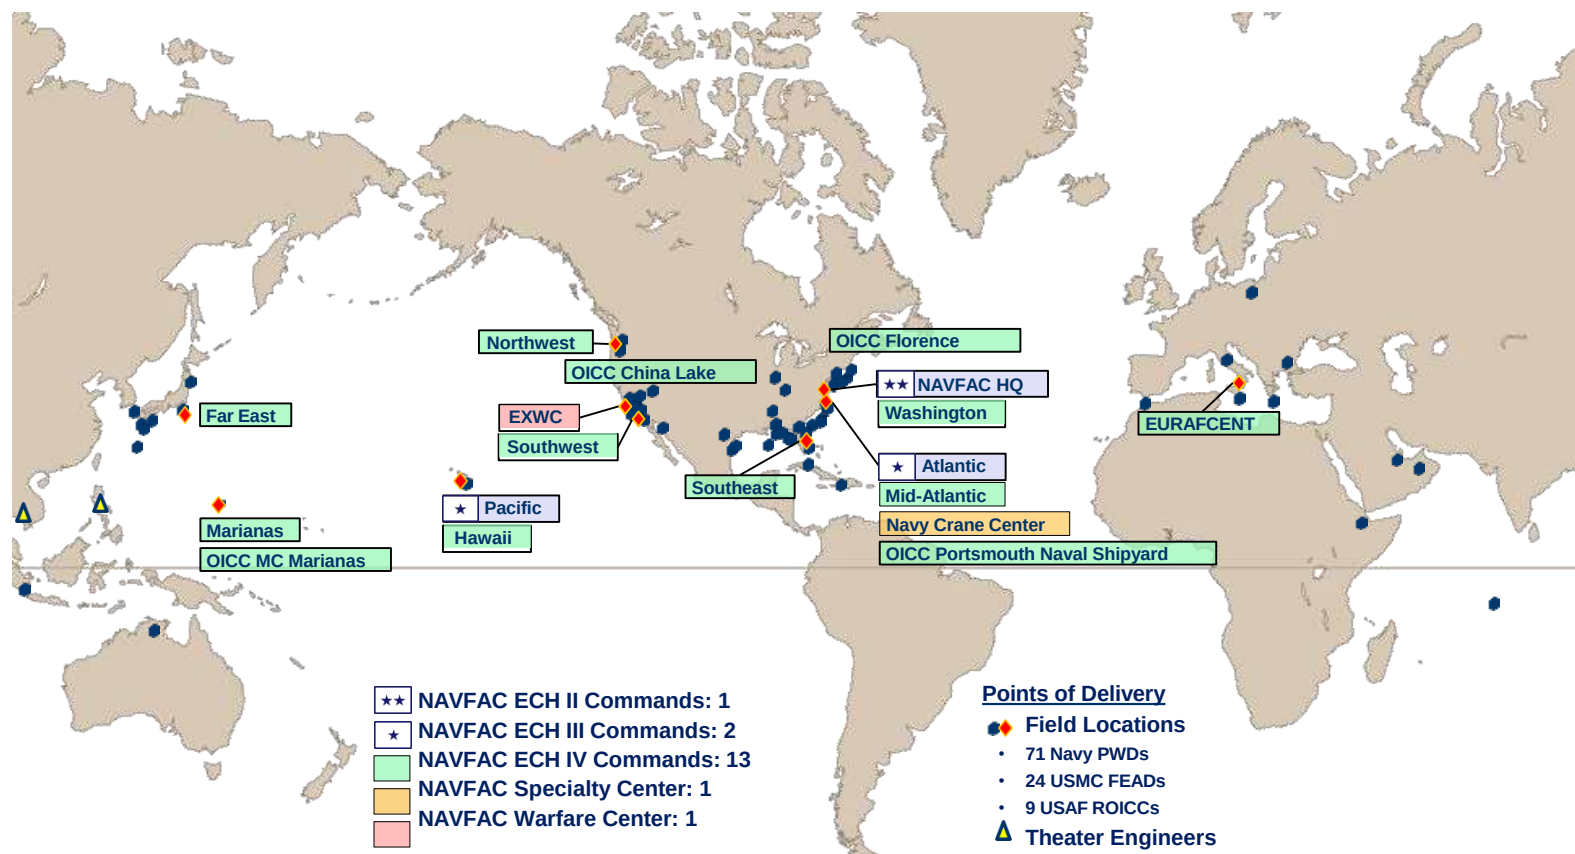

OUR MISSION:

Provide technical engineering assessments and agile acquisition strategy to fleet commanders and to construct, maintain, and sustain shore infrastructure to maximize force generation and the capacity and capability of the warfighter.

AREA OF OPERATIONS:

We operate 24/7 in U.S. European Command, U.S. Africa Command and U.S. Central Command Areas of Operation.

NAVFAC Global Laydown

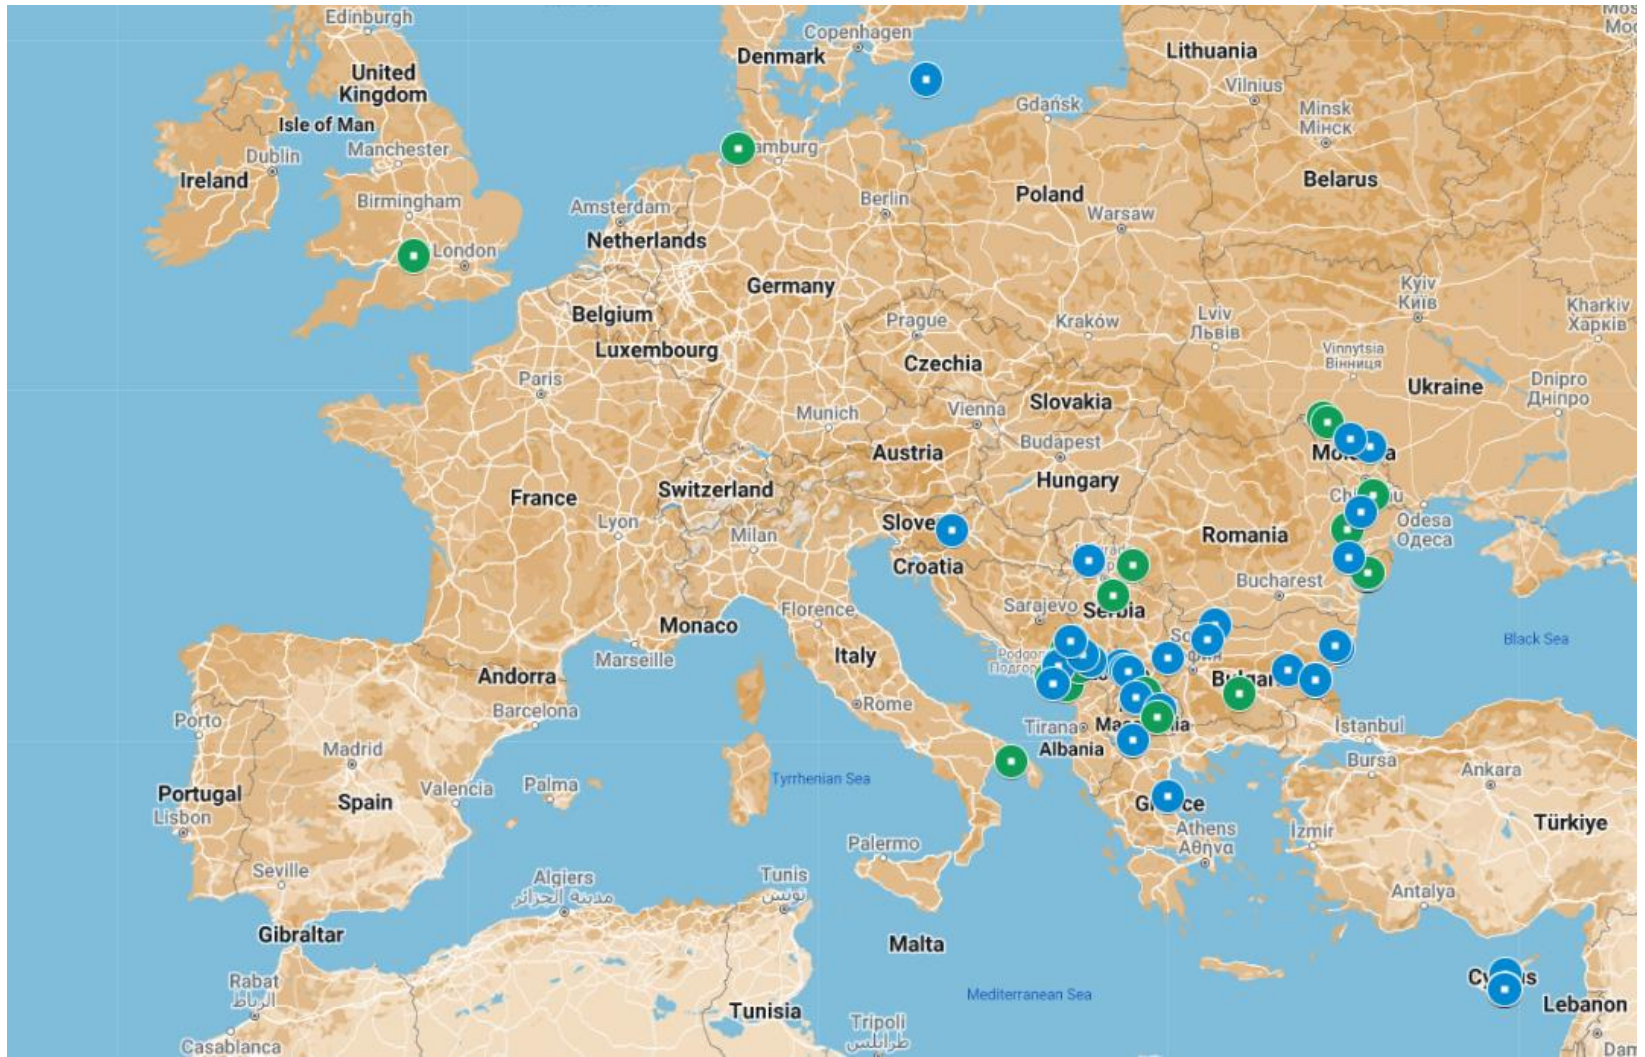

NAVFAC Responsibilities

NAVFAC's unique contracting responsibilities include awarding and administering contracts for:

- **Architect-Engineer (A-E) Design and Construction**
- **Energy Infrastructure and Utilities**
- **Procurement, lease and maintenance of vehicles used by DON**
- **DON acquisition of public utility services**
- **Maintenance of buildings, grounds, roads and other infrastructure**
- **Facilities Support Services**

NAVFAC Expeditionary - Where we Work

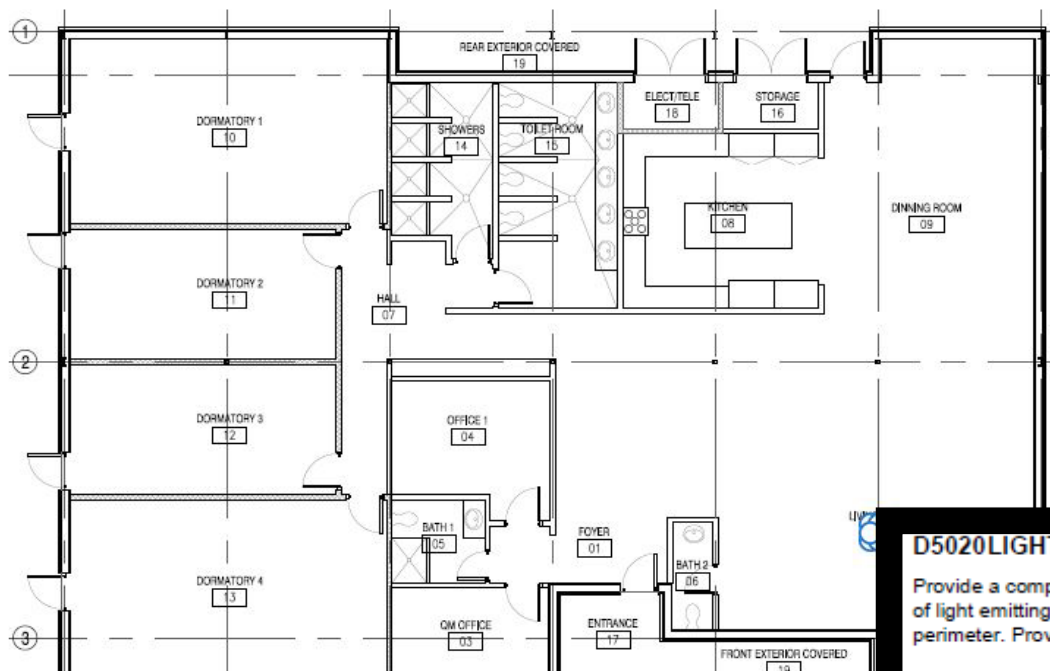

NAVFAC Expeditionary - How we Work

- **Design-Build (DB) Contracts.** A DB contract requires the Contractor to partner with a licensed A-E firm to produce the final design as well as the construction for the project.
- **Design-Bid-Build (DBB) Contracts.** A DBB contract has a design already completed by an A-E firm via a separate contract or completed by NAVFAC. A DBB contract is strictly for construction of the project.

DB Technical Statement Example

4.14 SHOWER ROOM

Space Characteristics

Function/Adjacencies: Co-locate next to toilet room

Ideal Dimensions: Dimensions as needed to provide RFP Requirements

Minimum Ceiling Height: Open to structure above

Access: Door to shared circulation vestibule with Toilet Room

Number of Occupants: 4 shower compartments with 3 walls and a shower curtain

Other/Special Requirements: Provide privacy

Unifomat Section	Description	Special Requirements
C30	Interior Finishes	Walls: floor to ceiling tile; Floor: Tile
D20	Plumbing	Provide hot & cold supply water and sanitary waste
D30	HVAC	Provide heating, cooling, ventilation and exhaust
D50	Electrical	Provide power and lighting. Provide GFCI receptacles

Examples of wall tiles – floor to ceiling

D5020LIGHTING & BRANCH WIRING

Provide a complete lighting system consisting of exit and emergency lighting and area lighting consisting of light emitting diode (LED) lighting including switches. Provide wall mounted lighting on the building perimeter. Provide lighting and general purpose receptacles throughout all spaces as required.

Provide GFCI receptacles at counter height for each counter in toilets such that there is a minimum of one outlet for each two sinks.

Provide 230V, 16A duplex convenience receptacles at 1800 mm intervals on center around perimeter walls of the Elec/Telecom Room.

Provide at least two duplex receptacles for each workstation. Provide one receptacle for each 10 ft (3 m) of wall space at the floor line of the kitchen.

Provide GFI protected, weather resistant receptacles within 10 ft (3 m) of each exterior door and one for every piece of ground mounted HVAC equipment.

Provide dedicated power connections to all ancillary office equipment such as printers, faxes, plotters, and shredders.

Provide a dedicated panel board in the Elec/Telecom Room rated 230/400V, 3-phase with minimum 100A bus rated capacity. This panel board shall feed all loads including lighting.

Projects in Serbia

NAVFAC Awarded Projects in Serbia

- 1. D-B Construct Valjevo Kindegarten, Valjevo Serbia (\$997K – FY22)**
- 2. D-B Renovate Psychiatric Hospital Ward, Vrsac, Serbia (\$710K – FY23)**
- 3. D-B Construction of Elementary School, Prokuplje, Serbia (\$999K – FY24)**

The United States has awarded a total of \$559M in Serbian contracts over the past 10 years (construction, services, & supplies).

Upcoming Projects in Serbia

(Projected dates are planned and are contingent upon funding)

- 1. Renovation of Bukovac Fire Station – FY25/26**
- 2. Renovation of Primary School in Strelac, Serbia - FY25/26**

Bukovac Fire Station

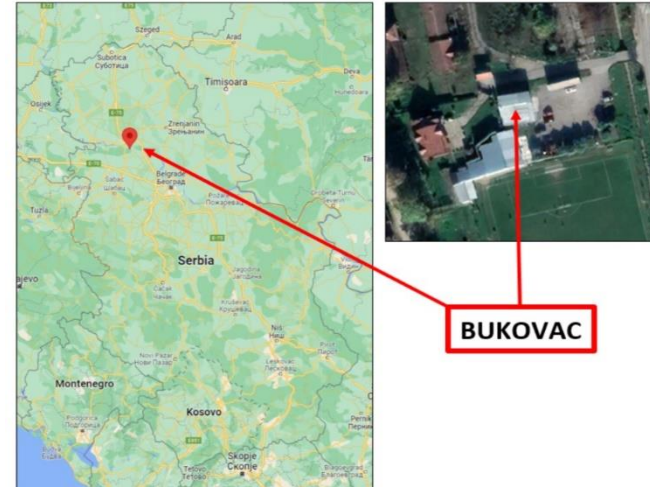

Bukovac Serbia

Scope: The Demolition and Construction of a New Fire Station. The new fire station will be a two-story structure, featuring two dorm rooms, two bathrooms, a storage room, an office, a kitchen dining wing, and two vehicle bays.

Design: Design-Build (D-B)

Estimated Project Duration: 24 months

Existing fire station to be demolished

Example fire station built to same specifications

Strelac Primary School

Strelac Serbia

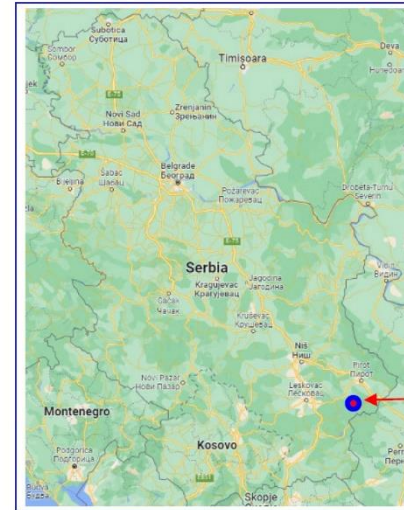

Scope: Renovation of school, kitchen and dormitory to include: heating, roof, interior finishes, exterior improvements, toilet and bathrooms.

900m2 for school and dormitory

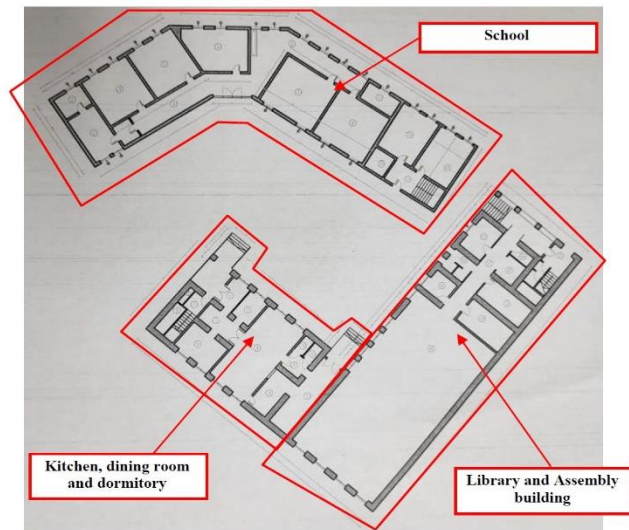

480m2 for library and assembly building

Design: Design Build (DB)

Estimated Project Duration: 24 months

STRELAC

Ground Floor plan

Existing Condition:

Contracting Process Overview

- **Pre-solicitation**

- A pre-solicitation notice will be posted to SAM.gov 15 days prior to the release of any RFP

- **Request for Proposal (RFP)**

- Posted to SAM.gov for a minimum of 30 days
- Pre-Proposal Inquiries (PPI's)/ Questions should be submitted in writing to the identified POCs using the attachments included. Questions will be responded to in writing via Amendments to the solicitation.
- Site Visit- some projects will have organized site visits (i.e. held at a particular date and time)
- Solicitation Amendments

- **Proposal Submission**

- Price Proposal & Technical Proposal are separate volumes

- **Eligibility and Responsibility**

- **Price & Technical Evaluation**

- A team of price and technical evaluators will separately evaluate and develop findings reports for each set of proposals to document that offerors proposals conform to the requirements of the solicitation.

- **Contract Award & Debriefs**

Eligibility & Responsibility

- **Contractors must have registered for and received a CAGE or NCAGE code**
- **Contractors must be registered in SAM & PIEE at the time of proposal submission.**
- **Upon receipt of proposals the Contracting Office will review the SAM record for each offeror to determine eligibility for award.**

Price Proposal Submittal Requirements

- **Price Proposal Submittal Requirements**
 - Fill in the price schedule included with the solicitation.
 - Blocks 14 through 20C on the SF1442
 - The price exclusive of VAT on the price attachment for all line items (CLINs).
 - The Representations & Certifications on SAM.gov as part of your registration.
 - You must have an Active registration in SAM at the time of proposal submission.
 - The offeror **MUST** fill in the tax relief exemption rate in DFARS 252.229-7001 TAX RELIEF which will be included as an attachment to the solicitation.
 - If proposing as a Joint Venture, the solicitation will outline certain requirements for Joint Venture Offerors.

Price Attachments

SOLICITATION N3319124R4015 D-B Prokluplje School, Serbia

Attachment 4

N3319124R4015

D-B Prokluplje School, Serbia

INSTRUCTIONS:

In the table below provide the price for CLIN 0001, 0002 and 0003, as well as the total price.

Indicate name of the firm, sign and date the price schedule.

Submit this document with your price proposal.

252.229-7001 TAX RELIEF (APR 2020)

CLIN	Description	CLIN Price
CLIN 0001 Base Bid	The contractor shall provide all labor, supervision, materials, equipment, and applicable safety precautions necessary to design and construct a new school and paved area in accordance with the Performance Technical Specifications.	\$
CLIN 0002 Option Item No. 1	The contractor shall provide all labor, supervision, materials, equipment, and applicable safety precautions necessary to design and construct additional exterior works, including: perimeter fence and street lights in accordance with the Performance Technical Specifications.	\$
CLIN 0003 Option Item No. 2	The contractor shall provide all labor, supervision, materials, equipment, and applicable safety precautions necessary to perform the removal of the existing building, including demolition and a new flat surface area in accordance with the Performance Technical Specifications.	\$
TOTAL PRICE		\$

(a) Prices set forth in this contract are exclusive of all taxes and duties from which the United States Government is exempt by virtue of tax agreements between the United States Government and the Contractor's government. The following taxes or duties have been excluded from the contract price:

NAME OF TAX: _____

RATE (PERCENTAGE): _____

(b) Invoices submitted in accordance with the terms and conditions of this contract shall be exclusive of all taxes or duties for which relief is available. The Contractor's invoice shall list separately the gross price, amount of tax deducted, and net price charged.

(c) When items manufactured to United States Government specifications are being acquired, the Contractor shall identify the materials or components intended to be imported in order to ensure that relief from import duties is obtained. If the Contractor intends to use imported products from inventories on hand, the price of which includes a factor for import duties, the Contractor shall ensure the United States Government's exemption from these taxes. The Contractor may obtain a refund of the import duties from its government or request the duty-free import of an amount of supplies or components corresponding to that used from inventory for this contract.

(End of clause)

Technical Proposal Submittal Requirements

– Technical Approach

- An organizational Chart
- Letter of Commitment/ partnership agreement between the Designer and the Offeror.

– Corporate Experience

- Minimum one (1) maximum two (2) Design projects and minimum one (1) maximum two (2) Construction projects.
 - The Corporate Experience Project Data Sheet must be used to submit Corporate Experience information, and all submissions shall be in the English language.
 - » *There may be certain characteristics required of Corporate experience projects*
 - » *Ex "Experience must include Electrical and HVAC systems".*
 - » *The submitted projects must be completed within a certain time period*
 - » *The submitted projects must meet an identified, similar value threshold*

– Safety

- You must submit a signed Safety narrative and a signed safety checklist which is an attachment to the solicitation.

– Past Performance

- The Offeror must submit a Contract Performance Assessment Report (CPAR) if it is available. If there is no final CPAR the a Past Performance Questionnaire (PPQ) may be submitted.

Corporate Experience Data Sheet

 If subcontractor, who was the prime (Name/Phone #): _____

3. Contract Information

Contract Number: _____
 Delivery/Task Order Number (if applicable): _____
 Contract Type: Firm Fixed Price Cost Reimbursement Other (Please specify): _____
 Contract Title: _____
 Contract Location: _____

Award Date (mm/dd/yy): _____
 Contract Completion Date (mm/dd/yy): _____
 Actual Completion Date (mm/dd/yy): _____
 Explain Differences: _____

Original Contract Price (Award Amount): _____
 Final Contract Price (to include all modifications, if applicable): _____
 Explain Differences: _____

4. Project Description:

Complexity of Work High Med Routine
 How is this project relevant to project of submission? (Please provide details such as similar equipment, requirements, conditions, etc.) _____

CLIENT INFORMATION (Client to complete Blocks 5-8)

5. Client Information

Name: _____
 Title: _____
 Phone Number: _____
 Email Address: _____

6. Describe the client's role in the project:

7. Date Questionnaire was completed (mm/dd/yy):

8. Client's Signature:

Contractor Information (Firm Name): _____
 Client Information (Name): _____

TO BE COMPLETED BY CLIENT

PLEASE CIRCLE THE ADJECTIVE RATING WHICH BEST REFLECTS YOUR EVALUATION OF THE CONTRACTOR'S PERFORMANCE.

1. QUALITY:	
a) Quality of technical data/report preparation efforts	E VG S M U N
b) Ability to meet quality standards specified for technical performance	E VG S M U N
c) Timeliness/effectiveness of contract problem resolution without extensive customer guidance	E VG S M U N
d) Adequacy/effectiveness of quality control program and adherence to contract quality assurance requirements (without adverse effect on performance)	E VG S M U N
2. SCHEDULE/TIMELINESS OF PERFORMANCE:	
a) Compliance with contract delivery/completion schedules including any significant intermediate milestones. (If liquidated damages were assessed or the schedule was not met, please address below)	E VG S M U N
b) Rate the contractor's use of available resources to accomplish tasks identified in the contract	E VG S M U N
3. CUSTOMER SATISFACTION:	
a) To what extent were the end users satisfied with the project?	E VG S M U N
b) Contractor was reasonable and cooperative in dealing with your staff (including the ability to successfully resolve disagreements/disputes; responsiveness to administrative reports, businesslike and communication)	E VG S M U N
c) To what extent was the contractor cooperative, businesslike, and concerned with the interests of the customer?	E VG S M U N
d) Overall customer satisfaction	E VG S M U N
4. MANAGEMENT/ PERSONNEL/LABOR	
a) Effectiveness of on-site management, including management of subcontractors, suppliers, materials, and/or labor force?	E VG S M U N
b) Ability to hire, apply, and retain a qualified workforce to this effort	E VG S M U N
c) Government Property Control	E VG S M U N
d) Knowledge/expertise demonstrated by contractor personnel	E VG S M U N
e) Utilization of Small Business concerns	E VG S M U N
f) Ability to simultaneously manage multiple projects with multiple disciplines	E VG S M U N
g) Ability to assimilate and incorporate changes in requirements and/or priority, including planning, execution and response to Government changes	E VG S M U N
h) Effectiveness of overall management (including ability to effectively lead, manage and control the program)	E VG S M U N

Basis of Award

- **Lowest Price Technically Acceptable (LPTA) vs Trade-off**

- **LPTA: Acceptable vs Unacceptable**

- Award will be made to the source whose proposal offers the lowest fair and reasonable evaluated price and for which all non-price factors are rated as Acceptable in accordance with established criteria in the solicitation.

- **Trade-off / Best Value: Adjectival Ratings**

- Award will be made to the offeror whose proposal represents the best value to the Government, price and technical factors considered.
- Under best value, adjectival ratings are assigned to the technical factors and overall technical ratings are assigned.
 - E.g. (Outstanding, Good, Acceptable, Marginal, or Unacceptable)
- Accordingly, the Government may make award to the lowest priced offeror, the highest rated offeror, or an offeror who is neither the lowest priced nor the highest rated, but that represents the best value to the Government.

Getting Started

1. Requesting an NCAGE Code

- <https://eportal.nspa.nato.int/Codification/CageTool/home>

2. SAM Entity Registration Checklist can be found here:

- <https://cz.usembassy.gov/wp-content/uploads/sites/22/Entity-Registration-Checklist.pdf>

3. Register with PIEE

- [https://www.acq.osd.mil/asda/dpc/ce/cap/docs/piee/PIEE Solicitation Module Vendor Access Instructions.pdf](https://www.acq.osd.mil/asda/dpc/ce/cap/docs/piee/PIEE_Solicitation_Module_Vendor_Access_Instructions.pdf)

- The Registration process can take up to two months to complete. Do not wait for a contract announcement to begin registration process.

1. SAM.gov Registration

1. International Companies must first register for an NCAGE code to be eligible for all contract awards
2. Set up a SAM.gov account to register for a Unique Entity ID (requires the following)
 1. Legal business name and physical address (exactly what was used for the NCAGE code)
 2. National identifier (if applicable)
 3. Entity start year
 4. Tax identification number (TIN)—only needed if your entity pays U.S. taxes
 5. Banking information—only needed if your entity has a U.S. bank account where you want to receive payments
 6. Information about the types of goods and services you provide
 1. NAICS codes (list)
 2. Product and service codes (list)
 7. Entity size (number of employees and worldwide total receipts)
 8. Entity points of contact

2. Re-Registering in SAM.gov (ANNUAL REQUIREMENT)

1. Update core data, reps and certs, POCs, and assertions
2. May take up to 15 days

3. All documents submitted must be

1. Within the last 5 years with correct/updated information
2. Include a physical address – No Post Office Boxes
3. All documents must be in English, legible, and in good contrast
4. Do not register for multiple NCAGE codes; multiple accounts with the same information
5. If information needs to be updated; it must match the NATO Support and Procurement Agency (NSPA) data

Submitting your proposal in PIEE

- **Offerors are instructed to submit their proposal electronically via the Procurement Integrated Enterprise Environment (PIEE) Solicitation Module (<https://piee.eb.mil>). A vendor registration guide for obtaining access to the PIEE Solicitation Module is posted to the Defense Pricing and Contracting website at:
https://www.acq.osd.mil/asda/dpc/ce/cap/docs/piee/PIEE_Solicitation_Module_Vendor_Access_Instructions.pdf**
- For instructions on how to post an offer, please refer to the Posting Offer demo:
 - https://pieetraining.eb.mil/wbt/sol/Posting_Offer.pdf.
- It is the Offeror's responsibility to obtain written confirmation of receipt of all electronic files for the full proposal.
- ***Offerors must also request the Proposal Manager role from PIEE in order to submit.***
