

## Request for Information (RFI)

The Expeditionary Contracting Platoon (ECP) is conducting market research to identify contractors capable of providing integrated service router for the ECP.

The North American Industry Classification Standard (NAICS) code for this project is 517112 Wireless Telecommunications Carriers (except Satellite) with a size standard of 1,500 employees. NAICS code compliance verification will occur if/when proposals are submitted.

Scope of Work: See attached Exhibit.

Responses to Request for Information:

Contractors are reminded that this is a REQUEST FOR INFORMATION and is NOT a request for proposal/bid/quote.

Responses to this notice shall not constitute responses to solicitation. Responses to this notice are not considered offers and cannot be accepted by the Government to form a binding contract. This Request for Information is not to be construed as a commitment by the Government, nor will the Government pay for the information submitted in response. Respondents will not be notified of the results of any government assessments.

It is requested that interested businesses submit to the contracting office a brief capabilities statement. The capabilities statement must clearly detail the firm's ability to perform all aspects of this notice and must include the

following:

a) Data Universal Numbering System (DUNS) number, Commercial and Government Entity (CAGE) code, and a statement regarding the socio-economic status of the company (Section 8(a) of the Small Business Act (8a) small business concern, certified Historically Underutilized Business Zone (HUBZone), Service-Disabled Veteran-Owned Small Business (SDVOSB) concern, etc.).

**b) Confirmation that your company can meet the certifications required in the Exhibit and delivery date.**

i) When providing information for other similar or identical items listed in the exhibit, include a brief description highlighting the differences in the performance efforts of the products, ensuring that they deliver the same level of service or enhance the quality of service.

Proposals are not to be submitted at this time. This is a Request for Information only, NOT A REQUEST FOR PROPOSAL/BID/QUOTE.

No questions will be answered. The information received will be utilized to assist in formulating the acquisition.

Respondents will not be notified of the results of any government assessments. All responses will be treated as proprietary.

THE DEADLINE FOR RECEIPT OF SUBMISSIONS IS 7 March 2025, 08:00AM (PST).

All submissions must be sent via electronic mail to: hanna.bolduc@usmc.mil.
