HOW TO CREATE A PSA INFOGRAPHIC

A Public Service Announcement is used to spread awareness about a topic. Keep the title brief and expand on the topic in this summary.

OVERVIEW

Start your infographic with an introduction to the topic. Explain the issue as if you are speaking to someone who has never heard of this issue before.

FACTS

Provide your reader with facts that support your stance and show why the issue should be addressed. Consider using graphs, charts, and quotes from reputable sources.

EXAMPLE

Provide an example of this issue from a real world source. This helps your reader connect to the issue and feel empathetic.

CALL TO ACTION

What can your reader do to help? Use this section to list the most important steps your reader can take to support, prevent, or raise awareness.
