The PSC Code is Q301 Medical Laboratory Testing

As this is not a request for competitive quotes, the Government encourages all interested parties who believe they can provide the products/services to contact Colleen M. Rye via email at colleen.m.rye.civ@health.mil by Friday, 14 March 2025 by 12:00PM, CST and reference number W81K00-25-Q-A045 and submit a written response describing their ability to provide the product/services. Telephone calls are not authorized.

Basis of Award: Award will be based on lowest price/technically acceptable. Award is ALL or NONE/BRAND NAME ONLY.

A determination by the Government not to compete this proposed contract acquisition based upon responses to the notice is solely within the discretion of the Government.

Information received will normally be considered solely for the purpose of determining whether to conduct a competitive procurement.

This notice does not obligate the Government to award a contract or otherwise pay for the information provided in response. The Government reserves the right to use information provided by respondents for any purpose deemed necessary and legally appropriate. Respondents are advised that the Government is under no obligation to acknowledge receipt of the information received or provide feedback to respondents with respect to any information submitted.
