MEMORANDUM FOR ALL PROSPECTIVE OFFERORS

FROM: 60TH CONTRACTING SQUADRON
350 Hangar Ave; Bldg 549
Travis AFB, CA 94535

SUBJECT: Pre-Solicitation Notice/Synopsis – FA442725R0014, Gas Meter Replacement Services

1. This notice is posted IAW FAR 5.203 “Publicizing and response time.” The Government intends to release a solicitation on or after 15 days from the date this notice for the requirement below. This notice does not obligate the government to award a contract, nor does it obligate the government to pay for any proposal preparation costs.

2. This is a pre-solicitation notice for Gas Meter Replacement services. The contractor shall provide all labor, materials, and supervision to replace the gas meters at buildings B1, B3, B214, B231, B436, B551, B812, B971, B1355, and B1356. Any work not specifically covered by the specifications shall comply with current governing codes, standards, including but not limited to, Uniform Plumbing Code (Chapter 12, 1208.6 Gas meters), National Fire Protection Association (NFPA) standard 54 or standard 58, International Building Code (IBC) and industry standards. All work must comply with environmental laws and regulations, including abatement of any hazardous materials. If there are conflicts between codes, the contractor shall abide by the more stringent code.

3. In accordance with FAR 36.204(c), the disclosure of magnitude for this project will be between \$100,000 and \$250,000.

4. The solicitation shall be publicized through the Government-wide point of entry on SAM.gov. Prospective offerors must have an active registration with SAM.gov

5. If you have any questions, comments, or concerns, please reach out to the contract specialist SrA John R. De Pedro at 707-424-1793 or john_rexter.de_pedro@us.af.mil.
