Special Notice

DESCRIPTION

Special Notice

The Department of Veterans Affairs, Network Contracting Office 7 located in Columbia, SC intends to issue a sole source firm fixed priced contract to Government Marketing & Procurement, LLC. of Wimberley, TX. The contract is expected to be awarded under FAR Part 13. A Limited Sources Justification has been prepared.

The vendor will supply and install a Fleet Management System (FMS) to manage, reserve and access government vehicles, keys and Wright Express Credit Cards 24 hours-a-day, seven days-a-week to reduce or eliminate paper-based forms and processes. The FMS Vehicle Sharing Program will provide an unstaffed dispatching in and out system that will enable Department of Veteran Affairs employees 24-hour access to the vehicle keys. The vehicle sharing software will enable the Columbia VA Health Care Fleet Management to electronically approve or reject vehicle assignments and ensure government vehicles are assigned to an employee at the time of their required departure. The FMS vehicle sharing software will eliminate employees from signing the vehicles out on a Friday and departing on a Monday; therefore, it will improve vehicle utilization. The vendor shall supply and install an environmentally controlled enclosure along with a vandal proof key-control system and rugged touch screen kiosk at the Columbia VA Health Care System in Columbia, South Carolina (SC) and at each of the seven (7) VA Outpatient Clinics to secure government vehicle keys and Wright Express credit cards. The vendor shall also supply and install web-based system to include a cellular router and provide communication services at each location, and this system will not be connected to the VA network. The vendor shall provide the necessary equipment to secure up to 56 vehicles at the Columbia VA Health Care System, up to 35 vehicles at Anderson, Florence, Greenville, Orangeburg, Sumter, Spartanburg and 12 vehicles at Rock Hill. The FMS is required to manage and track motor pool reservations, mileage and trip reporting, driver's qualifications 24 hours-a-day. The vendor shall also provide internet-based Administrator training for four VA employees.

Each location shall include annual maintenance and software/technical support.

This procurement is being conducted in accordance with FAR 13.106-1(b) (1)(ii), "Soliciting from a Single Source." The NAICS code utilized for this procurement is 541519- Other Computer Related Services. Size Standard: \$34 Million.

THIS NOTICE OF INTENT IS NOT A REQUEST FOR COMPETITIVE QUOTES. However, Contractors may submit a capability statement, proposal, or quotation which shall be considered by the contracting officer whether to continue with the sole source procurement or to provide for competition. Such responses MUST be received no later than March 13, 2025 at 4:00 PM EST. Forward responses by e-mail to Stanley.turner@va.gov.

Responses received will be evaluated; however, a determination by the Government not to compete the proposed procurement based upon responses received to this notice is solely within the discretion of the Government.

The Department of Veterans Affairs, NCO 7 will NOT be responsible for any costs incurred by interested parties in responding to this notice of intent. Only written responses will be considered. All responses from responsible sources will be fully considered. As a result of analyzing responses to this notice of intent, the Government shall determine if a solicitation will be issued. Any prospective contractor must be registered in the System for Award Management (SAM) in order to be eligible for award. All software licensing, warranty and service associated with the equipment/system shall be in accordance with the OEM terms and conditions. Interested parties are encouraged to furnish information by email only with Response to Intent to Sole Source to Government Marketing & Procurement, LLC | 36C24725Q0438.

All documents submitted will not be returned. All interested parties shall submit clear and convincing documentation demonstrating their capabilities to satisfy the requirements listed to Contract Specialist, by email at Stanley.turner@va.gov. The capability documentation should include general information and
