

Single Source Justification (Simplified Acquisition)

Section A: General Contract Information

Is this a Bridge Action as defined in the [AF Bridge Action Reduction Plan](#)? ☐ Yes ☒ No

Contracting Activity: 30th Contracting Squadron, Vandenberg SFB, CA 93437

Project/Program Name: ScareWars BASH Cannon Bird Scare System Maintenance Service and Support - 1 year and 4 OYs

Purchase Request / Local ID Number: F4D1B14157AW03

Estimated Contract Cost (including Options): [REDACTED]

Section B: Description of the Supplies/Services Required

30th Operations Support Squadron requests authorization to execute a Firm Fixed Price single source blanket purchase agreement service agreement for 1 year FY25-FY26 and 4 optional/outward years (OY) and an optional 6-month extension FY26-FY30 with Reed-Joseph, International, for the ScareWars Radio Controlled Bird Abatement System. The equipment includes 28 Bird Deterrent Units, two computer workstations and software, portable radios, antennas, and associated equipment. The ScareWars equipment and software are proprietary and cannot be maintained or serviced by other companies.

Section C: Justification for Soliciting from a Single Source or Brand Name

Reed-Joseph International is the primary company used by the USAF for wildlife deterrent equipment purchases and has already training and hired a local handyman to perform maintenance and service on our existing ScareWars BASH cannon system. This system has reduced bird populations near the runway and improved flight safety. Additionally, the Vandenberg SFB airfield is already using the ScareWars system. This purchase will ensure the equipment is functioning and maintained correctly by a trained technician.

Reed-Joseph's ScareWars system is already in use at the Airfield and is proprietary equipment system.

Section D: Efforts to Obtain Competition

All possible research has been exhausted and no other sources will suffice. Due to proprietary considerations with the equipment and software configurations, Reed Joseph, Inc. is the only known source for this solution.

Section E: Steps to Preclude Future Single Source or Brand Name Awards

The company would have to license other company sources to service in order to open up to competitors.
