REQUEST FOR INTEREST

Potential Redevelopment of Naval Air Station Key West Saddlebunch Keys, Monroe County, Florida

Naval Facilities Engineering Systems Command Southeast

March 7, 2025

I. SUMMARY

1. **DESCRIPTION.** The Naval Facilities Engineering Systems Command Southeast, in support of the Department of the Navy (“DON” or “Government”), is seeking information from interested entities regarding potential redevelopment or utilization of up to approximately 610 acres of land located at Saddlebunch Keys, Key West, Florida. Interested responders may complete and submit a Request for Interest (“RFI”) response in support of their proposed project concepts for the site no later than **April 11, 2025**. The DON intends to use the RFI responses to further evaluate its best courses of action.
2. **THIS IS A REQUEST FOR INTEREST ONLY.** This RFI is a market research tool issued to determine the availability and adequacy of potential business ideas for the DON’s information and planning purposes. This is not a Request for Proposals (“RFP”) or a promise to issue another solicitation type in the future. This RFI does not obligate the Government to offer the property or to purchase services from any responder, and the DON reserves the right to cancel this RFI at any time. Further, the DON is not at this time seeking proposals and will not accept unsolicited proposals. By participating in the RFI process, all agree to hold the United States of America, its officers, employees, and advisors harmless from all claims, liabilities, and costs related to all aspects of this RFI. Under no circumstances shall the United States of America be liable for any costs, real estate brokerage commissions, finder’s fees, or other forms of compensation related in any way to activities undertaken by any person as a result of or in response to the RFI; all costs incurred with responding to this RFI will be solely at the interested party’s expense. Not responding to this RFI does not preclude participation in any future solicitation or RFP, if one is issued.
3. Respondents with questions about this RFI must submit all questions in writing on a Pre-Proposal Inquiry (“PPI”) Form. A copy of the PPI Form is included as Attachment A. Inquiries must be submitted on the PPI Form via e-mail to the Real Estate Contracting Officer’s (“RECO”) representatives at the following addresses: elizabeth.c.parker18.civ@us.navy.mil and heath.adams2.civ@us.navy.mil. Pre-proposal inquiries will not be accepted **after 5:00 PM EST on April 4, 2025**. The Government will respond to properly submitted pre-proposal inquiries on the Federal Business Opportunities (“FBO”) website once each week, no later than close of business Thursday.

II. BACKGROUND

1. **PROJECT OBJECTIVES.** The DON seeks to ascertain interest in redevelopment or utilization of up to approximately 610 acres of land at Saddlebunch Keys, Key West, Florida.
2. **SITE LOCATION.** The parcel of land is located at Saddlebunch Keys, Naval Air Station Key West, Florida and is comprised of an estimated 610 acres as shown on Attachment B.

III. RFI RESPONSE CONSIDERATIONS

1. **RFI REQUIREMENT.** The DON requests each responder to prepare an RFI response addressing potential redevelopment or utilization ideas for the area shown on Attachment B.
2. **ADDITIONAL FACTORS.** These factors should be considered in the RFI response:
 - i. There is no fee transfer of property. Ownership of the premises remains with the U.S. Government.
 - ii. The premises does not have utilities. Development would require utility connection to available sources.
 - iii. The premises is frequently inundated with significant flooding at high tide throughout the year, with near total inundation of all roads during king tides.
 - iv. Government Use: The DON may retain use of a portion or portions of Saddlebunch Keys for Government use.
 - v. The premises may include a substantial portion of wetland areas. The premises contains habitats for federally listed endangered species.
 - vi. Any actions require compliance with the Endangered Species Act and National Environmental Policy Act, which could result in the preparation of an Environmental Assessment or an Environmental Impact Statement.

IV. SUBMISSION OF RFI RESPONSE

1. **RFI RESPONSE (DUE NO LATER THAN APRIL 11, 2025).** Responders will be invited to prepare an RFI response in Microsoft Word or PDF compatible format **due no later than 5:00 PM EST on April 11, 2025**. All costs associated with any RFI response shall be at the responder's sole expense and shall not be reimbursed by the DON. Please be advised that all submissions become Government property and will not be returned. Responses may be submitted via e-mail to elizabeth.c.parker18.civ@us.navy.mil and heath.adams2.civ@us.navy.mil. Responses submitted by email are limited to 7MB in size. Alternatively, responders may mail RFI responses to:

DEPARTMENT OF THE NAVY
Naval Facilities Engineering Systems Command Southeast
P.O. Box 30, Building 903, Attn: RE32
Jacksonville, FL 32212-0030

2. **PROPRIETARY INFORMATION.** Proprietary information included in the RFI response, if any, should be minimized and **MUST BE CLEARLY MARKED**. To aid the Government, please segregate proprietary information.
3. **RFI RESPONSE.**
 - a. **PART I.** Part I of the RFI response shall provide the responder's administrative information:
 - i. Name of entity
 - ii. Name of designated point of contact
 - iii. Mailing address
 - iv. Overnight delivery address (if different from mailing address)
 - v. Phone number
 - vi. Fax number
 - vii. E-mail of designated point of contact
 - b. **PART II.** Part II of the RFI response shall address the requirements set out in the above Section III – RFI RESPONSE CONSIDERATIONS and include the responder's ability to meet DON's proposed project ideas.

V. STATEMENT OF LIMITATIONS

1. **LIMITATIONS.** The Government represents that this RFI, submissions from respondents to this RFI and any relationship between the Government and respondents arising from or connected or related to this RFI, are subject to the specific limitations and representations expressed below, as well as the terms and conditions contained elsewhere in this RFI. By submitting a response to this RFI and without the need for any further documentation, the respondents acknowledge and agree to the Government's rights and all other terms and conditions as set forth in the RFI, including the Statement of Limitations.
2. **DEEMED ACCURATE.** To the best of the Government's knowledge, the information provided herein is accurate. However, the Government makes no representations or warranties whatsoever with respect to this RFI or the property, including representations and warranties as to the accuracy of any information or assumptions contained in this RFI or otherwise furnished to respondents by the Government, site and environmental conditions on the property or the suitability of the property, or any portion thereof, for any specific uses or development. Respondents should undertake appropriate investigation in preparation of submitting a response.

3. **SITE VISIT.** A site visit can be coordinated to give all respondents the opportunity to examine existing conditions prior to responding to the RFI. If interested in a site visit, please submit an e-mail to elizabeth.c.parker18.civ@us.navy.mil and heath.adams2.civ@us.navy.mil by March 19, 2025, so security and logistics can be arranged. If there is interest, a one-day site visit will occur on April 2, 2025.
4. **DISCUSSIONS.** The Government may request clarifying discussions with any or all of the respondents on an individual or group basis. Submission of a response does not guarantee the opportunity to participate in the discussions, if any.
