1. **Contracting Activity:** Department of Veterans Affairs, VISN 10, Cincinnati VA Medical Center. Network Contracting Office (NCO) 10, 260 East University Avenue, Cincinnati OH 45219. Purchase Request #: 539-25-2-072-0046.

2. **Brief Description of Supplies/ Services required and the intended use/Estimated Amount:**

Estimated Contract Value: \$81,257.00

The contractor shall provide all necessary labor, management, supervision, technical skills, quality control, materials, tools, transportation, software, and equipment necessary to provide a service agreement, preventative maintenance, and repair service for the GE Altix Software Service. This equipment must be serviced and/or repaired with the use of OEM parts, tools, and materials. The contractor must have direct access to OEM parts to ensure timely repair services and delivery.

3. **Unique characteristics that limit availability to only one source, with the reason no other supplies or services can be used:**

GE Healthcare is the sole source for service on this equipment because of the proprietary nature of the system. GE Healthcare retains sole data rights on equipment. This is highly specialized hospital equipment. No third-party repair is authorized, and VetCert search resulted in no SDVOSBs or VOSBs capable of performing the work due to the proprietary data rights of the OEM. The Altix Software Service from GE Healthcare cannot be repaired by third party vendor.

4. **Description of market research conducted and results or statement why it was not conducted:**

Market Research was conducted on Sam.gov, Federal Supply Schedules (GSA), NAC, and SAC. Not found to be on any of these schedules. VetCert query was conducted using NAICS code 811210 and returned 318 SD/VOSB concerns. A DSBS query using NAICS 811210 and Keywords "GE Healthcare" returned zero SB concerns. GE Healthcare is the OEM of the systems and has proprietary rights to the equipment. GE Healthcare does not authorize third parties to work on their equipment. The VA/SBA Rule of Two cannot be met. Recommend award to GE Healthcare, a Large Business.

5. **Contracting Officer's Certification:** *Purchase is approved in accordance with FAR13.106-1(b). I certify that the foregoing justification is accurate and complete to the best of my knowledge and belief. See the [\\$19 Open Market \(FAR13\) Award Documentation Form with Abstract](#) to document price reasonableness.*
