

DESIGN-BUILD, RM24-3467 RENOVATE SP17 FOR FLEET LEGAL SERVICES INDUSTRY DAY

Date: 18 March 2025
Time: 1300-1430

Location: Virtual (MS Teams Only) - link will be sent after RSVP received.

SP-17 – Fleet Legal Services

Overview:

Naval Facilities Engineering Systems Command (NAVFAC) Mid-Atlantic invites contractors to learn about and ask questions regarding a proposed project located at Naval Station Norfolk, Norfolk Virginia.

NAVFAC is preparing to advertise in April 2025. Estimated Construction Cost: \$100,000,000 and \$250,000,000.

Project Description:

This design build project will establish a Fleet Legal Services Complex (FLSC) by renovation, conventional construction, and new permanent modular construction on the site of existing Building SP-17. The FLSC will serve as the primary legal support facility for the U.S. Navy Second Fleet located in the Hampton Roads area and throughout Navy Region Mid-Atlantic. The FLSC is a Navy Pilot Project that is required to incorporate prefabricated modular construction. Building SP-17 will be partially demolished. The center portion will remain and be renovated. The new modular construction must be located within the existing footprint of building SP-17, except for circulation spaces (corridors, stairs, elevators), which are allowed outside the existing building footprint. The project primarily constructs administrative space, courtrooms, and other requirements for legal services.

This project identifies the Base Bid, Option 1, Option 2, and Option 3 to meet necessary space program mission needs. Each option is additive. It is important to note that while the options are additive in terms of space and cost, depending on the option, the relationship of the spaces within that option may vary. These options range from 52,000 SF to 110,000 SF.

Agenda:

Time	Action	Owner
1300	Opening Remarks / Introduction	NAVFAC/ Contracting Team
1310	Project Presentations – Technical	NAVFAC / Design Team
1345	Questions	NAVFAC / Design Team
1430	Adjourn	

RSVP to Kristy Gerrek (email: Kristy.I.gerrek.civ@us.navy.mil) by 1500 on March 17, 2025.
