

SASPO – Warner Robins AFB Industry Day Announcement - Cancellation

Due to current restrictions on government travel SASPO is unfortunately canceling the in-person portion of the Robins Industry Day. The information, that would have been briefed, will be published by March 27th, to the SASPO website (<https://www.tinker.af.mil/Home/429SCMS-SASPO/>). See the “Quad Charts” presentation for potential projects and note the second slide for the Reverse Engineering potentials will have information on how/when to submit White Papers or participate in the technical discussions. Please send any questions the workflow email listed below.
