

Special Notice: Intent to Sole Source
Armed Forces Retirement Home (AFRH)- Satellite TV and Internet Services
March 5, 2025
Contracting Office: Bureau of the Fiscal Service, 200 3rd St Parkersburg, WV 26101
SS-AFRH-25-044

Fiscal Service Procurement, on behalf of the Armed Forces Retirement Home (AFRH), anticipates issuing a Firm-fixed price contract with Stellar Private Cable Systems, Inc., 975 E. Tallmadge Ave., Akron, OH 44310, on a sole source basis. AFRH requires continued services for Satellite TV and internet supporting the Resident community at the AFRH Washington DC and Gulfport, MS locations. Stellar Private Cable Systems, Inc., as the incumbent, installed and currently maintains the AFRH enterprise satellite TV and internet broadcast infrastructure. The system's proprietary design ensures integration with the resident community's technology needs. Seamless transition of existing services will comport with AFRH's agency-wide ethos for person-centered care, which prioritizes resident satisfaction and consistent service delivery.

The award will have a total Period of Performance of 05/01/2025 through 04/30/2030, inclusive of one (1) 12-month base period, and four (4) 12-month option periods. See attached draft performance work statement (PWS) for additional requirements.

NO SOLICITATION IS AVAILABLE. A request for more information, or a copy of the solicitation, will not be considered an affirmative response to this Special Notice. Telephone responses or inquiries to this Special Notice will not be accepted.

All responsible sources may submit a capability statement, proposal, or quotation, which shall be considered by the agency. Fiscal Service will consider responses received **no later than 10:00AM EST, March 13, 2025**. Responses shall be submitted electronically to purchasing@fiscal.treasury.gov, SS-AFRH-25-044/Attn: Brittany Coffman – Gregory Johnson. Responses must include sufficient evidence that clearly shows your company is capable of providing the requirement described in this notice. Responses received will be evaluated; however, a determination by the Government not to compete the proposed procurement based upon responses to this notice is solely within the discretion of the Government. If no written response is received by the aforementioned deadline that clearly demonstrates an ability to meet all requirements, and that is more advantageous to the Government, Fiscal Service will make award on a sole source basis to Stellar Private Cable Systems, Inc. Qualified Contractors must provide the following:

1. The name and location of your company, contact information, and identify your business size (Small Business, Small Disadvantaged Business, 8(a), Service Disabled Veteran Owned Small Business, HUBZone, Women Owned Small Business, Other than Small Business etc.). Please ensure contact information includes the name of the point of contact, email address, and telephone number, should the Government have questions regarding individual responses.
2. UEI Number.
3. Specific details of the product(s) that your company offers in regard to this notice.
4. Whether your content is available through a Government contract vehicle or Open Market.
5. A brief capabilities statement (not to exceed 5 pages) that includes a description of your company's standard line of business, as well as a list of customers to whom your company currently provides the specific required content.

The following file extensions are not allowable and application materials/data submitted with these extensions cannot be considered:

No other information regarding this Special Notice will be provided at this time.

PROCUREMENT SENSITIVE

PERFORMANCE WORK STATEMENT ARMED FORCES RETIREMENT HOME RESIDENT TELEVISION AND INTERNET SERVICES

1. GENERAL: The AFRH requires a managed solution for satellite television programming and internet services for the Armed Forces Retirement Home locations at Washington DC and Gulfport MS. In support of the AFRH Resident community, the government requires a contractor to provide the management, supervision, personnel, services, materials, supplies, facilities, transportation, tools, and general and specialized equipment for the in-place upgrade and installation of the satellite television and broadband internet services for the senior living resident population at the AFRH Gulfport and AFRH Washington DC locations.

1.1 Background: The Armed Forces Retirement Home (AFRH) is a Continuing Care Retirement Community (CCRC), dating back to 1851 when it was established as the United States Soldiers Home. In 1991, the AFRH became an independent Federal agency with jurisdiction over its Washington, DC campus which was formerly the Old Soldiers' Home and its Gulfport, Mississippi campus which was formerly the United States Naval Home. The AFRH provides a home to a maximum of 553 Residents at the Gulfport facility and 531 Residents at the Washington DC facility. This Home provides retired veterans with the common daily living needs, medical, life safety, social, recreational and occupational activities for many interests. While residents live in this community, AFRH provides for their overall health care needs in a high quality manner; including on site primary care, medical care, and a continuum of long-term care services as residents transition from independent living.

1.2 Objectives: The AFRH Resident community currently has two options for television and internet services. They can choose to subscribe from a regional cable provider or utilize a cost effect system provided by a contracted service to the AFRH. The government is requires a managed system to provide television, internet and in-house content programming for a senior living community.

1.3 Scope: The contractor shall provide all management, supervision, personnel, materials and transportation for the cable/internet services in-place upgrade, installation, maintenance and broadcast at the Washington, DC and Gulfport, MS campus locations.

Specific Tasks:

- a. The contractor shall provide a solution for residential satellite cable television and internet services. The solution should have optional services such as programmable in-house stations via a cloud based solution, DVR capabilities, senior living community portal for customized for AFRH activity content, digital signage options, mobile applications for resident/family communications, mobile video chat/conferencing, community reporting options for staff and scalable content management features.
- b. The contractor shall provide a system for each AFRH facility that supports scalable television channel line-up packages to include local regional and national broadcasts, high definition quality, premium channel options and channel guide.
- c. The contractor shall provide a channel lineup to include current AFRH channel programming as detailed in Appendix A.
- d. The contractor shall provide a remotely managed solution where all resources can be maintained and supported by the vendor technical team.
- e. The system shall also include a high speed internet capable of accommodating gigabyte plus speeds for up to 1,000 users comparable to the local public providers such as Xfinity and Sparklight.
- f. The contractor shall have network support monitoring tools and preventative security measures in place to prevent unauthorized access or denial of service breaches.
- g. The contractor shall install and maintain all headend and distribution equipment to support the services provided at the Washington, DC and Gulfport, MS facilities.

RESIDENT TELEVISION AND INTERNET SERVICES**

- h. The contractor shall provide support plan to replace all defective headend and distribution equipment supporting the broadcast to the Resident rooms at no cost to the government.
- i. The contractor shall provide onsite and remote technical support to troubleshoot and replace defective distribution equipment.
- j. The use of existing in-house cabling supporting the current infrastructure is allowed. Any additional cabling costs to support the proposed system must be presented to the Contracting Officer and COR prior to the contract award.

1.4 Period of Performance: The period of performance shall be for one (1) 12-month base period from award plus four (4) 12-month optional periods.

1.5 General Information:

1.5.1 Quality Control: The Government will periodically evaluate the Contractor's performance in accordance with the Quality Assurance Surveillance Plan (QASP). The purpose of the QASP is to ensure services are provided in accordance with the PWS. The plan will also ensure unnecessary complaints and acceptable performance.

The Government's QASP includes the following elements:

- Acceptance of the Contractor's Quality Control Plan
- Periodic inspection of the Contractor's work
- Communicating customer complaints
- Progress meetings with the Contractor, if required

The implementation of this QASP does not relieve the Contractor of the responsibility to implement and abide by the quality control plan incorporated into this contract. At the Contracting Officer's discretion, the Contractor may incur a payment deduction for lack of compliance with the quality control plan.

1.5.2 Quality Assurance: The COR monitors and "spot check" and records programming or other outages and reports on a monthly and quarterly basis. The Government retains the right to inspect all requirements of the contract. Unacceptable performance will be recorded and the Contractor shall be required to correct the unacceptable condition within a 24-hour time period. If the Contractor does not correct the unacceptable condition within 24-hours, the COR will notify the Contracting Officer who will take appropriate administrative action for unacceptable performance.

1.5.3 Place of Performance: The places of performance for this effort is:

AFRH-Washington, DC
140 Rock Creek Church Road, NW
Washington, DC 20011

AFRH-Gulfport, MS

1.5.5 Security Requirements: Unless stated elsewhere all Contractor personnel performing under this contract shall comply with all security policies and procedures that apply to the AFRH Washington and Gulfport facilities. Security procedures shall be made available to contractor personnel. All Contractor personnel shall conduct themselves in accordance with the standards established by the Office of Government Ethics. No Contractor personnel shall accept money or gifts from Residents. Contractor personnel are prohibited from entering the occupied rooms of independent living residents, without the prior approval of the COR. Any violation of the above will result in immediate removal of the contractor personnel by AFRH security.

All Contractor personnel must be able to obtain the proper clearance required to receive a Campus pass. In addition, Contractor personnel shall present a neat appearance. The Government is authorized to restrict the employment under the contract of any Contractor personnel or prospective Contractor personnel, who is identified as a potential threat to the health, safety, security, general wellbeing, or operational mission of the campus and its population.

1.5.6 Other Requirements: All Contractor personnel shall adhere to the authorized speed limits while operating vehicles on the grounds of the AFRH Washington and Gulfport, MS campuses. Contractor vehicles shall only be parked in areas as directed by the COR. Contractor personnel are required to comply with District of Columbia and Gulfport, MS laws, which require seat belts to be used at all times and restricts cell phone use. Speed limits on AFRH-W and AFRH-G grounds are 15 mph unless otherwise posted. Only 5 mph is permitted through the shops and service area. Contractor personnel driving a motor vehicle on AFRH property cannot use a cell phone unless the vehicle is safely parked or the driver is using a hands-free device.

1.5.7 Alcohol and Illegal Drug Use: The contractor shall not allow any personnel to perform work when the employee is under the influence of alcohol, illegal drugs or prescription drugs which can adversely affect the employee's ability to perform their duties in a safe manner. Personnel found to be under the influence of alcohol or illegal drugs will be immediately removed from AFRH campuses. The threshold for being under the influence of alcohol or illegal drugs is the same as that established by current laws for vehicle operation. The contractor is responsible for establishing the method(s) by which employees will be determined to be under the influence of alcohol or illegal drugs. The Government reserves the right to require any contractor personnel that the Government deems as displaying errant or unexplained behavior be removed from AFRH campus and immediately tested.

1.5.8 Traffic Laws: The Contractor and its employees shall comply with AFRH campuses traffic regulations. Anyone driving a motor vehicle on the AFRH campuses cannot use a cell phone unless the vehicle is safely parked or the driver is using a hands-free device. The enforcement of this policy impacts ALL contractors who conduct business on the AFRH campuses.

While performing the contract requirements, the contractor shall ensure the protection of its personnel, health and safety of AFRH residents, staff, and visitors while preventing damage to property, materials, supplies, equipment, and work interruptions. The contractor shall:

- Comply with all OSHA, District of Columbia Safety Code, and the AFRH Safety Regulations.
- Ensure that any additional safety measures will be incorporated when it is deemed necessary by the Contracting Officer (CO), COR or AFRH Chief of Campus (Washington and Gulfport) Operations.
- Ensure resident safety and shall report safety concerns to the COR, AFRH Safety Officer
