

Contracting Office Address 23 Contracting Squadron, 23 CONS/PKA

4380 Alabama Rd Bldg. 932, Moody AFB, GA 31699-1794

Description

This requirement is being procured in accordance with FAR Part 36, Construction and Architect-Engineer Contracts.

The 23D Contracting Squadron, Moody AFB, Georgia, intends to issue a Request for Proposal (RFP) to "Maintain Airfield Surface/Markings at Moody AFB, GA, Solicitation No. FA483025R0006. This will be a single award, firm-fixed price contract, which includes providing all materials, labor, tools, equipment, and transportation necessary to remove rubber build-up and remove paint as designated in Statement of Work (SOW). All areas where paint is removed will be repainted.

This solicitation will be set-aside for Woman Owned Small Businesses in accordance with Federal Acquisition Regulation (FAR) Part 19. The North American Industry Classification Code (NAICS) 237310 is applicable to this solicitation. The size standard is \$45 million.

In accordance with FAR 36.204(d) the project magnitude will range from \$250,000 and \$500,000.

The successful offeror will be selected using Lowest Priced Technically Acceptable (LPTA) Procedures in accordance with FAR Part 15.

The solicitation and associated documents will be available for download electronically on the System for Award Management website (www.sam.gov). Paper copies will not be available. In order to submit a proposal and be eligible for award, you must be registered at the System for Award Management (SAM) website at <http://www.sam.gov>. Once the solicitation is posted, it is incumbent upon the interested parties to review this site frequently for any updates or amendments to any and all documents.
