This purchase will include the Madsen Astera2, the software kit, new product installation, and a half-day of training for the Audiologists. A NATUS technician will install the product and train the Audiologists.

Contractor will have capacity to sell and deliver equipment as set forth in the contract. Equipment will be received by the VA and processed through BioMed/Logistics. All items included in the requirement shall be shipped and delivered to site at same time.

RESPONSE INSTRUCTIONS

A response must address all five of the following requirements. Responses that seek to counter any or all the requirements must include evidence of claims for the response to be considered.

Long-term Requirement

(**Note:** while responses are expected to show evidence of compatibility, responses cannot seek to propose new solutions seeking to change long-term plans already implemented with NATUS Otometric devices.)

OTHER REQUIREMENTS

1. The Madsen Astera2 device will replace the GSI Audiostar Pro audiometer and will be one of the final devices that meets compatibility with NATUS Otometric devices already implemented across the state.
2. Must provide an onsite training team.
3. Madsen Astera2 has seamless compatibility with existing NATUS Otometric devices across all Montana Audiology clinics.
4. Must have evidence to counter the following: NATUS (formerly Otometrics) has provided a sole-source statement that states they are the only distributor of Otometrics and provider of sales, service, calibration, training, and warranty coverage on the Otometrics product line.
5. Must provide evidence meeting standardization goals described in the following statement: Standardizing audiometers simplifies troubleshoot and maintenance, reducing downtime and improving operational efficiency. By utilizing the same device in every clinic location, staff training is simplified, and patients benefit from a consistent testing experience.

Special Notice

THIS NOTICE OF INTENT IS NOT A REQUEST FOR COMPETITIVE QUOTES.

Interested parties may identify their interest and capability to respond to this requirement no later than 1:00pm Mountain Standard Time, Tuesday, March 11, 2025.
