

STATEMENT OF WORK

for

Nicolet iS50 FTIR and Raman Advanced Flex Gold Spectrometer Maintenance

8/01/2024 v1

1. PURPOSE

Naval Surface Warfare Center Indian Head Division (NSWC IHD) Chemistry Branch (R11) requires preventative maintenance and support for one (1) Nicolet iS50 FTIR Advanced Flex Gold Spectrometer, one (1) iS50 Raman Module Spectrometer, and one (1) Nicolet FT-IR Options

2. SCOPE

The Contractor shall provide service for the below instruments:

2.1 One (1) Nicolet iS50 FTIR , S/N: AUP2310588

2.2 One (1) Raman Spectrometer, S/N: AWW2310031

2.3 The Contractor shall provide priority technical telephone support within a two (2) hour response time.

3. REQUIREMENTS

3.1 Preventative Maintenance: Service shall include one (1) on-site service visit per year. Software updates and notifications shall be installed during these visits to address software stability and performance issues as they become available.

3.2 Emergency Maintenance: Additional service visits, such as but not limited to, addressing equipment breakdown between preventative maintenance calls. These emergency visits are UNLIMITED. This service shall be performed on-site and on an as needed basis. These unlimited visits are required within seventy-two (72) hours after notification.

3.3 Replacement Parts: Only factory-certified replacement parts shall be used in effecting repairs. All service personnel visiting IHD/NSWC must be US citizens, unless a specialist is required to maintain certain parts of the instrument and shall submit visitor and badge request information a minimum of ten calendar days in advance.

If repairs are found to be needed which are outside the scope of this contract, the contractor will inform the TPOC and provide a Rough Order of Magnitude (ROM) of what the repair will cost, including parts and time to repair.

No additional costs will be accepted without the approval of the Contracting Officer.

4. PLACE OF PERFORMANCE

The maintenance and repairs (with the exception of phone support) will take place at the NSWC India Head Division, B600 or B3176. All labor, travel and incidental material costs are included in the contract.

5. PERIOD OF PERFORMAMNCE

The Contractor shall provide maintenance for twelve (12) months following contract award. The contract will be a base and two (2) option years, for a total of three (3) years at the government's discretion.
