Technical Exchange Meeting**

Technical Exchange Meeting

Missile and Space Intelligence Center (MSIC) of the Defense Intelligence Agency (DIA), is hosting a Technical Exchange Meeting (TEM) with industry. The purpose of the TEM is to conduct preliminary planning and market research to enable the future development of MSIC's anticipated Multiple Award, Indefinite Delivery/Indefinite Quantity (MAIDIQ) contract. During the TEM, industry partners will learn about MSIC's technical priorities, capability challenges, and showcase the future of MSIC's MAIDIQ. Industry will have the opportunity to request a 30 minute one on one with government, if intending to bid as a Prime Contractor.

There is no solicitation as this time. The TEM is purely voluntary, and the Government does not assume any financial liability for incurred cost to attend the TEM.

The Government will provide a DRAFT Performance Work Statement (PWS) and Request for Information Matrix, No Later Than 21 February 2025. The DRAFT PWS will be submitted on SAM.gov as an amendment to this TEM announcement.

The TEM will occur on **February 26, 2025, from 0800 to 1200** at Redstone Arsenal, 4545 Fowler Rd, Redstone Arsenal, AL 35898. Following the TEM companies qualified and registered for one on one discussions with the Government will occur from **1300 – 1600 CST on February 26, 2025**. A second session will be provided for additional one on one discussions with the Government on **February 27, 2025 from 0800 – 1600 CST**.

The Government recommends that all TEM participants **arrive at the MSIC facility 45** minutes prior to the TEM start time of 0800 for security and badging requirements.

TEM Classification and Restrictions

The overall classification of the event is **SECRET//NOFORN**. Advanced registration is required, and the visitor request protocol is provided below.

The Government will accept RSVPs for a maximum of two visitors per company for the TEM. Submissions of Company personnel are to be provided No Later Than 20 February 2025 at 1600 CST.

If the Company meets the requirements and anticipates a future proposal effort as a Prime Contractor, the Government will allow a maximum of five visitors per company for the TEM one on one discussion **only**.
