Drug Enforcement Administration
St. Louis Division
Statement of Work**

INTRODUCTION

The Drug Enforcement Administration (DEA) in conjunction with state and local law enforcement agencies throughout the United States will conduct National Prescription Drug Take Back Day on Saturday April 26, 2025 to provide a venue for persons who want to dispose of unwanted and unused prescription drugs.

National Prescription Drug Take Back Day addresses a vital public safety and public health issue. Roughly 6.2 million Americans currently abuse prescription drugs according to the Substance Abuse and Mental Health Services Administration's National Survey on Drug Use and Health. Each day, approximately, 2,500 teens use prescription drugs to get high for the first time according to the Partnership for a Drug Free America. Studies show that a majority of abused prescription drugs are obtained from family and friends, including the home medicine cabinet.

BACKGROUND

The DEA will collect waste materials dropped off at the collection sites by consumers. Containers from multiple collections will be consolidated at the DEA St. Louis Division (317 South 16th Street, St. Louis, MO 63103) into a single shipment for disposal. Containers will be sealed and kept in DEA custody until final destruction is witnessed by the DEA. The collected prescription and non-prescription drugs must always be in DEA custody; therefore, up to 10 DEA Agents will be required to transport the collected drugs to the disposal facility.

SCOPE OF WORK

DEA requires the disposal of controlled and non-controlled prescription and non-prescription drugs via incineration. Waste materials are to remain in DEA custody at all times until destruction. Vendor shall provide a secure environment for the incineration of pharmaceuticals (Estimated 40,000 pounds). Waste materials will be packaged in 12"x12"x36' cardboard containers by DEA personnel. Containers will not be palletized by DEA. Vendor is required to be Environmental Protection Agency (EPA) approved to incinerate pharmaceuticals and other hazardous materials including mercury from thermometers that are inadvertently collected. Vendor shall unload containers from DEA vehicles and move the materials delivered by DEA into the incinerator. Incineration must be witnessed by DEA personnel. The incineration (and a possible second burn) must be completed within a 4-6 hour time frame upon delivery. Some collection sites will not be able to send the collected drugs to the St. Louis Division in time; therefore a second burn may be required in 3 weeks for late submission.

SECURITY REQUIREMENTS

“All contractor personnel supporting this procurement are entrusted with a certain level of trust due to the nature of DEA’s mission. The Government expects the vendor will employ persons of integrity and trustworthiness. To ensure this, DEA reserves the right to conduct background screening or a full background investigation on all employees if a need arises. While all services provided on this contract will be performed outside of DEA, all contractors must be escorted if entering a DEA facility. DEA reserves the right to modify the security requirements found in this contract at any time.”

PERIOD OF PERFORMANCE

April 29, 2025 – June 30, 2025

SOLE SOURCE DOCUMENTATION**FAR PART 13****Purchase Orders Over \$10,000 but not Exceeding \$250,000**

Acquisitions that do not allow for competition to the maximum extent practicable must be documented in accordance with Federal Acquisition Regulations (FAR). A Limited Sources Justification is required when soliciting fewer than three sources per FAR [13.104](#), or when using brand name descriptions per FAR [13.106-1\(b\)\(1\)](#). A Limited Sources Justification is not required for brand name or equal procurements. Follow procedures at [FAR PART 11.104](#).

Brief description of supplies or services required and the intended use:

Services required for the incineration of drugs collected during the NTBI on April 26, 2025

Summary of the facts and circumstances that support the determination that ☐ only one source is reasonably available to supply the required supplies or services, or ☐ only the specified brand-name items can satisfy the Government's need:

Vendor (Veolia ES Technical Solutions LLC) is the ONLY source within the St Louis Division that can satisfy the requirements to destroy the drugs collected via incineration. Vendor is the ONLY source with the proper state and federal permits to dispose of these materials via incineration.

Describe in detail any market research conducted. Include results and state whether any vendors expressed interest:

This will be the 28th time the NTBI has been conducted. Bidding has been done previously. The only other vendors that have bid for the service have been out of state. Vendors prices vary but usually exceed the price per pound offered by vendor and the cost of transporting the material overland coupled with the per diem and payroll costs of a security detail comprised of DEA agents/TFOs makes the cost of out of state incineration greater than using the local vendor. Furthermore, the risk to the public health and safety of overland transport of the large volume of these materials makes them a target for those with nefarious intentions and therefore is an unacceptable risk to the public given that we have a local vendor that is both cost effective and minimizes the transit distance and time for these materials. Transport cost is further complicated by the fact that this volume of material takes more than 1 day to destroy thereby increasing TDY and personnel costs for extended or multiple trips as well as increasing the security risk.

The Contracting Officer hereby determines that, due to the circumstances of this procurement:

☒ Only one source is deemed to be reasonably available.

☐ Only the specified brand-name item will satisfy the Government's need. For orders exceeding \$25,000, this Limited Source Justification shall be made available together with the solicitation and posted on the Contract Opportunities page on the Governmentwide Point of Entry (SAM.gov) in accordance with FAR [5.101\(a\)\(1\)](#).

☐ The Contracting Officer certifies that an order for the supplies or services will not be placed unless the price is found to be fair and reasonable.

☐ **JAR 2852.233-70 PROTESTS FILED DIRECTLY WITH THE DEPARTMENT OF JUSTICE (NOV 2020)**

(a) The following definitions apply in this provision:

(1) "Agency Protest Official" (APO) means the Deciding Official for a procurement protest filed with a contracting activity of DOJ when the contracting officer will not be the Deciding Official because of the protestor's election under JAR 2833.103(b).

(2) "Deciding Official" means the official who will review and decide a procurement protest filed with the agency. The Deciding Official will be the contracting officer unless the protestor requests pursuant to JAR 2833.103(b) that the protest be decided by an individual above the level of the contracting officer, in which case the HCA will designate an APO to serve as the Deciding Official.

(3) "Interested Party" means an actual or prospective offeror whose direct economic interest would be affected by the award of a contract or by the failure to award a contract.

(b) Only interested parties may file a protest.

(c) An interested party filing a protest with the DOJ has the choice of requesting either that the Contracting Officer or the APO decide the protest.

(d) A protest filed directly with the DOJ shall:

(1) Indicate that it is a protest to DOJ.

(2) Be filed with the Contracting Officer.

(3) State whether the protestor chooses to have the Contracting Officer or the Agency Protest Official decide the protest. If the protestor is silent on this matter, the Contracting Officer will decide the protest.

The deciding official may hear oral arguments in support of the agency protest at the same time as the scheduling conference, depending on availability of the necessary parties.

(g) Oral conferences may take place either by telephone or in person.

(h) The protestor has only one opportunity to support or explain the substance of its protest. DOJ procedures do not provide for any discovery. The deciding official may request additional information from the agency or the protestor. The deciding official will resolve the protest through informal presentations or meetings to the maximum extent practicable.

(i) A protestor may represent itself or be represented by legal counsel. The DOJ will not reimburse the protestor for any legal fees related to the agency protest.

(j) The DOJ will stay award or suspend contract performance in accordance with FAR 33.103(f), unless the contract award is justified, in writing, for urgent and compelling reasons or is determined, in writing, to be in the best interest of the Government. The justification or determination shall be approved at a level above the Contracting Officer. The stay or suspension, unless over-ridden, remains in effect until the protest is decided, dismissed, or withdrawn.

JAR 2852.212-4 TERMS AND CONDITIONS—COMMERCIAL ITEMS (NOV 2020) (DEVIATION)

When a commercial item is contemplated (using FAR part 12 procedures or otherwise) and the contract will include FAR 52.212-4, the following replaces subparagraph (g)(2); paragraph (h); subparagraph (i)(2); paragraph (s); and paragraph (u), Unauthorized Obligations, of the basic FAR clause, and adds paragraph (w), as follows:

(g)(2) Invoices will be handled in accordance with the Prompt Payment Act (31 U.S.C. 3903) and Office of Management and Budget (OMB) prompt payment act regulations at 5 CFR part 1315, as modified by subparagraph (i)(2), *Prompt payment*, of this clause.

(h) *Patent indemnity*. Contractor shall indemnify and hold harmless the Government and its respective affiliates, officers, directors, employees, agents, successors and assigns (collectively, "Indemnities") from and against any and all liability and losses incurred by the Indemnities that are (i) included in any settlement and/or (ii) awarded by a court of competent jurisdiction arising from or in connection with any third party claim of infringement made against Indemnities asserting that any product or service supplied under this contract constitutes infringement of any patent, copyright, trademark, service mark, trade name or other proprietary or intellectual right. This indemnity shall not apply unless Contractor shall have been informed within a reasonable time by the Government of the claim or action alleging such infringement and shall have been given such opportunity as is afforded by applicable laws, rules, or regulations to participate in its defense. This indemnity also shall not apply to any claim unreasonably settled by the Government which obligates Contractor to make any admission or pay any amount without written consent signed by an authorized officer of Contractor, unless required by final decree of a court of competent jurisdiction.

(i)(2) *Prompt payment*. The Government will make payment in accordance with the Prompt Payment Act (31 U.S.C. 3903) and prompt payment regulations (5 CFR part 1315), with the following modification regarding the due date: For the sole purpose of computing an interest penalty due the Contractor, the Government agrees to inspect and determine the acceptability of any supply delivered or service performed specified in the invoice within thirty (30) days of receipt of a proper invoice from the Contractor, after which time, if no affirmative action has been taken by the Government to accept such supply or service, the supply or service will be deemed accepted and payment due thirty (30) days from the date of deemed acceptance. If the Government makes the determination that the item delivered or service performed is deficient or otherwise unacceptable, or the invoice is otherwise determined not to be a proper invoice, the terms and conditions of this paragraph regarding prompt payment will apply to the date the Contractor corrects the deficiency in the item delivered or service performed or submits a proper invoice. If actual acceptance occurs within the constructive acceptance period, the Government will base the determination of an interest penalty on the actual date of acceptance. The constructive acceptance requirement does not, however, compel Government officials to accept supplies or services, perform contract administration functions, or make payment prior to fulfilling their responsibilities.

(s) *Order of precedence*. Any inconsistencies in this solicitation or contract shall be resolved by giving precedence in the following order:

- (1) The schedule of supplies/services.
- (2) The Assignments, Payments, Invoice, Other Compliances, and Compliance with Laws Unique to Government Contracts provisions of the basic FAR clause at 52.212-4, and the Unauthorized Obligations and Contractor's Commercial Supplier Agreements—Unenforceable Clauses provisions of JAR 2852.212-4.
- (3) FAR 52.212-5.
- (4) Other paragraphs of the basic FAR clause at 52.212-4, with the exception of paragraph (o), Warranty, and those paragraphs identified in this deviation of 52.212-4.
- (5) Addenda to this solicitation, contract, or order, including contractor's Commercial supplier agreements incorporated into the contract.
- (6) Solicitation provisions if this is a solicitation.
- (7) Paragraph (o), Warranty, of the basic FAR clause at 52.212-4.
- (8) The Standard Form 1449.
- (9) Other documents, exhibits, and attachments.
- (10) The specification.

(u) *Unauthorized obligations*.

(1) Except as stated in paragraph (u)(2) of this clause, when any supply or service acquired under this contract or order is subject to any Commercial supplier agreement that includes any language, provision, or clause requiring the Government to indemnify the Contractor or any person or entity for damages, costs, fees, or any other loss or liability that would create an Anti-Deficiency Act violation (see 31 U.S.C. 1341), the following shall govern:

(i) Any such language, provision, or clause is unenforceable against the Government.

(ii) Neither the Government nor any Government authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the commercial supplier agreement. If the commercial supplier agreement is invoked through an "I agree" click box or other similar mechanism (e.g., "clickwrap" or "browse-wrap" agreements), execution does not bind the Government or any Government authorized end user to such clause.

(iii) Any such language, provision, or clause is deemed to be stricken from the commercial supplier agreement and have no effect.

(2) Paragraph (u)(1) of this clause does not apply to indemnification by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

(w) *Commercial supplier agreements—unenforceable clauses*. When any supply or service acquired under this contract or order is subject to a contractor's commercial supplier agreement, the following shall be deemed incorporated into such agreement and modifies and replaces any similar language, provision, or clause in such agreement. As used herein, "this agreement" means any contractor commercial supplier agreement:

(1) Notwithstanding any other provision of this agreement, when the end user is an agency or instrumentality of the U.S. Government, the following shall apply:

DEA PROVISION & CLAUSE MATRIX – COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES

Updated through FAC 2024-07

(i) *Applicability.* This agreement is a part of a contract between commercial supplier and the U.S. Government for the acquisition of the supply or service that necessitates a license or other similar legal instrument (including all contracts, task orders, and delivery orders under FAR part 12).

(ii) *End user.* This agreement shall bind the Government as end user but shall not operate to bind the Government employee or person acting on behalf of the Government in his or her personal capacity.

(iii) *Law and disputes.* This agreement is governed by Federal law.

(A) Any language, provision, or clause purporting to subject the U.S. Government to the laws of any U.S. state, territory, district, or municipality, or the laws of a foreign nation, except where Federal law expressly provides for the application of such laws, is hereby deleted and shall have no effect.

(B) Any language, provision, or clause requiring dispute resolution in a specific forum or venue that is different from that prescribed by applicable Federal law is hereby deleted and shall have no effect.

(C) Any language, provision, or clause prescribing a different time period for bringing an action than that prescribed by applicable Federal law in relation to a dispute is hereby deleted and shall have no effect.

(iv) *Continued performance.* Notwithstanding any other provision in this agreement, if the Contractor believes the Government to be in breach of this contract, order, or agreement, it shall pursue its rights under the Contract Disputes Act or other applicable Federal statute while continuing performance as set forth in subparagraph (d), Disputes, of FAR 52.212–4.

(v) *Arbitration; equitable or injunctive relief.* In the event of a claim or dispute arising under or relating to the contract, order, or this agreement,

(A) binding arbitration shall not be used unless otherwise specifically authorized by agency guidance, and

(B) equitable or injunctive relief, including the award of attorney fees, costs or interest, may be awarded against the Government only when explicitly provided by statute.

(vi) *Updating terms.*

(A) After award, the contractor may unilaterally revise terms if they are not material. Material terms are defined as:

(1) Terms that change Government rights or obligations;

(2) Terms that increase Government prices;

(3) Terms that decrease the overall level of service; or

(4) Terms that limit any other Government right addressed elsewhere in this contract.

(B) For revisions that materially change the terms of the contract, the revised commercial supplier agreement must be incorporated into the contract using a bilateral modification.

(C) Any agreement terms or conditions unilaterally revised subsequent to award that are inconsistent with any material term or provisions of this contract shall not be enforceable against the Government, and the Government shall not be deemed to have consented to them.

(vii) *Order of precedence.* Any Order of Precedence clause in any commercial supplier agreement is not enforceable against the Government. The applicable Order of Precedence for this contract, order, or agreement is FAR 52.212–4(s), as revised by JAR 2812.302 and 2852.212–4(s).

(viii) *No automatic renewals.* If any license or service tied to period payment is provided under this agreement (e.g., annual software maintenance or annual lease term), such license or service shall not renew automatically upon expiration of its current term without prior express consent by a properly warranted contracting officer, and any provision or term of any license or service purporting to provide for automatic renewal is unenforceable against the Government.

(ix) *Indemnification by the Government or end-user.* Any language, provision, or clause of this commercial supplier agreement requiring the Government or End-user to indemnify the commercial supplier or licensor is not enforceable against the Government.

(x) *Indemnification by the commercial supplier or licensor.* Any clause of this agreement requiring or permitting the commercial supplier or licensor to defend the Government as a condition of indemnifying the Government for any claim of infringement is hereby amended to provide that the U.S. Department of Justice has the sole right to represent the United States in any such action, in accordance with 28 U.S.C. 516.

(xi) *Audits.* Any language, provision, or clause of this commercial supplier agreement permitting Contractor to audit the end user's compliance with this agreement is not enforceable against the Government. To the extent any language, provision or clause of this agreement permits Contractor to audit the Government's compliance under this contract, order, or agreement, such language, provision, or clause of this agreement is hereby stricken and replaced as follows:

“(A) If Contractor reasonably believes that the Government has violated the terms of this agreement with regard to the restrictions on authorized use and/or the number of authorized users, upon written request from Contractor, including an explanation of the basis for the request, DOJ will provide a redacted version of the Government's most recent Security Assessment and Authorization package (SAA) to Contractor on a confidential basis, so that Contractor may reasonably verify the Government's compliance with its obligations under this agreement. Contractor understands and agrees that the Government will remove or redact any information from the SAA that it reasonably believes may compromise (a) the security of the Government's information technology environment; (b) the confidentiality of any third-party proprietary or confidential information; (c) any confidential, sensitive law enforcement information; and (d) any other information that the Government believes may compromise a past, current, or prospective investigation, prosecution, or litigation. Notwithstanding the preceding, and subject to the Government's policies and procedures for such review, including but not limited to complying with all Government security requirements prior to being granted access to the Government's facilities, including the execution of appropriate confidentiality and/or non-disclosure agreements, the Government will arrange, upon Contractor's written request, for Contractor to view an un-redacted version of the SAA on Government premises. Contractor understands that Contractor will be provided a copy of the un-redacted SAA on Government premises only and that no un-redacted copy of the SAA, or any medium containing information relating to it, will be permitted to be removed from Government premises.

(B) The Contractor also understands and agrees that the Contractor shall make a request under this paragraph no more than on an annual basis and only during the period of the contract, and that any activities performed by Contractor under this clause will be performed at Contractor's expense, without reimbursement by the Government.

Updated through FAC 2024-07

(C) Discrepancies found with regard to the restrictions on authorized use and/or the number of authorized users may result in a charge by Contractor to the Government. Any resulting invoice must comply with the proper invoicing and payment requirements specified in the contract. This charge, if disputed by the Government, will be resolved through the Disputes clause at 52.212–4(d); no payment obligation shall arise on the part of the Government until the conclusion of the dispute process.”

(xii) *Taxes or surcharges.* Any taxes or surcharges which the Contractor seeks to pass along to the Government as end user will be governed by the terms of the underlying Government contract and, in any event, must be submitted to the Contracting Officer for a determination of applicability prior to invoicing unless specifically agreed to otherwise in the Government contract.

(xiii) *Non-assignment.* This agreement may not be assigned, nor may any rights or obligations thereunder be delegated, without the Government’s prior approval, except as expressly permitted under FAR 52.212–4 (b), Assignment.

(xiv) *Confidential information.*

(A) During the term of this contract or order, either party may identify information as “confidential information,” and there shall be no disclosure, dissemination, or publication of any such information except to the extent required for the performance of this contract or order and otherwise provided in this clause or by statute or regulation. Specifically, the parties agree that the party receiving confidential information may only disclose such information to its employees and contractors on a “need-to-know” basis to carry out the obligations of this contract or order, and that subcontractors performing under this Agreement are subject to the same stipulations provided in this provision. The parties also agree that this provision shall survive the termination of this contract or order, and any confidential information obtained or received which comes within these restrictions shall remain confidential, provided that the obligation to treat information as confidential shall not apply to information which is or becomes publicly available through no improper action of the receiving party; is or comes to be in the receiving party’s possession independent of its relationship with the disclosing party; is developed by or becomes known to the receiving party without use of any confidential information of the disclosing party; or is obtained rightfully from a third party not bound by an obligation of confidentiality. Additionally, nothing in this contract or order shall restrict disclosure by the receiving party pursuant to any applicable law, including but not limited to the Freedom of Information Act, 5 U.S.C. 552, *et seq.*, or an order of any court of competent jurisdiction, provided that in either such case the receiving party gives prompt notice to the disclosing party to allow the disclosing party to interpose an objection to such disclosure, take action to assure confidential handling of the confidential information, or take such other action as it deems appropriate to protect its confidential information.

(B) The Government considers and hereby identifies as confidential any and all information related to any inquiries and/or searches performed by the Government or by contractor at the Government’s direction under this contract or order, including the subject of any such inquiry or search and any and all search terms, regardless of whether provided in writing or orally to Contractor, and Contractor agrees that it may only disclose such information to its employees and contractors on a “need-to-know” basis to carry out the obligations of this contract or order and that it will not share, reveal, divulge, disclose, disseminate, or publicize any such information to any third party except as provided in this provision without the prior written approval of the Contracting Officer. Contractor also understands and agrees that any subcontractors performing under this contract or order are subject to the same stipulations and that Contractor may be held responsible for any violations of confidentiality by a subcontractor.

(C) These provisions are consistent with and do not supersede, conflict with, or otherwise alter an employee’s obligations, rights, or liabilities created by existing statute or Executive order relating to (1) classified information, (2) communications to Congress, (3) the reporting to an Inspector General of a violation of any law, rule, or regulation, or mismanagement, a gross waste of funds, an abuse of authority, or a substantial and specific danger to public health or safety, or (4) any other whistleblower protection. The definitions, requirements, obligations, rights, sanctions, and liabilities created by Executive orders and statutory provisions relating to whistleblower protection are incorporated into this contract and are controlling.

(D) The Government may share the terms, conditions and prices set forth in this Order with, and provide a copy of the Order to, other Executive branch agencies of the U.S. Government, provided that the Government shall ensure that other Executive branch agencies to which it provides such information will be required to treat all such information consistent with terms and conditions set forth in this Order.

(E) Notwithstanding anything in this agreement, the Government may retain any confidential information as required by law, regulation, or its internal document retention procedures for legal, regulatory, or compliance purposes; provided, however, that all such retained confidential information will continue to be subject to the confidentiality obligations of this Order.

(xv) *Authorized users.* Authorized users may include full and part-time employees of the Government, including those working at or from remote locations, and contractors and contractor employees working within the scope of their contract with the Government, including those at or from remote locations.

(xvi) *Authorized use.* Authorized users are authorized to use the product or service acquired under this contract in performing business on behalf of the Government. Any information obtained or acquired by the Government under this contract may be used by the Government in the performance of Government business.

(2) If any language, provision, or clause of this agreement conflicts or is inconsistent with the preceding paragraph (w)(1), the language, provisions, or clause of paragraph (w)(1) shall prevail to the extent of such inconsistency.

☐ **DEA-2852.237-70 PREVENTING PERSONAL SERVICES CONTRACTS AND PERFORMANCE OF INHERENTLY GOVERNMENT FUNCTIONS (JUN 2018)**

(a) A personal services contract is characterized by the employer-employee relationship it creates between the Government and the contractor's personnel. This contract action is for non-personal services and is not a personal services contract action. Due to the need for close interaction of government and contractor personnel, it is essential for all contractor personnel for this contract performing at Drug Enforcement Administration (DEA) designated worksites to receive supervision from their parent company and avoid employer-employee relationships with government officials. In addition, it is important for contractor personnel to recognize and avoid circumstances that may appear to be personal services. Federal Acquisition Regulation (FAR) subpart [37.104](#) provides important information to be aware of to avoid performing these types of duties. The contractor awarded this contract shall ensure their employees and subcontractors comply with this requirement and receive supervision from their parent company to avoid performance of a personal services contract.

(b) "[Inherently governmental function](#)" means, as a matter of policy, a function so intimately related to the public interest as to mandate performance by Government employees. An inherently governmental function includes activities requiring either the exercise of discretion in applying Government authority, or the making of value judgments in making decisions for the Government. Governmental functions normally fall into two categories: the act of governing, *i.e.*, the discretionary exercise of Government authority, and monetary transactions and entitlements. It is essential for all contractor personnel performing services at DEA designated worksites to recognize and understand what inherently government functions are. Federal Acquisition Regulation (FAR) [subpart 7.5 - Inherently Governmental Functions](#) and the Office of Management and Budget's (OMB) [Office of Federal Procurement Policy \(OFPP\) Policy Letter 11-01](#), Performance of Inherently Governmental and Critical Functions, provide important information regarding inherently governmental functions to be aware of to avoid performing these types of duties. The contractor awarded this contract shall ensure their employees and subcontractors comply with this requirement.

(c) Contractors providing personnel who perform services on-site at DEA offices must certify via the "Contractor Employee Certification Concerning Prohibition of Personal Services Contracts and Inherently Governmental Functions" form that its on-site employee(s) have read and understand FAR [37.104](#), Personal services contracts, and FAR [subpart 7.5](#) before they may begin work at an on-site DEA office. The Contractor on-site supervisor shall address any questions or concerns with the Contracting Officer's Representative (COR) or Contracting Officer.

Any notification shall be coordinated with the DEA, and shall not proceed until the DEA has made a determination that notification would not impede a law enforcement investigation or jeopardize national security.

(c) The method and content of any notification by the contractor shall be coordinated with, and be subject to the approval of, the DEA/DOJ. The Contractor assumes full responsibility for taking corrective action consistent with the DEA's Guidelines for Data Breach Notification (December 2, 2011), which may include offering credit monitoring when appropriate.

☐ **DEA-2852.242-70 CONTRACTOR PERFORMANCE ASSESSMENT (MAR 2020)**

(e) The Government will prepare contractor performance assessment reports electronically using the Contractor Performance Assessment Reporting System (CPARS). Additional information on CPARS may be found at www.cpars.gov.

(f) The Contractor will be provided access to CPARS to review performance assessments. The Contractor shall designate a CPARS point-of-contact for each contract subject to performance assessment reporting. Upon setup of a contract in CPARS, the Contractor's CPARS point-of-contact will receive a system-generated e-mail with information and instructions for using CPARS. Prior to finalizing any contractor performance assessment, the Contractor shall be given 14 calendar days to review the report and submit comments, rebutting statements, or additional information. Disagreements between the Contractor and the Government performance assessment official will be resolved by a Government Reviewing Official, whose decision on the matter will be final.

(g) The Government will also report in the Federal Awardee Performance and Integrity Information System (FAPIS) module of CPARS information related to:

- (e) At the Government's discretion, Contractor employees or Subcontractor employees may be identified as no longer eligible to access PII or to work on that contract based on their actions related to the loss or compromise of PII.

(6) Victim Remediation

At DOJ's request, the Contractor is responsible for notifying victims and providing victim remediation services in the event of a breach of PII held by the Contractor, its agents, or its Subcontractors, under this contract. Victim remediation services shall include at least 18 months of credit monitoring and, for serious or large incidents as determined by the Government, call center help desk services for the individuals whose PII was lost or compromised. When DOJ requests notification, the Department Chief Privacy and Civil Liberties Officer and SCOP will direct the Contractor on the method and content of such notification to be sent to individuals whose PII was breached. By performing this work, the Contractor agrees to full cooperation in the event of a breach. The Contractor should be self-insured to the extent necessary to handle any reasonably foreseeable breach, with another source of income, to fully cover the costs of breach response, including but not limited to victim remediation.

records containing PII and those covered by the Privacy Act of 1974. These policies include the preservation of all records created or received regardless of format, mode of transmission, or state of completion.

(2) *Records Creation, Ownership, and Disposition*

- (a) The Contractor shall not create or maintain any records not specifically tied to or authorized by the contract using Government IT equipment and/or Government records or that contain Government Agency information. The Contractor shall certify, in writing, the appropriate disposition or return of all Government information at the conclusion of the contract or at a time otherwise specified in the contract. In accordance with 36 CFR 1222.32, the Contractor shall maintain and manage all Federal records created in the course of performing the contract in accordance with Federal law. Records may not be removed from the legal custody of DOJ or destroyed except in accordance with the provisions of the agency records schedules.
- (b) Except as stated in the Performance Work Statement and, where applicable, the Contractor's Commercial License Agreement, the Government Agency owns the rights to all electronic information (electronic data, electronic information systems or electronic databases and all supporting documentation and associated metadata created as part of this contract. All deliverables (including all data and records) under the contract are the property of the U.S. Government and may be considered federal records, for which the Agency shall have unlimited rights to use, dispose of, or disclose such data contained therein. The Contractor must deliver sufficient technical documentation with all data deliverables to permit the agency to use the data.
- (c) The Contractor shall not retain, use, sell, disseminate, or dispose of any government data/records or deliverables without the express written permission of the Contracting Officer or Contracting Officer's Representative. The Agency and its contractors are responsible for preventing the alienation or unauthorized destruction of records, including all forms of mutilation. Willful and unlawful destruction, damage or alienation of Federal records is subject to the fines and penalties imposed by 18 U.S.C. § 2701. Records may not be removed from the legal custody of the Agency or destroyed without regard to the provisions of the Agency records schedules.

D. Data Privacy and Oversight

1. *Restrictions on Testing or Training Using Real Data Containing PII*

The use of real data containing PII from any source for testing or training purposes is generally prohibited. The Contractor shall use synthetic or de-identified real data for testing or training whenever feasible.

2. *Requirements for Contractor IT Systems Hosting Government Data*

The Contractor is required to obtain an Authority To Operate (ATO) for any IT environment owned or controlled by the Contractor or any Subcontractor on which Government data shall reside for the purposes of IT system development, design, data migration, testing, training, maintenance, use, or disposal.

3. *Requirement to Support Privacy Compliance*

(a) If this contract requires the development, maintenance or administration of information technology⁹, the Contractor shall support the completion of the Initial Privacy Assessment (IPA) document, if requested by Department personnel. An IPA is the first step in a process to identify potential privacy issues and mitigate privacy risks. The IPA asks basic questions to help components assess whether additional privacy protections may be needed in designing or implementing a project¹⁰ to mitigate privacy risks, and whether compliance work may be needed. Upon review of the IPA, the OPCL determines whether a Privacy Impact Assessment (PIA) document and/or SORN, or modifications thereto, are required. The Contractor shall provide adequate support to complete the applicable risk assessment and PIA document in a timely manner, and shall ensure that project management plans and schedules include the IPA, PIA, and SORN (to the extent required) as milestones. Additional information on the privacy compliance process at DOJ, including IPAs, PIAs, and SORNs, is located on the DOJ OPCL website (<https://dojnet.doi.gov/privacy/>), including DOJ Order 0601, Privacy and Civil Liberties. The Privacy Impact Assessment Guidance and Template outline the requirements and format for the PIA.

(b) If the contract involves an IT system build or substantial development or changes to an IT system that may require privacy risk assessment and documentation, the Contractor shall provide adequate support to DOJ to ensure DOJ can complete any required assessment, and IPA, PIA, SORN, or other supporting documentation to support privacy compliance. The Contractor shall work with personnel from the program office, OPCL, the Office of the Chief Information Officer (OCIO), and the Office of Records Management and Policy to ensure that the privacy assessments and documentation are kept on schedule, that the answers to questions in the documents are thorough and complete, and that questions asked by the OPCL and other offices are answered in a timely fashion. The Contractor must ensure the completion of required PIAs and documentation of privacy controls consistent with federal law and standards, e.g. NIST 800-53, Rev. 5; and compliance with the Privacy Act of 1974, E-Government Act of 2002, Federal Information Security Modernization Act of 2014, and key OMB guidelines, e.g., OMB

⁹ As defined in 40 U.S.C. § 11101, the term "information technology" means any equipment or interconnected system or subsystem of equipment, used in the automatic acquisition, storage, analysis, evaluation, manipulation, management, movement, control, display, switching, interchange, transmission, or reception of data or information by the executive agency, if the equipment is used by the executive agency directly or is used by a contractor under a contract with the executive agency that requires the use (i) of that equipment or (ii) of that equipment to a significant extent in the performance of a service or the furnishing of a product; includes computers, ancillary equipment (including imaging peripherals, input, output, and storage devices necessary for security and surveillance), peripheral equipment designed to be controlled by the central processing unit of a computer, software, firmware and similar procedures, services (including support services), and related resources; but does not include any equipment acquired by a federal contractor incidental to a federal contract.

¹⁰ In this instance, the term "project" is used to scope the activities (e.g., creating, collecting, using, processing, storing, maintaining, disseminating, disclosing, or disposing of information) covered by an IPA. A project is intended to be technology-neutral, and may include an information system, a digital service, an information technology, a combination thereof, or some other activity that may create potential privacy issues or privacy risks that would benefit from an IPA. The scope of a project covered by an IPA is discretionary, but components should work with their SCOP and OPCL.

Circular A-130.

(End of Clause

☐ DOJ-03 PERSONNEL SECURITY REQUIREMENTS FOR CONTRACTOR EMPLOYEES (NOV 2021) and ALTERNATE I—CLASSIFIED INFORMATION—CLEARED CONTRACTORS (NOV 2021)

Work performed under this contract will involve any one or more of the following: access to DOJ Information, which may include Controlled Unclassified Information (CUI), i.e., unclassified, sensitive DOJ information, and/or access to DOJ Information Technology (IT) systems, and/or unescorted access to DOJ space or facilities. Contractor employees will occupy Public Trust Positions, unless clause alternates are applied.

☐ (Check if applicable) Access to/safeguarding of classified information will be required. ALTERNATE I sections also apply.

1. GENERAL REQUIREMENTS

(a) (1) All references to “contract(or) personnel” and “contract(or) employee” in this clause means all individuals, without limitation, to include individuals employed by the contractor, team member, subcontractor, consultant, and/or independent contractor, who will have access to information of the Department of Justice (DOJ) or information that is within the custody and control of the DOJ, access to DOJ IT systems, and/or unescorted access to DOJ facilities/space in connection with the performance of this contract. “Employment” as used herein does not create nor imply an employer/employee relationship between the DOJ and contractor employees.

(ALTERNATE I) [The following is added to the clause]: (2) Additionally, work performed under this contract will involve access to classified information [National Security Information (NSI)].

(b) (1) The type of security investigation required for each contractor employee will be governed by the type and risk level of information made available to the contractor employee. The contractor will not be permitted to commence performance under this contract until a sufficient number of its personnel, as determined by the Security Programs Manager (SPM), in consultation with the Contracting Officer’s Representative if one is appointed, have received the requisite security approval.

(ALTERNATE I) [The following is added to the Clause]: (2) All contractor employees requiring access to classified information will be processed by Defense Counterintelligence and Security Agency (DCSA) in accordance with the National Industrial Security Program (NISP). The contractor will not be permitted to commence performance under this contract until a sufficient number of its personnel, as determined by the SPM in consultation with the Contracting Officer’s Representative (COR) if one is appointed, have received the requisite NSI Clearance.

(c) Except where specifically noted otherwise, the federal government will be responsible for the cost and conduct of the investigation.

(d) The contractor shall ensure that no contractor employee commences performance prior to receipt of a written authorization from the contracting officer, COR, or the SPM that performance by the respective contractor employee is authorized.

(e) The data and other information to which the contractor may have access as a result of this contract is the property of, and/or within the custody and control of, the Department, and its disclosure to third parties is governed by various statutes and regulations, the violation of which may subject the discloser to criminal penalties.

2. CITIZENSHIP AND RESIDENCY REQUIREMENTS

(a) *Residency Requirement.* (1) Contractor employees in Public Trust positions, both U.S. citizens and non-U.S. citizens, must meet the Department’s residency requirement if they will require access to DOJ information, IT systems, or unescorted access to facilities. For three years (not necessarily consecutive years) out of the last five years immediately prior to employment under the Department contract the contractor employee must have: (i) resided in the U.S.; (ii) worked for the U.S. in a foreign country as either an employee or contractor in a federal civilian or military capacity; or, (iii) been a dependent of a federal civilian or military employee or contractor working for the U.S. in a foreign country. At the Department’s sole discretion, the residency requirement may be waived by the Department Security Officer (DSO) for contractor employees on a case-by-case basis where justified by extenuating circumstances. The residency requirement does not apply to contractor employees residing in foreign countries that are hired to work in American embassies/consulates/missions located outside of the United States and who require access to DOJ information, IT systems, or unescorted access *provided that* an adequate background investigation can be conducted, with favorable adjudication, as determined by the DSO.

(ALTERNATE I) [The following is added to the clause]: (2) The residency requirement does not apply to contractor employees working on the classified portion of this contract whose national security clearance has been processed by DCSA in accordance with the NISP.

(b) *Citizenship.* (1) Aside from the specific exceptions set forth in Section 1.2(b)(2), for Public Trust positions, the DOJ requires that contractor employees be U.S. citizens and nationals, or lawful permanent residents seeking U.S. citizenship. Any prospective non-U.S. citizen contractor employee who requires access to DOJ information systems, DOJ information, and/or unescorted facilities access must also have been granted a waiver as described below in paragraphs 1.2(d) and/or (e). The contractor is responsible for verifying that the non-U.S. citizens working under this contract are lawful permanent residents seeking U.S. citizenship.

(2) *Exception for Certain Non-U.S. Citizen Contractor Employees:* (i) Non-U.S. citizen expert witnesses, litigative consultants, and interpreters in rare foreign languages are not required to be lawful permanent residents seeking U.S. citizenship. However, they must be granted a waiver for access to unclassified DOJ information, whether CUI or not, DOJ IT systems, and/or unescorted facility access, as described below in paragraph 1.2(d) and (e), regardless of the duration of their duties. (ii) Non-U.S. Citizen contractor employees residing in foreign countries who are hired to work for the Department of Justice in American embassies/consulates/missions outside of the United States are not required to be lawful permanent residents seeking U.S. citizenship.

(ALTERNATE I) [The following is added to the clause]: (3) Contractor employees requiring access to classified information will be processed by DCSA in accordance with the NISP.

(c) *Dual Citizenship.* (1) U.S. citizens who hold dual citizenship with a foreign country are considered U.S. citizens within the meaning of this clause, and may be considered for, but are not entitled to, contract employment as U.S. citizens consistent with this clause. The means by which the contractor employee obtained or exercises his or her dual citizenship status will be a consideration in the Public Trust Investigation (PTI) adjudication, and/or waiver approval processes discussed in this clause.

Updated through FAC 2024-07

(ALTERNATE I) [The following is added to the clause]: (2) Contractor employees requiring access to classified information will be processed by DCSA in accordance with the NISP.

(d) *Access to DOJ Information Technology Systems.* Non-U.S. citizens are not authorized to access DOJ information technology (IT) systems or assist in the development, operation, management, or maintenance of DOJ IT systems, including providing IT system support, unless a waiver has been granted by the Head of the DOJ component or designee, with the prior concurrence of both the DSO and the DOJ Chief Information Officer, allowing computer access by the non-U.S. citizen. Such a waiver will be granted only in exceptional and unique circumstances on a case-by-case basis. It should be noted that the Justice Consolidated Office Network (JCON) is a sensitive DOJ IT system and any contractor employee who will need access to JCON must be a U.S. citizen or have received a waiver. In order for a waiver to be considered for approval: (1) There must be a compelling reason for using this individual as opposed to a U.S. citizen; (2) The type of personnel security vetting that has been conducted on the individual, and vetting results, that would mitigate risk; and (3) The waiver must be in the best interest of the federal government.

(e) *Access to Unclassified DOJ Information and Unescorted Access to DOJ Facilities or Space.* (1) Except as provided under 1.2(b)(2), non-U.S. citizens are not authorized to access DOJ information and/or unescorted access to DOJ facilities or space, unless a waiver has been granted by the DSO, allowing access by the non-U.S. citizen. Such a waiver will be granted on a case-by-case basis where justified at the discretion of the DSO.

3. BACKGROUND INVESTIGATION REQUIREMENTS

(a) (1) Unless otherwise stated below, all contractor personnel are subject to a Public Trust Investigation (PTI). The SPM will determine the type of investigation for each contractor employee based on the risk category (i.e., the nature of the position and degree of harm that could be caused by the individual in that position) and whether the position is long-term or short-term. The PTI risk categories are listed below.

- (i) High Risk Positions. The minimum background investigation required is a Tier 4 (T4) investigation, and the five-year reinvestigation required is a Tier 4R (T4R) investigation. The 2017 version of the Standard Form (SF) 85P, Questionnaire for Public Trust Positions, is required.
- (ii) Moderate Risk Positions. The minimum background investigation required is a Tier 2 (T2) investigation. The five-year reinvestigation required is a Tier 2R (T2R) investigation. The 2017 version of the SF-85P is required.
- (iii) Low Risk/Non-Sensitive Positions. The minimum background investigation required for Low Risk/Non-Sensitive positions is a Tier 1 (T1) investigation and the required five-year reinvestigation is also a Tier 1 (T1) investigation. The SF 85, Questionnaire for Non-Sensitive Positions, is required.

(ALTERNATE I) [The following is added to the clause]: (2). Contractor employees requiring access to classified information will be processed by DCSA in accordance with the NISP.

(b) *Exception for Expert Witnesses.* Expert Witnesses, litigative consultants, and interpreters in rare foreign languages may not be subject to full background investigation requirements if alternative security requirements are approved by the DSO.

(c) *Short-Term U.S. Citizen Contractor Employees.* Other than the exception in Section 1.3(b), short-term contractor employees (6 months or less) who are U.S. citizens are not subject to a full background investigation, however, must receive an approved pre-employment background investigation waiver. The required forms to complete and submit are listed in Section 1.4(b) and (c)(2).

(d) *Long-Term U.S. Citizen Contractor Employees.* Other than the exception in Section 1.3(b), all long-term U.S. citizen employees (longer than 6 months) are subject to a full background investigation in the risk category appropriate to the position they will hold.

(e) *Non-U.S. Citizen Contractor Employees.* Other than the exception in 1.3(b), all non-U.S. citizen contractor employees regardless of performance duration (short or long term) are subject to a full background investigation in the risk category appropriate to the position they will hold.

(f) *Reciprocity.* (1) A Public Trust Investigation will be accepted under reciprocity if it meets the following guidelines: (i) the investigation is current (investigations are considered current if completed within the last five years) and favorably adjudicated, or the reinvestigation has been deferred; (ii) the investigation meets or exceeds the level of investigation required for the DOJ contractual instrument; (iii) there has been no continuous (not cumulative) break in federal contract/service employment of two years or more; (iv) there is no derogatory information since the favorable fitness determination or adjudication that calls into question the individual's fitness based on character or conduct; and (v) the investigative record does not show conduct that is incompatible with the core duties of the new contract position. A "core duty" is a continuing responsibility that is of particular importance to the relevant covered position or the achievement of an agency's mission. Core duties will vary from position to position.

(ALTERNATE I) [The following is added to the clause]: (g) National security investigations will be accepted from other federal agencies under reciprocity guidelines provided all of the following are true: (i) The new position does not require a higher eligibility than what the subject currently possesses; (ii) the existing eligibility is not granted on an interim or temporary basis, or limited or one-time basis; (iii) the covered individual's eligibility is not currently denied, revoked, or suspended; (iv) the favorable adjudication was based on the 13 Adjudicative Guidelines (SEAD 4) and E.O. 12968. Agencies may accept eligibility recorded with an exception based on their own risk assessment; (v) the most recent background investigation is not more than seven years old; (vi) there is no new derogatory information of national security adjudicative relevance that has been reported/developed since last investigation; (vii) the Bond Amendment disqualifier (SEAD 4) does not apply and individual requires SCI, SAP, or restricted access; and (viii) the subject does not have a break in federal service of 24 months or longer.

4. BACKGROUND INVESTIGATION PROCESS

(a) *e-QIP (or its successor).* Public Trust background investigations/reinvestigations of contractor employees will be performed by the DCSA. The investigative process requires contractor employees to complete the Electronic Questionnaires for Investigations Processing (e-QIP) and provide additional information as specified in paragraph 1.4(b) below. Immediately after contract award, the contractor shall designate an employee as its "e-QIP Initiator" and provide the name of this person to the SPM. The e-QIP Initiator must have, at a minimum, a favorably adjudicated Tier 1 investigation and the appropriate DOJ security approval before being given access to e-QIP. After the e-QIP Initiator's security approval is granted, the Contractor will be configured in e-QIP as a sub-agency to DOJ. The contractor will then be responsible for initiating investigations for all contract personnel, whose previous investigation does not meet reciprocity, in e-QIP for completion of the security questionnaire form and forwarding the electronic form with the remainder of the security package to the SPM. Subject to the prior written approval of the SPM, the contractor may designate an e-QIP Initiator for each subcontractor. Subcontractor e-QIP Initiators must have, at a minimum, a favorably adjudicated Tier 1 investigation and the appropriate DOJ security approval before being provided access to e-QIP.

(b) *Additional Documentation.* (1) In addition to completing the e-QIP questionnaire (see 1.4(a), above), the contractor shall ensure that each contractor employee occupying Public Trust Positions, including short-term employees, completes and submits the following information through the contractor's Corporate Security Officer:

DEA PROVISION & CLAUSE MATRIX – COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES

Updated through FAC 2024-07

- (i) Digital Fingerprinting/FD-258 Applicant Fingerprint Card. Two sets are required per applicant. The contractor may schedule appointments with the SPM to be digitally fingerprinted; otherwise, fingerprinting by the FBI or other law enforcement entity, as approved by the SPM, is required to ensure the identity of the person being fingerprinted and for printing quality. All pertinent information must be completed by the individual taking the fingerprints (FBI or other). Use of the physical FD-258 Applicant Fingerprint Card should only be used in extenuating circumstances.
- (ii) DOJ-555 Fair Credit Reporting Act Disclosure. Authorizes DOJ to obtain one or more consumer/credit reports on the individual. This form will be required if the Component SPM determines a credit check is necessary for its Low Risk Level 1 contractor positions.
- (iii) OF-306, Declaration for Federal Employment.
- (iv) Foreign National Relatives or Associates Statement. This is only required if foreign national relatives or associates were not disclosed on the security questionnaire form.
- (v) Self-Reporting Requirements for All Contractor Personnel. This is an acknowledgement and acceptance statement that every contractor must sign.
- (vi) Additional information as may be required based on the review of the security questionnaire form.

The contractor shall review all forms/documents to ensure each is complete, accurate and meets all DOJ requirements, including applicable residency and citizenship requirements. The contractor shall resolve any issues or discrepancies with the contractor employee, including resubmission of corrected forms or documentation. Completed forms/documents shall be submitted to the SPM (or designee, which may include the COR) within five (5) calendar days after being finalized.

(c) *Adjudication and Pre-Employment Background Investigation Waivers*

(1) Except as set forth in this section, background investigations must be conducted and favorably adjudicated for each contractor employee prior to commencing their work on this contract. Where programmatic needs do not permit the federal government to wait for completion of the entire background investigation, a pre-employment background investigation waiver for public trust contractors can be granted by the SPM, in consultation with the cognizant COR. Pre-employment waivers cannot be used to circumvent delays in clearing classified contractors through the DCSA, if access to classified information is required.

(2) As directed by the SPM, the contractor shall initiate pre-employment waivers for Public Trust Positions when necessary. This may entail performing credit history checks and submission of these checks as part of the security package, including satisfactory resolution of any issues prior to submission to the federal government. A waiver will be disapproved if it develops derogatory information that cannot be resolved in the contractor employee's favor. When a waiver has been disapproved, the CO, in consultation with the SPM and COR, will determine (i) whether the contractor employee will no longer be considered for work on a DOJ contract or (ii) whether to wait for the completion and favorable adjudication of the background investigation before the contractor employee commences work on a Department contract. The pre-employment background investigation waiver requirements include:

1. Verification of citizenship (copy of a birth certificate, naturalization certificate, or U.S. passport);
2. Verification of compliance with the *DOJ Residency Requirement* of this Clause;
3. Favorable review of the security questionnaire form;
4. Favorable FBI fingerprint results;
5. Favorable credit report;
6. Favorable review of the OF-306 form, Declaration for Federal Employment;
7. Verification of the initiation of the appropriate background investigation (for long-term personnel); and
8. Receipt of the signed DOJ Self-Reporting Requirements for All Contractor Personnel (see Section 1.6, below).

(3) The investigating agency (DCSA) will provide the SPM with the results of each proposed contractor employee's Public Trust investigation. Upon receipt of the investigation and any other pertinent documents from the investigating agency, the SPM will determine whether each proposed contractor employee should be granted employment security approval.

(4) The COR will notify the contractor of the results of Public Trust background investigations as they are completed and adjudicated, including any individual who is found ineligible for employment security approval. For any individual found ineligible for employment on a Department contract, the contractor shall propose a replacement and initiate the background investigation process consistent with this clause.

(ALTERNATE I) [The following is added to the clause]:

(5) (1) For classified contracts, the contractor shall possess or be capable of obtaining a Department of Defense Central Adjudication Facility (DODCAF) Defense Industrial Security Clearance Facility Cage Code and the security clearance required to fully perform this contract. As directed by the COR or SPM, the contractor shall submit the information necessary to allow the Government to prepare and obtain for the Contractor a "Department of Defense Contract Security Classification Specification" (DD Form 254) for this contract. Where such clearance is required, the contractor agrees to provide information and access to contractor facilities as may be required by federal government investigators.

(2) Immediately after contract award (or post-award receipt of the required Facility Clearance), the contractor's Facility Security Officer (FSO) shall furnish to the COR a list of all personnel proposed to work under this contract who have been processed in accordance with the NISP by the DCSA. The contractor shall update this information as individuals are added or separated from the contract and the FSO shall provide the updated list to the COR.

(3) For each contractor employee who requires access to classified information under this contract, the contractor shall forward a Visit Authorization Request (VAR) indicating the current background investigation information and clearance level to the COR.

5. IDENTITY PROOFING AND BADGING

(a) Access to DOJ Information, federally-controlled IT systems, and/or unescorted access to federally-controlled facilities or space (regardless of whether the contractor employee will be issued a DOJ PIV card or building access badge) shall be made available after each respective contractor employee has (1) met the identity proofing requirements outlined below, and (2) completed all other security requirements stated elsewhere in this contract.

(b) (1) Public Trust contractor employees must appear in person at least once before a DOJ official or an official of a trusted contract company (i.e., has a facility security clearance) who is responsible for checking two forms of identification in original form prior to commencement of work by the contractor employee

and PIV card or building access badge issuance (as applicable). Approval will be documented by the DOJ official or an official of a trusted contract company. (Acceptable documents are listed in Form I 9, Employment Eligibility Verification, and at least one document must be a valid state or federal government issued picture ID).

(c) (ALTERNATE I) *[The following is added to the clause]:* (2) All contractor employees requiring access to classified information must appear in person at least once before an official of the contractor possessing the facility clearance, who is responsible for checking the identification documents. (Acceptable documents are listed in Form I 9, Employment Eligibility Verification, and at least one document must be a valid state or federal government issued picture ID). This identity proofing must be completed prior to commencement of work by the contractor employee under this contract and badge issuance (as applicable) and must be documented by the contractor official.

(d) All contractor employees requiring unescorted access to a DOJ controlled facility or space shall comply with the PIV card or building access badge requirements outlined below:

- (i) When any contractor employee enters a DOJ building for the first time, he/she shall allow one hour for security processing and the creation and issuance of a building access badge. PIV cards require additional processing time and will not likely be issued on the same day.
- (ii) Building access badges shall be subject to periodic review by the contractor employee's supervisor and checked against his/her personal identification. The contractor employees shall present themselves for the issuance of renewed badges when required by the government as scheduled by the COR or his/her designee. The contractor shall notify the COR when contractor employee badges are lost, and must immediately apply for reissuance of a replacement badge. The contractor shall pay for reissued building access badges at no cost to the government. It is the contractor employee's responsibility to return badges to the COR or his/her designee when a contractor employee is dismissed, terminated or assigned to duties not within the scope of this contract.

6. EMPLOYEE REPORTING REQUIREMENTS

All contractor employees must sign the DOJ Self-Reporting Requirements for All Contractor Personnel statement acknowledging and accepting the DOJ requirement that they immediately self-report certain information using the Department's iReport system. The COR or SPM will provide the Self-Reporting statement as well as a list of reportable information, which varies by position sensitivity designation, to the contractor employee before commencing work under the contract. If the contractor employee does not have access to the DOJ iReport System, the COR or SPM will provide a fillable form for the contractor employee to complete and submit.

- (a) The COR and SPM will review the written report and documentation and make a determination regarding continued employment on a DOJ contract.
- (b) DOJ reporting requirements are in addition to the DCSA reporting requirements and the contractor's internal reporting requirements.

7. REPLACEMENT PERSONNEL

(a) The contractor shall make every effort to avoid costs to the government for security investigations for replacement of contractor employees, and in so doing shall ensure that otherwise satisfactorily performing and physically able contractor employees remain in contract performance for the duration of the contract. The contractor shall take all necessary steps to ensure that contractor personnel who are selected for assignment to this contract are professionally qualified and personally reliable, of reputable background and sound character, and able to meet all other requirements stipulated in the contract.

(b) The fact that the government performs security investigations shall not in any manner relieve the contractor of its responsibility to ensure that all contract personnel are reliable and of reputable background and sound character. Should a security investigation conducted by the government and/or a contractor's self-report or failure to self-report render ineligible a contractor employee, the contracting officer will determine whether the contractor has violated this clause. The contracting officer may direct the contractor, at its own expense, to remove and replace any contractor personnel who fails to comply with or violates applicable requirements of this contract. Such action may be taken at the government's direction without prejudice to its rights under any other provision of this contract, including termination for default, and the contractor may be held liable, at a minimum, for all reasonable and necessary costs incurred by the government to (i) provide coverage (performance) through assignment of individuals employed by the government or third parties in those cases where absence of contractor personnel would cause either a security threat or DOJ program disruption and (ii) conduct security investigations in excess of those which would otherwise be required.

(c) Nothing in this clause shall require the contractor to bear costs involved in the conduct of security investigations for replacement of a contractor employee who separates from the contractor of his/her own accord, is incapacitated, or is deceased.

I. Applicability to Contractors and Subcontractors

Section 2839.102 of the Justice Acquisition Regulation (JAR), (48 C.F.R. § 2839.102), applies to this contract. Accordingly, all contractors are obligated to comply with all applicable DOJ security policies, directives, or guidance documents, including the security requirements in the provisions in this contract clause. This contract clause applies to all contractors and subcontractors, including cloud service providers ("CSPs"), and personnel of the contractors and subcontractors (hereinafter collectively, "Contractor") that may access, collect, store, process, maintain, use, share, retrieve, disseminate, transmit, or dispose of DOJ Information. The security requirements set forth herein are in addition to those required by the Federal Acquisition Regulation ("FAR"), and any other applicable laws, mandates, contract clauses, DOJ policies, directives or guidance documents and Executive Orders pertaining to the development and operation of Information Systems and/or the protection of Government Information. This clause does not alter or diminish any existing rights, obligations, or liability under any other civil and/or criminal law, rule, regulation, or mandate.

II. General Definitions

The following general definitions apply to this clause. Specific definitions also apply as set forth in other paragraphs.

- A. Authorization to Operate (“ATO”), as defined in National Institute of Standards and Technology (“NIST”) Special Publication (“SP”) 800-37 Revision 2, is the official management decision given by a senior Federal official or officials to authorize operation of an information system and to explicitly accept the risk to agency operations (including mission, functions, image, or reputation), agency assets, individuals, other organizations, and the Nation based on the implementation of an agreed-upon set of security and privacy controls.
- B. Cloud Computing, as defined in DOJ Order 0904 Cybersecurity Program, is a model for enabling ubiquitous, convenient, on-demand network access to a shared pool of configurable computing resources (e.g., networks, servers, storage, applications, and services) that can be rapidly provisioned and released with minimal management effort or service provider interaction. This cloud model is composed of five essential characteristics, three service models, and four deployment models in accordance with NIST SP 800-145.
- C. Covered Contract is any contract, order or other agreement under which the contractor, or a subcontractor at any tier, including a cloud service provider, may access, collect, store, process, maintain, use, share, retrieve, disseminate, transmit, or dispose of DOJ Information (as defined below) in the course of providing a product or service to the Department, with the exception of acquisitions under the micro-purchase threshold.
- D. Covered Information System means any information system used for, involved with, or allowing, the processing, storing, or transmitting of DOJ Information under a Covered Contract.

- D. Except as otherwise required by Federal, State and local laws, executive orders, rules and regulations, all determinations regarding whether and when to notify other individuals and/or federal agencies potentially affected by a Security Incident will be made by DOJ senior officials, the DOJ Core Management Team, or the COR at DOJ's discretion.
- E. The Contractor must provide to DOJ full access to any facility and/or Covered Information System affected or potentially affected by any potential or confirmed Security Incident, including access by the DOJ OIG and federal law enforcement organizations, and undertake any and all response actions DOJ determines are required to ensure the protection of DOJ Information, including providing all requested images, log files, and event information to facilitate rapid resolution of any Security Incident.

DOJ, at its sole discretion, may obtain, and the Contractor will permit, the assistance of other federal agencies and/or third-party contractors or firms to aid in response activities related to any potential or confirmed Security Incident. Additionally, DOJ, at its sole discretion, may require the Contractor to retain, at the Contractor's expense, a 3PAO acceptable to DOJ, with expertise in incident response, compromise assessment, and federal security control requirements, to conduct a thorough vulnerability and security assessment of all affected Covered Information Systems.
- G. Response activities related to any Security Incident undertaken by DOJ, including activities undertaken by the Contractor, other federal agencies, and any third-party contractors or firms at the request or direction of DOJ, may include inspections, investigations, forensic reviews, data analyses and processing, and final determinations of responsibility for the Security Incident and/or liability for any additional response activities. The Contractor shall be responsible for all costs and related resource allocations required for all such response activities related to any Security Incident, including the cost of any penetration testing.

VII. Pass-Through of Security Requirements to Subcontractors and CSPs

- A. The requirements set forth in the preceding paragraphs of this clause apply to all subcontractors and CSPs who perform work in connection with the contract, including any CSP providing services for any other CSP under the contract, and the Contractor shall flow down this clause to all subcontractors and CSPs performing under this contract. Any breach by any subcontractor or CSP of any of the provisions set forth in this clause will be attributed to the Contractor.

(End of Clause)

☐ DOJ-08 CONTINUING CONTRACT PERFORMANCE DURING A PANDEMIC INFLUENZA OUTBREAK OR OTHER BIOMEDICAL EMERGENCY OR CATASTROPHE (OCT 2007)

During a Pandemic or other emergency, we understand that our contractor workforce will experience the same high levels of absenteeism as our federal employees. Although the Excusable Delays and Termination for Default clauses used in government contracts list epidemics and quarantine restrictions among the reasons to excuse delays in contract performance, we expect our contractors to make a reasonable effort to keep performance at an acceptable level during emergency periods.

The types of actions a federal contractor should reasonably take to help ensure performance are:

- Encourage employees to get inoculations or follow other preventive measures as advised by the public health service.
- Contractors should cross-train workers as backup for all positions performing critical services. This is particularly important for work such as guard services where telework is not an option.
- Implement telework to the greatest extent possible in the workgroup so systems are in place to support successful remote work in an emergency.

DEA PROVISION & CLAUSE MATRIX – COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES

Updated through FAC 2024-07

- Communicate expectations to all employees regarding their roles and responsibilities in relation to remote work in the event of a pandemic health crisis or other emergency.
- Establish communication processes to notify employees of activation of this plan.
- Integrate pandemic health crisis response expectations into telework agreements.
- With the employee, assess requirements for working at home (supplies and equipment needed for an extended telework period). Security concerns should be considered in making equipment choices; agencies or contractors may wish to avoid use of employees' personal computers and provide them with PCs or laptops as appropriate.
- Determine how all employees who may telework will communicate with one another and with management to accomplish work.
- Practice telework regularly to ensure effectiveness.
- Make it clear that in emergency situations, employees must perform all duties assigned by management, even if they are outside usual or customary duties.
- Identify how time and attendance will be maintained.

It is the contractor's responsibility to advise the government contracting officer if they anticipate not being able to perform and to work with the Department to fill gaps as necessary. This means direct communication with the contracting officer or in his/her absence, another responsible person in the contracting office via telephone or email messages acknowledging the contractor's notification. The incumbent contractor is responsible for assisting the Department in estimating the adverse impacts of nonperformance and to work diligently with the Department to develop a strategy for maintaining the continuity of operations.

The Department does reserve the right in such emergency situations to use federal employees, employees of other agencies, contract support from other existing contractors, or to enter into new contracts for critical support services. Any new contracting efforts would be acquired following the guidance in the Office of federal Procurement Policy issuance "Emergency Acquisitions", May, 2007 and Subpart 18.2. Emergency Acquisition Flexibilities, of the federal Acquisition Regulations.

DEA-2852.204.94 SECURITY REQUIREMENTS FOR NON-SENSITIVE POSITIONS
ESCORTED ACCESS—U. S. CITIZENSHIP REQUIRED

DEA's personnel, information, and facility security requirements for contracts, task orders, delivery orders, purchase orders, blanket purchase agreements, reimbursable agreements, and other types of contractual arrangements (hereafter referred to as "contract" and/or "Contractor") to provide goods and services to DEA are hereby provided for the subject access level. The forms listed in Section V are available at www.dea.gov. On the right hand side of the page, Click on "Doing Business with DEA," and scroll down to the Security Forms.

I. GENERAL

A. Contractor's Security Officer

1. The Contractor shall establish and maintain a security program to ensure that all requirements set forth in this provision are accomplished efficiently and effectively. The Contractor's time and expenses for recruiting, interviewing, and security screening are considered overhead and may not be billed directly to DEA.

2. The Contractor shall designate a Security Officer, and an Alternate Security Officer in case of the primary Security Officer's absence, with the authority and responsibility to perform personnel security screening to the extent possible.

3. The Contractor shall make every effort to preclude incurrence of avoidable costs by the Government by ensuring that all applicants and personnel furnished on this contract are eligible, reliable, and of a reputable background and sound character. Security screening shall include, but not be limited to, verification of current home address, telephone number, and prior work experience (See Item 8 under D. Documentation Requirements below.), and resolution of all delinquent debt related issues that have the potential to disqualify an applicant from working on a DEA contract.

4. The Contractor shall ensure that applicants submitted to DEA meet the basic eligibility requirements, such as job skills, certificates if required, residency, and none of the disqualifying factors described below. DEA recognizes that law enforcement records and other information that the Contractor is able to obtain regarding an individual's background history is limited. However, much of the information is requested on Standard Form 85, Questionnaire for Non-Sensitive Positions (Revised September 1995). The Contractor is encouraged to interview each applicant based on the answers entered on the SF85.

Stopped

5. Debt related issues are the most prevalent derogatory information found during the background investigation and can cause long delays in the adjudication process. The Contractor is encouraged to obtain the applicant/employee's credit report and have all debt related issues mitigated before submitting the completed package to DEA for processing. DEA currently uses Experian Credit Reporting Services; however, the Contractor may use the credit reporting agency

of its choice. In compliance with the Fair Credit Reporting Act of 1970, as amended (15 U.S.C. 1681, *et seq.*), the following must be used when the Contractor obtains a credit report:

a. A credit report shall be obtained for accounts in the applicant/employee's name only. This will be a "personal report for employment purposes." *Do not obtain a credit report for joint accounts.*

b. The Contractor shall provide a written notice/release to the applicant/employee that a credit report may be used for employment purposes. The applicant/employee shall sign and date the notice/release and provide it to the Contractor before the credit report is obtained by the Contractor. The Contractor is not authorized to obtain a credit report prior to receipt of the signed notice/release. This signed notice/release is required in addition to the form DOJ-555, Disclosure and Authorization Pertaining to Consumer Reports, Pursuant to the Fair Credit Reporting Act. A copy of the signed notice/release shall be submitted to DEA with the DOJ-555.

c. The Contractor shall not take adverse action against the applicant/employee, based in whole or in part upon the credit report, without first providing the applicant/employee a copy of the credit report and a written description of the applicant/employee's rights as described under Section 1681g(c)(3) of Title 15 U.S.C.

d. If a potentially disqualifying debt-related issue surfaces that the applicant/employee omitted from the SF85, Questionnaire for Non-Sensitive Positions, the personnel security request forms should not be submitted to DEA unless the applicant/employee provides strong mitigating information that clearly explains the omission and how the issue will be satisfactorily resolved.

e. Blank forms and additional information regarding credit reports are available at www.justice.gov/dea/index.shtml; click on "Doing Business with DEA".

6. The Contractor shall ensure that all security related forms and questionnaires are filled out correctly and completely and are signed, dated, and submitted to the Contracting Officer's Representative or Task Monitor (COR/TM) in a timely manner. *Personnel security packages with incomplete documentation will be rejected and returned to the contractor without further action.*

7. DEA's request for additional information or documents regarding the background investigation shall be responded to within 30 days unless the office of Security Programs grants an extension. If this timeframe is not complied with DEA reserves the right to disqualify the applicant/employee.

8. The monthly Administrative Report shall include the status of the Contractor's applicants seeking DEA security approvals. The monthly report shall include the current status of all personnel security requests, date the packages were submitted to the COR/TM; dates security approval notifications were received from DEA; the number of approved employees; the number of disapproved applicants; and the number of applicants pending approval. The due date of the report will be established by the COR/TM upon contract award or the issuance of an order.

B. General Requirements

1. DEA will conduct background inquiries on all of the Contractor's personnel to be assigned to this contract and on those officials of the company, *including the Security Officer and Alternate Security Officer*, who will be directly involved in any aspect of management of the assigned personnel.

2. Contractors shall include the following statement in employment advertisements:
"Applicants selected will be subject to a Government security background investigation and must meet eligibility and suitability requirements."

3. As a minimum, DEA will query law enforcement agencies' indices and the following record systems:

- Fingerprint Query by the Federal Bureau of Investigation (FBI)
- Narcotics and Dangerous Drug Information System (NADDIS)
- National Crime Information Center (NCIC)
- National Law Enforcement Telecommunications System (NLETS)
- Credit Reporting Agencies

4. Only U.S. citizens, by birth or naturalized, shall be permitted to perform services on this contract.

5. All applicants must have resided legally in the United States for at least three (3) years of the last five (5) years, *unless the applicant was:* (The three (3) years do not have to be consecutive.)

- a U.S. Government employee assigned to a U.S. embassy or U.S. consulate in a foreign country;
- a U.S. Government Contractor's employee, who is a U.S. citizen assigned to a U.S. embassy, U.S. consulate, or U.S. military installation in a foreign country, and who is not ordinarily a resident of the country.
- a member of the U.S. armed forces stationed in a foreign country; or
- a dependent family member of a U.S. Government or U.S. armed forces employee assigned overseas.

6. All personnel assigned to this contract must be approved in writing by the DEA Office of Security Programs for escorted access to DEA facilities and worksites.

7. The Contractor's employee(s) shall not be assigned to perform services for DEA until the Contractor has been notified in writing by the COR/TM that the individual(s) has been approved by the DEA Office of Security Programs.

8. Applicants whose background inquiries result in a determination of unsuitable or are otherwise determined unfavorable based on derogatory information shall be removed from further consideration for performance under this or *any* DEA contract. DEA reserves the right to refuse the services of and/or terminate the access of any Contractor employee or applicant who is or may

be judged a security risk. The COR/TM will inform the Contractor in writing of any objections concerning specific applicants and personnel, but is not permitted to provide specific information due to the Freedom of Information Act and the Privacy Act (FOIA/PA).

9. A determination by DEA that a person is not suitable to perform work under this contract is not a denial, suspension, or revocation of a previously granted security clearance by another agency, nor shall it be interpreted as a direction or recommendation to the Contractor regarding the suitability of an affected individual for employment outside the scope of DEA.

10. The Contractor shall immediately inform the COR/TM in writing when an employee or applicant for a DEA contract has transferred to another contract, has resigned or has been terminated by the Contractor, or any other type of action that constitutes a break in the Contractor-employee relationship. The COR/TM shall provide such information in writing to the DEA Office of Security Programs.

11. The COR/TM shall be the Contractor's point of contact for all personnel security communications, inquiries, and issues regarding this contract. All required documents must be submitted by the Contractor to the COR/TM. The COR/TM will not communicate directly with the Contractor's employees or applicants regarding personnel security issues unless communicating through the Contractor would violate the FOI/PA.

C. Documentation Requirements

1. A clearance for access to national security information (NSI) is not required nor authorized by this contract. However, a previously conducted background investigation that was favorably adjudicated by the Defense Security Service (DSS) and considered to be current will be accepted and supplemented with criminal record and credit report checks conducted by DEA. *The Contractor's transmittal letter to DEA must indicate the applicant has a security clearance through DSS.*

1.a. Only those forms described below in Items 1.b; 1.c; 1.d; 5; 8; 10; and 11 (16 and 17 if applicable) are required to be submitted to the COR/TM when the applicant has current national security information clearance through DSS.

1.b. One (1) original of form, Contract Employee's Authorization to Conduct Agency-Specific Record Checks (February 2009). This will be used by DEA to supplement the criminal record checks previously conducted by the DOD/Defense Security Service (DSS).

1.c. One (1) copy of the JPAS Person Summary if the applicant has a CONFIDENTIAL, SECRET or TOP SECRET NSI clearance granted through the DSS. A JPAS Person Summary is considered current as follows and is based on the investigation date. It is not based on the date the clearance was granted by DSS or the date the JPAS Person Summary was issued to the contractor:

- CONFIDENTIAL—Date of the background investigation or periodic reinvestigation is not more than fifteen (15) years ago.

- SECRET—Date of the background investigation or periodic reinvestigation is not more than ten (10) years ago.
- TOP SECRET—Date of the background investigation or periodic reinvestigation is not more than five (5) years ago.

1.d. A JPAS Person Summary that states an INTERIM clearance will be accepted when the date the INTERIM clearance was granted was not more than one (1) year from the date of submission to DEA. A copy of the final clearance shall be provided to the COR/TM upon receipt. *The COR/TM shall forward the final clearance to DEA Headquarters/Personnel Security Section.* (Because access to NSI is not required nor authorized by this contract, the JPAS Person Summary does not have to show the providing Contractor's organizational name as the clearance holder.)

1.e. *Do not submit a JPAS Person Summary that states:* Loss of Jurisdiction, Declination, Discontinued, Cancelled, Denied, Revoked, Suspended, or any other terminology which indicates the applicant does not have a current clearance or current clearance eligibility.

1.f. SF86, Questionnaire for National Security Positions; SF85P Questionnaire for Public Trust Positions; SF85P-S, Supplemental Questionnaire for Selected Positions; SF85, Questionnaire for Non-Sensitive Positions; Fingerprint cards; OBD-236, Inquiry Regarding Suitability of Applicant; Loyalty Oath; Foreign National Relatives or Associates Statement; and Verification of U.S. Citizenship forms are **NOT** required when the applicant has a current DSS clearance and JPAS Person Summary is provided.

2. If the applicant has a favorable Public Trust Suitability Determination by another U. S. Government agency, provide one (1) copy of that agency's Notice of Suitability Determination. The Notice must indicate the type of background investigation and the date it was completed. The background investigation must have been completed no longer than five (5) years prior to the date it is verified by DEA.

2.a. Fingerprint cards; OBD-236, Inquiry Regarding Suitability of Applicant; Loyalty Oath; Foreign National Relatives or Associates Statement; and Verification of U.S. Citizenship forms are **NOT** required when the applicant has a favorable Public Trust Suitability Determination by another U. S. Government agency. One (1) copy of the SF85, Questionnaire for Non-Sensitive Positions **IS** required.

3. The forms and documents described in **Items 5 through 17** below shall be completed and submitted as instructed for each form and submitted to the COR/TM. The COR/TM will provide a supply of blank fingerprint cards to the Contractor. The Contractor shall reproduce the other forms listed below under **V. SECURITY FORMS** as needed. The completed forms will be used by DEA to conduct the background inquiries or to supplement a background investigation previously conducted by the Defense Security Service (DSS) or other U.S. Government agency. **DO NOT SUBMIT FORMS AND DOCUMENTS THAT ARE NOT REQUIRED. DO NOT SUBMIT EXTRA COPIES OF FORMS.**

4. Do not staple or use ACCO fasteners or otherwise bind the forms together. A paper clip or binder clip will suffice. Put each applicant's forms in a separate envelope with the name of the Contractor, contract number, and the applicant's full name and labor category on the front of the envelope. Submit the completed forms to the COR/TM at the address provided elsewhere in this contract via hand delivery, FedEx, UPS, Express Mail, Registered Mail, Delivery Confirmation, etc., to have a record of delivery and receipt.

5. One (1) original and separate transmittal letter on official company stationery for each applicant which indicates the contract/order/agreement number, the applicant's full name, social security number, and labor category.

6. One (1) original of form SF85, entitled Questionnaire for Non-Sensitive Positions (Revised September 1995), with original signatures in black ink on Page 5 and the Authorization for Release of Medical Information. The SF85P may be typed or legibly printed by hand. **DO NOT SUBMIT THE INSTRUCTION PAGES OF THE SF85.** (*An SF85 is not required if the applicant possesses a current CONFIDENTIAL, SECRET, or TOP SECRET security clearance—or an interim clearance—granted by DSS or another U. S. Government agency. Submit the Contract Employee's Authorization to Conduct Agency-Specific Record Checks form instead.*)

6.a. All white-outs, erasures, or other types of corrections or changes on the SF85 must be initialed by the applicant.

6.b. The date of the applicant's signature on the SF85 must not be more than 30 days old when submitted to the COR/TM. Pen and ink changes, with the applicant's initials, or supplemental information on a plain piece of paper with the applicant's name, social security number, and signature are acceptable methods to update and correct the SF85. Page 5 and the Authorization for Release of Medical Information must be signed again with a current date. If there are no changes since the date the SF85 was signed originally, the applicant may re-sign and re-date the SF85 with the notation, "No changes."

6. Three (3) originals of Federal Bureau of Investigation Form FD-258, entitled Applicant (fingerprint card). *The fingerprint cards MUST be blue text on white card stock.* All three fingerprint cards must have original signatures in black or dark blue ink. The fingerprints may be taken by DEA personnel, the Contractor's Security Officer, at a police department or sheriff's office, a local FBI office, or a commercial facility. DEA will not reimburse fees charged by organizations to take the fingerprints. The Contractor shall ensure that the applicant's fingerprint cards are authentic, legible, and complete to avoid processing delays. (*Fingerprint cards are not required if the applicant possesses a current CONFIDENTIAL, SECRET, or TOP SECRET security clearance—or an interim clearance—granted by DSS or a favorable Public Trust Suitability Determination by another U. 8. One (1) original of the 3-page Drug Use Statement. The witness may be the Contractor's Security Officer, personnel officer, project officer, project manager, vice president, or president or a notary public as long as the witness occupies a position of responsibility and is not a relative of the applicant. *The witness' name and title must be printed under the signature line.*

9. One (1) original of each form OBD-236, Inquiry Regarding Suitability of Applicant (SEPT. 84), prepared as applicable to 9.a. or 9.b. below. S. Government agency.)*

9.a. Each employer for the past five (5) years, including the current employer, shall be contacted by telephone and asked all eight (8) questions—and only those questions—on the OBD-236. Verified dates of employment will be accepted if an employer's corporate policy does not permit providing additional information. If an employer cannot be contacted, efforts to make contact shall be noted on the OBD-236.

9.b. If the applicant does not have an employment history, three (3) associates/references shall be contacted by telephone and asked questions 1 through 5—and only those questions—on the OBD-236. 13. *If applicable*, one (1) original of Foreign National Relatives or Associates Statement: Only if the applicant has *foreign national relatives or associates*, regardless of whether the foreign national relatives or associates reside in the United States or a foreign country. Do not include foreign-born relatives or associates who are United States citizens. Once a foreign-born individual acquires United States citizenship, the individual is no longer a "foreign national."

14. *If applicable*, one (1) copy of the U.S. Citizenship Certificate of Naturalization or U. S. Passport. This may be either a current or previous U. S. Passport. NOTE: The National Industrial Security Program Operating Manual, DOD Directive 5520.22-M, Section 2-206, authorizes the Contractor to require each applicant who claims U.S. citizenship to produce evidence of citizenship. However, some naturalized U.S. citizens may be reluctant to photocopy the Certificate of Naturalization or U. S. Passport due to the prohibition printed on the front of the certificate. In those cases, an official of the Contractor company or a DEA employee may personally view the Certificate of Naturalization or U. S. Passport and sign a statement verifying that the individual is a U.S. citizen. (A sample statement is provided under Security Forms.)

E. Disqualifying Factors

Issues may surface concerning security approval or retention of a Contractor's applicant or employee that are not addressed in this contract. If there is any doubt regarding the suitability of an applicant or employee, the individual will not be approved for assignment to this or any DEA contract.

1. Suitability is a requirement for employment on a DEA contract as it concerns an individual's conduct, character, reputation, reliability, trustworthiness, loyalty to the United States, and fitness as related to the efficiency of the service. To be suitable, an individual's assignment or continued assignment to a DEA contract must be reasonably expected to promote the efficiency of the DEA's service to the public. A reasonable expectation that an individual's assignment to a DEA contract will not promote the efficiency of the service is established when an adverse connection, or nexus, is shown between the conduct in question and the performance of the individual or DEA accomplishing its mission.

2. Any one or more of the following factors—as disclosed on the SF85P+SF85P-S, in a personal interview with the applicant, or as part of the background investigation—are grounds for mandatory disqualification for assignment on a DEA contract and from further consideration for any type of assignment or employment involving DEA. The Contractor is responsible for interviewing each applicant and reviewing the completed security forms using the following criteria. If relevant information obtained is determined to be a mandatory disqualification factor, a request for security approval should not be submitted to DEA until the disqualifying factor is resolved favorably.

a. Criminal Record

- (1) Conviction resulting from a felony charge(s), regardless of when the conviction occurred.
- (2) Multiple misdemeanor convictions, regardless of when the convictions occurred.
- (3) Pending indictments or pending criminal charges, regardless of whether the charge(s) is a felony or misdemeanor.
- (4) Currently serving a period of probation resulting from a criminal conviction, regardless of whether the conviction is for a felony or a misdemeanor charge.

b. Illegal Drug Use

- (1) DEA's mission is to enforce the Controlled Substances Act, 21 USC 801 *et seq.* The illegal use of drugs by any of its personnel, including contractor personnel, may adversely affect the performance of its mission, create a danger to the public safety, expose the agency to civil liability, jeopardize criminal investigations and prosecutions, lead to corruption, or undermine public confidence. Because of its law enforcement responsibilities and the sensitive nature of its work, DEA has a compelling obligation to ensure a workplace that is free of illegal drugs.
- (2) Applicants who are found, through investigation or personal admission, to have experimented with or used narcotics or dangerous drugs, except those medically prescribed, possibly may be disqualified for employment on a DEA contract. Disclosed drug use will be decided on a case-by-case basis. Experimental use or use of any narcotic or dangerous drug, including marijuana, except medically prescribed, after employment on a DEA contract is cause for removal.

c. False Statements

- (1) A false statement is the deliberate omission, concealment, or falsification of relevant and material facts from any personnel security questionnaire, personal history statement, or similar form or interview used to conduct investigations, determine employment qualifications, award benefits or status, such as:
 - (2) Altering the condition of discharge on military documents.
 - (3) Altering college transcripts.
 - (4) Falsely completing or failure to disclose information on the SF-86 or any other documents used in the background investigation process.
 - (5) Conflicting statements of drug use, either on the SF-86, on the Drug Use Statement, or during the background investigation.

d. Debt Related Issues

- (1) The terms indebtedness, delinquent debt, and debt related issues mean lawful financial obligations that are just debts that are past due. Debt related issues raise of number of suitability and security concerns that an individual must satisfactorily resolve before an affirmative adjudicative decision can be made.
- (2) Each applicant's indebtedness will be reviewed on an individual basis.
- (3) Court imposed judgments, defaulted student loans, and other delinquent financial obligations imposed by law (e.g., child support payments, Federal, state, or local taxes) are matters of serious concern. The mandatory disqualification policy applies to those applicants who cannot satisfactorily document their efforts to repay student loans or to pay child support, taxes, or judgments.

e. Allegiance to the United States

- (1) Evidence of activities developed during the background investigation that would bring the applicant's allegiance to the United States into question, such as:
 - (2) Involvement in any act of sabotage, espionage, treason, terrorism, sedition, or other act whose

aim is to overthrow the Government of the United States or alter the form of government by unconstitutional means.

(3) Foreign influence or preference.

f. *Personal Conduct*

(1) Evidence of any of the following activities developed during the background investigation relative to the applicant's conduct and integrity.

(2) Reliable, unfavorable information provided by associates, employers, coworkers, neighbors, and other acquaintances.

(3) Infamous, dishonest, immoral, or notoriously disgraceful conduct, habitual use of intoxicants to excess, drug addiction, or sexual perversion. *Sexual behavior is a concern if it involves a criminal offense, indicates a personality disorder or emotional disorder, subjects the applicant to coercion, exploitation, or duress, or reflects lack of judgment or discretion. Sexual orientation or preference may not be used as a basis for, or a disqualifying factor in, determining a person's suitability.*

(4) Illness, including any mental condition, the nature of which in the opinion of competent medical authority may cause significant defect in the judgment or reliability of the employee, with due regard to the transient or continuing effect of the illness and the medical findings in such case.

(5) Any facts which furnish reason to believe that the applicant may be subjected to coercion, influence, or pressure which may cause him/her to act contrary to the best interest of DEA.

(6) Association with persons involved in criminal activity.

(7) Current or recent history of continuing alcohol or prescription abuse.

(8). Misuse of information technology systems.

F. Personnel Security Requirements

1. When the Contractor's employee reports for duty on a DEA contract, the COR/TM will provide a DEA Form 487 entitled, Reporting Responsibilities/NonDisclosure Agreement, to the employee and obtain the employee's signature prior to the commencement of services: *This form must be witnessed and signed by a DEA employee.* (See Item 2 under G. Information Security Requirements below.)

2. The Contractor shall notify the COR/TM in writing of the following, prior to occurrence or immediately thereafter, when a Contractor employee has a change in marital status. The COR/TM will notify ISR.

a. Married, divorced, or widowed.

b. Date, city, and country of marriage, divorce, or death of spouse.

c. Full name of current or former spouse (if notifying of a marriage, include wife's maiden name and any former married names(s)).

d. New spouse's social security number, date of birth, and place of birth (city, state, and country).

III. REMOVAL FROM WORK

A. The Contractor shall inform its employees of their duties, obligations, and responsibilities under this contract. The Contractor and its employees agree that, in addition to any other actions DEA may be entitled to utilize or employ, any Contractor employees who fail to cooperate fully with any inquiry or investigation or who fail or refuse to perform any duty under this contract may immediately and without advance notice have their DEA access suspended or revoked, be removed from the work site, and be released from their contractual duties. Additionally, DEA reserves the right to take any and all relief appropriate under the circumstances. In the event that any such action is taken, neither the Contractor nor its employees are entitled to be informed of the basis for the action. Such notice is within the sole discretion of DEA. In these instances, neither the Contractor nor its personnel will be entitled to any compensation for DEA's actions.

B. At the direction of the Contracting Officer, the Contractor is required to immediately remove any person from work under this contract should it be determined by DEA that such a person has violated or is in violation of the Standards of Conduct described above or another performance standard or requirement described in this contract; has been disqualified for either suitability or security reasons; who is found to be unfit for the performance of duties; whose continued work under this contract may jeopardize, compromise, or disrupt the safety and security of DEA

C. The Contracting Officer will notify the Contractor orally or in writing of the need to remove, or the removal of, any person from performance of work under this contract. Oral notification will be confirmed in writing by the Contracting Officer. Removals may be effective for a temporary period or permanently, as directed by the Contracting Officer. The Contracting Officer's determination to permanently remove a person from work under this contract shall be final. The Government is not obligated to inform either the Contractor or the person removed of the reason for the removal.

D. Any costs incurred by the Contractor for removal of the Contractor's employee from work under this contract and any costs incurred in the replacement—including, but limited to—costs for recruiting, training, certifying, clearing, and otherwise qualifying replacement personnel, travel, or litigation are not reimbursable to the Contractor.

E.. *REPEATED:* A determination by DEA that a person is not suitable to perform work under this order is not a denial, suspension, or revocation of a previously granted security clearance by another agency and nor shall it be interpreted as a direction or recommendation to the Contractor regarding the suitability of the affected individual for employment outside the scope of DEA.

IV. ADMINISTRATIVE INQUIRIES

A. The Contractor, its officers, and its employees assigned to, or otherwise participating in the performance of this contract, shall comply with the following ADMINISTRATIVE INQUIRIES provision. The provision authorizes the conduct of appropriate investigations and inquiries by duly appointed personnel conducting examinations, reviews, or investigations into information concerning inappropriate conduct and/or allegations of impropriety, whether such conduct is criminal or administrative in nature.

B. The Contractor shall obtain, and make available upon request by the Contracting Officer, a certification, signed by each contract employee participating in the performance of this contract, attesting to the fact that they have been apprised of and will comply with the ADMINISTRATIVE INQUIRIES provision as stated herein.

1. The Drug Enforcement Administration (DEA) is a Federal law enforcement agency charged with investigating and prosecuting persons violating the drug laws of the United States. To ensure the public has the highest degree of confidence in the integrity, operations and activities of the DEA, it is essential that the personnel assigned to or employed by Contractors that support DEA conduct themselves appropriately and in accordance with applicable law and regulation.

2. The Contractor and its personnel agree that an inspector or investigator of the DEA, Department of Justice, or any other duly authorized organization or entity shall have the right to conduct any and all inquiries or investigations deemed appropriate by such organizations or entities in response

to information concerning, or allegations about, improper conduct or inappropriate actions, whether such conduct is criminal or administrative in nature.

3. The Contractor and its personnel agree to cooperate fully and to the best of their ability with any such inquiries or investigations. The Contractor and its personnel agree that persons performing such investigations or inquiries have the right to question the Contractor's personnel. The Contractor's personnel will respond fully and truthfully to such questioning and provide, as required, sworn statements, declarations, or affirmations, as directed, or participate in transcribed interviews as directed.

4. Contract personnel will retain their constitutional protection against compelled self-incrimination at all times. However, contract employees are required to answer questions under the following conditions: (1) if the subject being questioned is informed that the inquiry being conducted will not subject them to criminal prosecution, and (2) that any statements made by the subject cannot be used against the subject in any criminal prosecution (except in cases where the subject is criminally prosecuted for knowingly and willfully providing false information to investigating personnel). When these conditions are met, the subject is required to respond to questioning in accordance with this provision.

5. The Contractor and its personnel agree that there is no expectation of privacy in any DEA assigned or controlled work space, including offices, workstations, closets, or storage facilities, nor is there any expectation of privacy in any equipment or other asset or fixture including but not limited to desks, safes, file cabinets or containers of any kind, computers and any storage media, or any such spaces or equipment provided by the Contractor or its personnel for use in DEA facilities or premises. The Contractor's personnel shall be placed on notice that any space or equipment may be searched with or without notice to the Contractor and its personnel.

6. The Contractor shall inform its employees of their duties, obligations, and responsibilities under this contract. The Contractor and its personnel agree that, in addition to any other actions DEA may be entitled to utilize or employ, contract personnel who fail to cooperate fully with any inquiry or who fail or refuse to perform any duty under this contract, may immediately and without advance notice have their DEA clearance suspended or revoked, be removed from the work site, or be released from their contractual duties. In addition, DEA reserves the right to take any and all relief appropriate under the circumstances. In the event that any such action is taken, neither the Contractor nor its personnel are entitled to be informed of the basis for the action. Such notice is within the sole discretion of DEA. In these instances, neither the Contractor nor its personnel will be entitled to any compensation for DEA's actions.

***Workers in this classification may be entitled to a higher minimum wage under Executive Order 14026 (\$17.75 per hour) or 13658 (\$13.30 per hour). Please see the Note at the top of the wage determination for more information. Please also note that the minimum wage requirements of Executive Order 14026 and 13658 are not currently being enforced as to contracts or contract-like instruments entered into

with the federal government in connection with seasonal recreational services or seasonal recreational equipment rental for the general public on federal lands. The minimum wage requirements of Executive Order 14026 also are not currently being enforced as to any contract or subcontract to which the states of Texas, Louisiana, or Mississippi, including their agencies, are a party.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors, applies to all contracts subject to the Service Contract Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is the victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: \$5.36 per hour, up to 40 hours per week, or \$214.40 per week or \$929.07 per month

HEALTH & WELFARE EO 13706: \$4.93 per hour, up to 40 hours per week, or \$197.20 per week, or \$854.53 per month*

*This rate is to be used only when compensating employees for performance on an SCA-covered contract also covered by EO 13706, Establishing Paid Sick Leave for Federal Contractors. A contractor may not receive credit toward its SCA obligations for any paid sick leave provided pursuant to EO 13706.

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor, 3 weeks after 8 years, and 4 weeks after 15 years. Length of service includes the whole span of continuous service with the present contractor or successor, wherever employed, and with the predecessor contractors in the performance of similar work at the same Federal facility. (See 29 CFR 4.173)

HOLIDAYS: A minimum of eleven paid holidays per year: New Year's Day, Martin Luther King Jr.'s Birthday, Washington's Birthday, Memorial Day, Juneteenth National Independence Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4.174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: This wage determination does not apply to any individual employed in a bona fide executive, administrative, or professional capacity, as defined in 29 C.F.R. Part 541. (See 41 C.F.R. 6701(3)). Because most Computer Systems Analysts and Computer Programmers who are paid at least \$27.63 per hour (or at least \$684 per week if paid on a salary or fee basis) likely qualify as exempt computer professionals under 29 U.S.C. 213(a)(1) and 29 U.S.C. 213(a)(17), this wage determination may not include wage rates for all occupations within those job families. In such instances, a conformance will be necessary if there are nonexempt employees in these job families working on the contract.

Job titles vary widely and change quickly in the computer industry, and are not determinative of whether an employee is an exempt computer professional. To be exempt, computer employees who satisfy the compensation requirements must also have a primary duty that consists of:

(1) The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software or system functional specifications;

(2) The design, development, documentation, analysis, creation, testing or modification of computer systems or programs, including prototypes, based on and related to user or system design specifications;

(3) The design, documentation, testing, creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties, the performance of which requires the same level of skills. (29 C.F.R. 541.400).

Any computer employee who meets the applicable compensation requirements and the above duties test qualifies as an exempt computer professional under both section 13(a)(1) and section 13(a)(17) of the Fair Labor Standards Act. (Field Assistance Bulletin No. 2006-3 (Dec. 14, 2006)). Accordingly, this wage determination will not apply to any exempt computer employee regardless of which of these two exemptions is utilized.

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am.

If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

**** HAZARDOUS PAY DIFFERENTIAL ****

An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials. This includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder and photoflash powder.

All dry-house activities involving propellants or explosives. Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving re-grading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

**** UNIFORM ALLOWANCE ****

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an

adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

**** SERVICE CONTRACT ACT DIRECTORY OF OCCUPATIONS ****

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations", Fifth Edition (Revision 1), dated September 2015, unless otherwise indicated.

**** REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE, Standard Form 1444 (SF-1444) ****

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination (See 29 CFR 4.6(b)(2)(i)). Such conforming procedures shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees (See 29 CFR 4.6(b)(2)(ii)). The Wage and Hour Division shall make a final determination of conformed classification, wage rate, and/or fringe benefits which shall be paid to all employees performing in the classification from the first day of work on which contract work is performed by them in the classification. Failure to pay such unlisted employees the compensation agreed upon by the interested parties and/or fully determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act and this contract. (See 29 CFR 4.6(b)(2)(v)). When multiple wage determinations are included in a contract, a separate SF-1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid, the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).
- 2) After contract award, the contractor prepares a written report listing in order the proposed classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.
- 3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the U.S. Department of Labor, Wage and Hour Division, for review (See 29 CFR 4.6(b)(2)(ii)).
- 4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or

notifies the contracting officer that additional time will be required to process the request.

5) The contracting officer transmits the Wage and Hour Division's decision to the contractor.

6) Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination (See 29 CFR 4.6(b)(2)(iii)).

Information required by the Regulations must be submitted on SF-1444 or bond paper.

When preparing a conformance request, the ""Service Contract Act Directory of Occupations"" should be used to compare job definitions to ensure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination (See 29 CFR 4.152(c)(1))."
