MEMORANDUM FOR 82 CONS/PKA

FROM: 82 TRSS/CC

SUBJECT: Sole Source Justification for Arbinger Training Products

1. **Description of the supply/services:** Request approval for purchase of Arbinger Institute, LLC (GS-10F-099AA) products. The package from Arbinger contains materials and training for the 82 TRSS Faculty Development Flight and other Faculty members in the 82 TRW. The requested materials and services are part of the 82 TRSS Faculty Development Flight's long term Faculty development plans. Services supplied by the Arbinger Institute are on-site facilitation, participant workbooks, and online resources. A description of the course material can be found under Attachment 1.

2. **Efforts to obtain competition:** Leaders at 2 AF have been hosting workshops with the Arbinger Institute since 2022, and this is the second time these workshops will be hosted specifically for Faculty Development and other Faculty members within the 82 TRW. The Arbinger Company is the sole owner and proprietor of the Outward Mindset series of training and train-the-trainer program, which includes the materials requested. These materials are copyrighted intellectual property and are prohibited from being delivered by another company or organization, except for Learning Core Leadership Inc., doing business as Mindset4Results. They are the only reseller of Arbinger's content.

3. **Market research:** Online research.

4. **Statement of actions, if any, the Agency may take to remove or overcome any barriers to competition before making subsequent acquisitions for the supply/service required:** The training and materials requested proprietary to Arbinger.
