

Industry Day for the
Department of the Air Force Wellness program
14th and 15th January 2025

The 771 Enterprise Sourcing Squadron (ESS), Wright Patterson Air Force Base, Ohio will be holding an industry day at the Hope Hotel and Conference Center, 10823 Chidlaw Rd, WPAFB, OH 45433, the P-51 Mustang room on the 14th and 15th of January 2025 from 0800 to 1600 each day, eastern standard time (EST). The 771 ESS with the customer will provide a brief overview of the program along with expected outcomes at the start of each day.

The purpose of this industry day is to have companies that sign up, to present to the 771 ESS.

1. The industry day will consist of 45-to-60 minute time slots, assigned by the 771 ESS, on a first come-first served for presentations, questions etc.
2. Each presentation will be private amongst the 771 ESS and the identified vendor.
3. Things to consider in presentation:
 - a. Historical management of similar Wellness programs, to cover support across the locations identified in the draft Performance Work Statement (attachment one.)
 - b. Ability to meet the PWS requirements
 - c. Proposed contract type with staffing matrix and
 - d. Proposed application of innovation and technology on/supporting programing

Instructions:

1. Please respond to this Industry RFI to be provided a time slot no later than 30 December 2025, 1300 EST. Time slots will be provided to all companies that reply to this notice by 3 January 2025.
2. Please provide read ahead or presentation by 8 January 2025, 1600 EST to Mr. Bradley Weng (bradley.weng.1@us.af.mil) to enable the 771 ESS to review and prepare questions.
3. Responses to this Industry Day should be send to the following personnel:
 - a. Owen.hurley.1@us.af.mil , Contracting Officer
 - b. diane.larson@us.af.mil , Program manager
 - c. bradley.weng.1@us.af.mil , Program manager
 - d. grant.gerlinger@us.af.mil, Contract Specialist

This is not a request for proposal. This industry day will provide to the US Government information to support market research and to develop acquisition strategies and timelines for a formal Request for Proposals to be posted in the future. No release date has been established but is expected to be in the 3rd quarter of 2025.

OWEN HURLEY, MSgt, USAF,
Contracting Officer 771 ESS.
