

STATEMENT OF WORK

1. Objective/Requirements

NASA Langley Research Center requires a service contract renewal from Hitachi High-Tech for a Hitachi high-resolution scanning electron microscope (HR-SEM) which supports multiple projects within the Advanced Materials and Processing Branch.

2. Characteristics, Scope, and Specs

Asset	Part No.	Description
S-5200 0610-05	C-S-5200	Hitachi Service Agreement - S-5200 FESEM

3. Place of Performance

NASA Langley Research Center Advanced
Hampton, VA 23681

4. Period of Performance

04/05/2025 – 04/04/2026
