

MEMORANDUM FOR FILE

FROM:
CODE: 1041
TO: Code 02
SUBJECT: Limited Source Justification for Use of Other than Full & Open Competition for an Acquisition under the Simplified Acquisition Threshold (SAT)

I. BACKGROUND

1. FAR 13.106-1(b)(1)(i) states for purchases not exceeding the simplified acquisition threshold, Contracting Officers may solicit from one source if the Contracting Officer determines that the circumstances of the contract action deem only one source reasonably available.
2. FAR 8.405-6(b)(1) states Brand name specifications shall not be used unless the particular brand name, product, or feature is essential to the Government's requirements, and market research indicates other companies' similar products, or products lacking the particular feature, do not meet, or cannot be modified to meet, the agency's needs.
3. As required by FAR 13.106-3(b)(3)(i), this memorandum explains the absence of competition for this acquisition, as only one source will be solicited for this requirement (or for a portion of the requirement) and the requirement is not expected to exceed the simplified acquisition threshold.
4. This memorandum is derived from Enclosure 3, Department of Navy Simplified Acquisition Procedures Guide (April 2018) and is only applicable to acquisitions under the SAT.

II. DESCRIPTION OF ITEM OR SERVICE (include manufacture/sole source name and address)

This purchase request is for software renewal of three licenses with software support for RedHat Ansible Tower. RedHat Ansible is used to centralize the management of Linux devices on the RDT&E network. Ansible is used daily to standardize Linux configurations, scale IT automation, and manage complex deployments. This product also allows us to implement role-based access control, job scheduling, integrated notifications, and graphical inventory management. Without this software, Code 1041 would be unable to effectively manage Linux devices, which would affect the security posture of the systems and the mission of RDT&E. Renewal coverage is 05/01/2025 through 04/30/2026
