

NOI

The Defense Health Agency (DHA) intends to award a sole source contract under the authority of 13.501(a) Sole Source (including brand name) acquisitions, to Abbott Laboratories Inc., 200 ABBOTT PARK RD ABBOTT Park Il 60064 for the provision of all services, materials, and equipment necessary to provide required reagents, quality control, maintenance, consumables, and twenty one (21) analyzers, point-of-care, whole blood, gas/pH/electrolyte [ECRI device code 18-511] at Naval Medical Center Portsmouth, VA (NMCP). The period of performance of the contract is 01 September 2025 through 31 August 2026 plus 4 option years.

Abbott Laboratories Inc (istat) has executive rights to produce, distribute and maintain the reagents and analyzers that is the istat system. No dealers qualify to work on and/or maintain the product with a warranty agreement. Abbott Laboratories, Inc. is the only vendor that has handheld analyzer systems capable of performing kaolin activated clotting time testing and cardiac troponin I testing. Additionally, no other vendor manufactures analyzers that can serve as an expansion of the existing iSTAT system currently installed at NMCP.

There are not set-aside restrictions for this requirement. The intended procurement will be classified under North America Industry Classification System (NAICS) 334516, Analytical Laboratory Instrument Manufacturing. This notice of intent is not a request for competitive proposals and no solicitation exists for this requirement.

Sources interested in responding to this notice are required to submit a capability statement that includes management and technical data, in sufficient detail and with convincing evidence that clearly demonstrates the capability to perform the required work. Capability statements shall not exceed 5 (8.5 x 11 inch) pages using a font size no smaller than 10-point. All capability statements received by the due date of this notice will be considered by the Government. A request for documentation or additional information, or submissions that only ask questions will not be considered as an affirmative response. A determination by the Government not to compete based on responses to this notice is solely within the discretion of the Government. Information received will be considered solely for the purpose of determining whether to conduct a competitive procurement or to proceed with a sole source contract.

Capability statements are due by 4:30 PM EST, 15 April 2025. Capability statements shall be submitted by e-mail ONLY as a Microsoft Word or Adobe PDF attachment to the following address: Joshua.m.grim.civ@health.mil. IN SUBJECT LINE REFERENCE: "Blood Analyzers".
