TO: AFSC/PZIM

FROM: OC-ALC/OBCA for 76 PMXG

SUBJECT: Sole Source Justification for P25-002 Spare Parts for DED Machines

1. 76 MXSG is requesting utilization of funds for the purchase of Spare Parts for the DED Machine. The S012 Nozzle is used for the TF33 7th Stage Spacer pedestal and knife edge [REDACTED]. The Koax 40 Nozzle is used for knife-edge [REDACTED] of all TF33 Compressor Spacers, Stage 1-15. The Government estimates the total cost will be \$98,429.20.
2. The S012 and Koax 40 deposition nozzles are direct OEM replacements for the Trumpf Trulaser Cell 3000, and there are no known third parties that provide replacements. Trumpf is the sole source manufacturer of the replacement parts under the Trumpf name. OBCA reached out to the OEM and verified with Patrick Horkan, CSR that Trumpf Inc. does not have any third party distributors/service providers.
3. Therefore, the proposed sole source vendor is the only vendor that can satisfy the Government's requirement.

Vendor Name:	TRUMPF, Inc.
Address	Plymouth Township, MI 48170
Contact and Telephone	(734) 454-7227
Cage Code	65826
Type of Business	Large

4. Market research was performed reviewing Dynamic Small Business Search (DSBS) and System for Award Management (SAM) databases using North American Industry Classification System (NAICS) Code (332510) looking for companies that could provide spare parts for DED Machine. A review of small businesses to include 8(a), HUBZone, General Service Administration (GSA) RFQ #1721252 listed 10 vendors with zero responses, Service Disabled Veteran Owned Business, and Women Owned Small Business was conducted in search of a company that could provide spare parts for DED Machine. In review this is the only source that can provide this commodity for this acquisition.
5. The Government will continue to monitor the market and conduct market research surveys to determine potential future sources and avoid future single source acquisitions.
6. I have determined, in accordance with FAR 13.106-1(b)(1), that the circumstances of this contract action deem only a single source is reasonably available.
