Questions regarding how to respond to Pre-solicitation notice.

- Q. where/how do we submit our response before the March 7th deadline? Do we email you directly or is there another way that I missed on the solicitation?
- Q. I am about to submit our response to Notice ID 140R8125R0002 (Pre-Solicitation for AE Multiple Award Contract). I do not see instructions for submittal in the notice nor on the SAM.gov page. Do I simply email it to you at this email?
- Q. As there were no specific submission instructions provided in the Pre-Solicitation, we have submitted our response via email. Could you kindly confirm if there is a different submission procedure we should follow?
- Q. I wanted to confirm if you are the current Point of Contact for this effort? If not, may I ask who the current POC is?
- A. The Pre-solicitation notice had a response date of March 7th for submissions from interested parties. Responses are to be sent to the Point of Contact, Megan Swift at mswift@usbr.gov. This was a pre-solicitation notice not the solicitation.

Questions regarding the future solicitation.

- Q. We understand that we have missed the deadline for responding to this Sources Sought, but we would appreciate receiving a copy of the Solicitation when it is released.

Q. Would you please provide an approximate timeline for the RFP release?

Q. We would like to inquire on the status of Pre-Solicitation 140R8125R0002. May we know if a solicitation has been made?

Q. I would like to find out if the Solicitation has been released for this effort? I believe it was previously anticipated to be released on or about March 11, 2025. However, I was unable to find it on Sam.gov, have I missed the release? If no solicitation has been released, is a new Solicitation release time frame available? Will the Solicitation be released publicly on Sam.gov?

Q. Could you please add us to the distribution list for when the RFP is released?

A. Due to new internal procedures, the release of the solicitation has been delayed. The solicitation has not been released and we do not have an approximate release date at this time. When the solicitation is posted on SAM.gov, all contractors who replied to the pre-solicitation notice will be notified of the solicitation posting.

Questions specific to the requirement.

Q. If we don't cover all the disciplines in the pre-solicitation, do we put forward a team and state who will cover which piece? We cover most of the items except for the electrical and mechanical engineering pieces of what is covered under the Infrastructure Services.

Q. Is USBR looking for proposals that cover all disciplines, or can vendors propose on a subset of disciplines?

A. We will accept subcontracting and joint venture arrangements for this requirement.

Q. Could you please provide the set aside for this opportunity?

A. The information received from this pre-solicitation notice will be utilized in determining acquisition strategy and set aside.

Q. Will USBR accept proposals from organizations that did not respond to the special notice?

A. Yes, we will accept responses to the solicitation from organizations that did not respond to the special notice.
