

Pre-solicitation Notice

Requisition Number: 1146697 White Forest Reforestation

Synopsis:

The objective of this BPA call order is to provide services for planting government-furnished conifer seedlings on the Mt. Hood National Forest, as well as related work in compliance with its terms, specifications, and provisions. This includes furnishing labor, equipment, supervision, transportation, operating supplies, and incidentals (except those designated as Government-furnished). It is the objective of this contract to obtain high quality tree planting services to ensure maximum tree survival and achieve prompt reforestation of the sites.
