VA Pacific Islands is requesting the purchase of the SendPro MailCenter 3000 and Relay 7000. This purchase will help process high volumes of mixed mail and packages at high speeds. Clause 52.217-8 Option to Extend Services will be included in the solicitation/order.

(4) Identify the Authority and Supporting Rationale (see below and if applicable, a demonstration of the proposed contractor's unique qualifications to provide the required supply or service.

☐ [FAR 8.405-6\(a\)\(1\)\(A\)](#): An urgent and compelling need exists and following the ordering procedures would result in unacceptable delays:

☒ [FAR 8.405-6\(a\)\(1\)\(B\)](#): Only one source is capable of providing the supplies or services required at the level of quality required because the supplies or services are unique or highly specialized. Pitney Bowes is the sole manufacturer of the SendPro MailCenter 3000 and Relay 7000. The SendPro MailCenter 3000 features a 15" inch high resolution monitor with touchscreen, a 70 lb. scale, label printer, and connection to the SendPro 360. ☐ [FAR 8.405-6\(b\)](#): Items peculiar to one manufacturer:

☐ A patent, copyright or proprietary data limits competition. The proprietary data is:

☐ These are "direct replacements" parts/components for existing equipment.

(5) Describe Why You Believe the Order Represents the Best Value consistent with FAR 8.404(d) to aid the contracting officer in making this best value determination: Ordering this requirement off Contract 47QSM21D08R3 represents the best value. GSA has already determined the pricing to be fair and reasonable. Only one item, WPF5, is not on contract. IAW FAR 8.402(f) a Contracting Officer may add items not on FSS (also referred to as open market items) to a delivery order if the price is fair and reasonable. In addition, the open market item will not be more than 50% of the order.

(6) Describe the Market Research Conducted among schedule holders and the results or a statement of the reason market research was not conducted.

Market research was conducted using SBA, VetCert, SAM, GSA, NAC, and an email to Pitney Bowes. A search on SBA was conducted using NAICS 561499, which resulted in the identification of 374 VOSBs and 1,887 SDVOSBs operating in that NAICS. A search on VetCert was conducting using NAICS 561499 as well and resulted in the identification of 1,876 SDVOSBs/VOSBs operating in that NAICS. A search on SAM identified Pitney Bowes Global Financial Services LLC as a large business. A search on GSA eLibrary indicated that the requirement is on Contract 47QSM21D08R3 with Pitney Bowes. An email was sent to Pitney Bowes to confirm that the SendPro MailCenter 3000 and Relay 7000 are on contract. The POC

provided the part numbers for each item on the quote. Each item was verified to be on Contract 47QSMA21D08R3 except for one item, WPF5. IAW FAR 8.402(f) a Contracting Officer may add items not on FSS (also referred to as open market items) to a delivery order if the price is fair and reasonable. In addition, the open market item will not be more than 50% of the order. Market research suggests that item WPF5 costs \$1,610.45.

A search was conducted on GSA Advantage and the NAC to determine if other vendors could provide the requirement. No similar products or applicable contracts were discovered. The Rule of Two cannot be met. Therefore, it is recommended that this requirement be sole sourced to Pitney Bowes via Contract 47QSMA21D08R3.
