1. Introduction/Background

This contract is for a MIDRP proposal MI240174 entitled Identification of early symptomatic biomarkers and correlates of disease severity utilizing samples collected during the current dengue outbreak in Colombia and Thailand.

This study aims to identify early biomarkers (within the first 96 hours of onset of disease) associated with severe disease manifestations for patients with dengue infection. The goal is to use these prognostic markers to stratify patients for treatment. Dengue fever is a nationwide, year-round disease in Thailand and Colombia with peak transmission occurring in the rainy seasons each year. Retrospective and prospective cohort human samples collected from dengue patients classified into dengue without warning signs (DEN-WS), dengue with warning signs (DEN+WS), and severe dengue (SD) will be acquired from Colombia and Thailand. Immunological markers, i.e. antibody neutralization (Neut), antibody-dependent enhancement (ADE), serum NS1 and anti-NS1 IgG/IgA, and acute phase proteomics (Olink) and transcriptomics (RNAseq) will be investigated. Biostatistics will be used to discover and evaluate markers that are associated with clinical endpoints.

The study will be carried out through a collaboration of NMRC with George Washington University. During the 2-year period of the project, the objectives are to obtain approximately a minimal of **200 cases (n=100 of DF-WS; n=100 of DF+WS and SD) for serum/plasma and PBMCs**. Since the rate of SD is commonly low, to mitigate the risk of low SD, GW will try to increase the study size to >200. All samples will be shipped to NMRC for the completion of the research objectives at NMRC.

This contract is between NMRC and GWU.

The Colombian site, led by Dr. Aileen Chang, an Associate Professor of Medicine and Microbiology, Immunology and Tropical Medicine at George Washington University (GWU). Dr. Chang has been working in partnership with Colombian institutions for the last decade and has extensive experience executing observational and interventional clinical trials in Barranquilla, Colombia. In particular, she is currently working on a clinical trial in hospitalized patients in Colombia and has experience recruiting severe dengue cases.

2. Technical Requirements

GWU will provide samples which have been already collected and will continue conducting the prospective patient enrollment. GWU will collect serial samples at Day 0 (With fever in the last 7 days), Day 2, and convalescent (45-90 days after infection). Demographic data and clinical characteristics including warning signs, symptoms of severe dengue and results of diagnostic laboratories and clinically significant laboratory abnormalities and infection outcomes.

Requirement:

2.1 GWU will send samples collected in 2024-2025 by March/ April 2025 together with the related clinical and laboratory records. The expected number of subjects is ≥ 30 .

2.2 GWU will send samples collected in 2025 by Sep/ Oct 2025 together with the related clinical and laboratory records. The expected number of subjects is ≥ 70 .

2.3 GWU will send sample collected during 2025-2026 by Jun/Jul 2026. The expected number of subjects is ≥ 100 .

Note: Funding for 2.1 and 2.2 has been received. Funding for 2.3 has not been received and will be conditional based on funding.

As prescribed in 4.103 , insert the following clause:

APPROVAL OF CONTRACT (DEC 1989)

This contract is subject to the written approval of ____[identify title of designated agency official here] and shall not be binding until so approved.

(End of clause)

52.219-28 Postaward Small Business Program Rerepresentation.

(Jan 2025)

As prescribed in 19.309(c)(1), insert the following clause:

POSTAWARD SMALL BUSINESS PROGRAM REREPRESENTATION (JAN 2025)

(a) *Definitions.* As used in this clause-

Long-term contract means a contract of more than five years in duration, including *options*. However, the term does not include contracts that exceed five years in duration because the period of performance has been extended for a cumulative period not to exceed six months under the clause at 52.217-8, *Option to Extend Services*, or other appropriate authority.

Small business concern-

(1) Means a concern, including its *affiliates*, that is independently owned and operated, not dominant in its field of operation, and qualified as a small business under the criteria in 13 CFR part 121 and the size standard in paragraph (d) of this clause.

(2) *Affiliates*, as used in this definition, means business concerns, one of whom directly or indirectly controls or has the power to control the others, or a third party or parties control or have the power to control the others. In determining whether affiliation exists, consideration is given to all appropriate factors including common ownership, common management, and contractual relationships. SBA determines affiliation based on the factors set forth at 13 CFR 121.103.

(b) If the Contractor represented that it was any of the *small business concerns* identified in 19.000(a)(3) prior to award of this contract, the Contractor *shall* rerepresent its size and socioeconomic status according to paragraph (f) of this clause or, if applicable, paragraph (h) of this clause, upon occurrence of any of the following:

(1) Within 30 days after execution of a *novation agreement* or within 30 days after modification of the contract to include this clause, if the *novation agreement* was executed prior to inclusion of this clause in the contract.

(2) Within 30 days after a merger or *acquisition* that does not require a novation or within 30 days after modification of the contract to include this clause, if the merger or *acquisition* occurred prior to inclusion of this clause in the contract.

(3) For *long-term contracts-*

(i) Within 60 to 120 days prior to the end of the fifth year of the contract; and

(ii) Within 60 to 120 days prior to the date specified in the contract for exercising any *option* thereafter.

(c) If the Contractor represented its status as any of the *small business concerns* identified at 19.000(a)(3) prior to award of this contract, the Contractor *shall* rerepresent its size and socioeconomic status according to paragraph (f) of this clause or, if applicable, paragraph (h) of this clause, for the NAICS code assigned to an order (except that paragraphs (c)(1) through (3) of this clause do not apply to an order issued under a Federal Supply Schedule contract at subpart 8.4)-

(1) Set aside exclusively for a *small business concern* identified at 19.000(a)(3) that is issued under an unrestricted *multiple-award contract*, unless the order is issued under the reserved portion of an unrestricted *multiple-award contract* (e.g., an order set aside for a woman-owned small business under a *multiple-award contract* that is not set-aside, unless the order is issued under the reserved portion of the *multiple-award contract*);

(2) Issued under a *multiple-award contract* set aside for small businesses that is further set aside for a specific socioeconomic category that differs from the underlying *multiple-award contract* (e.g., an order set aside for a *HUBZone small business concern* under a *multiple-award contract* that is set aside for small businesses);

(3) Issued under the part of the *multiple-award contract* that is set aside for small businesses that is further set aside for a specific socioeconomic category that differs from the underlying set-aside part of the *multiple-award contract* (e.g., an order set aside for a WOSB concern under the part of the *multiple-award contract* that is partially set aside for small businesses); and

(4) When the *Contracting Officer* explicitly requires it for an order issued under a *multiple-award contract*, including for an order issued under a Federal Supply Schedule contract (see 8.405-5(b) and 19.301-2(b)(2)).

(d) The Contractor *shall* rerepresent its size status in accordance with the size standard in effect at the time of this rerepresentation that corresponds to the North American Industry Classification System (NAICS) code(s) assigned to this contract. The small business size standard corresponding to this NAICS code(s) can be found at <https://www.sba.gov/document/support--table-size-standards>.

(e) The small business size standard for a Contractor providing an end item that it does not manufacture, process, or produce itself, for a contract other than a *construction* or service contract, is 500 employees, or 150 employees for *information technology* value-added resellers under NAICS code 541519, if the *acquisition-*

(1) Was set aside for small business and has a value above the *simplified acquisition threshold*;

(2) Used the *HUBZone* price evaluation preference regardless of dollar value, unless the Contractor waived the price evaluation preference; or

(3) Was an 8(a), *HUBZone*, service-disabled veteran-owned, economically disadvantaged women-owned, or women-owned small business set-aside or sole-source award regardless of dollar value.

(f) Except as provided in paragraph (h) of this clause, the Contractor *shall* make the representation(s) required by paragraphs (b) and (c) of this clause by validating or updating all its representations in the Representations and Certifications section of the *System for Award Management (SAM)* and its other data in SAM, as necessary, to ensure that they reflect the Contractor's current status. The Contractor *shall* notify the *contracting officer* in writing within the timeframes specified in paragraph (b) of this clause, or with its *offer* for an order (see paragraph (c) of this clause), that the data have been validated or updated, and provide the date of the validation or update.

(g) If the Contractor represented that it was other than a *small business concern* prior to award of this contract, the Contractor *may*, but is not required to, take the actions required by paragraphs (f) or (h) of this clause.

(h) If the Contractor does not have representations and certifications in SAM, or does not have a representation in SAM for the NAICS code applicable to this contract, the Contractor is required to complete the following rerepresentation and submit it to the *contracting office*, along with the contract number and the date on which the rerepresentation was completed:

(1) The Contractor represents that it ☐ is, ☐ is not a *small business concern* under ____NAICS Code assigned to ____contract number.

52.232-1 Payments.

(Apr 1984)

As prescribed in 32.111(a)(1), insert the following clause, appropriately modified with respect to payment due date in accordance with agency regulations, in solicitations and contracts when a fixed-price supply contract, a fixed-price service contract, or a contract for nonregulated communication services is contemplated:

PAYMENTS (APR 1984)

The Government shall pay the Contractor, upon the submission of proper invoices or vouchers, the prices stipulated in this contract for supplies delivered and accepted or services rendered and accepted, less any deductions provided in this contract. Unless otherwise specified in this contract, payment shall be made on partial deliveries accepted by the Government if-

- (a) The amount due on the deliveries warrants it; or
- (b) The Contractor requests it and the amount due on the deliveries is at least \$1,000 or 50 percent of the total contract price.

(End of clause)

52.232-8 Discounts for Prompt Payment.

(Feb 2002)

As prescribed in 32.111(b)(1), insert the following clause:

DISCOUNTS FOR PROMPT PAYMENT (FEB 2002)

(a) Discounts for prompt payment will not be considered in the evaluation of offers. However, any offered discount will form a part of the award, and will be taken if payment is made within the discount period indicated in the offer by the offeror. As an alternative to offering a discount for prompt payment in conjunction with the offer, offerors awarded contracts may include discounts for prompt payment on individual invoices.

(b) In connection with any discount offered for prompt payment, time shall be computed from the date of the invoice. If the Contractor has not placed a date on the invoice, the due date shall be calculated from the date the designated billing office receives a proper invoice, provided the agency annotates such invoice with the date of receipt at the time of receipt. For the purpose of computing the discount earned, payment shall be considered to have been made on the date that appears on the payment check or, for an electronic funds transfer, the specified payment date. When the discount date falls on a Saturday, Sunday, or legal holiday when Federal Government offices are closed and Government business is not expected to be conducted, payment may be made on the following business day.

(End of clause)

52.232-25 Prompt Payment.

(Jan 2017)

As prescribed in 32.908(c), insert the following clause:

PROMPT PAYMENT (JAN 2017)

Notwithstanding any other payment clause in this contract, the Government will make invoice payments under the terms and conditions specified in this clause. The Government considers payment as being made on the day a check is dated or the date of an electronic funds transfer (EFT). Definitions of pertinent terms are set forth in sections 2.101, 32.001, and 32.902 of the Federal Acquisition Regulation. All days referred to in this clause are calendar days, unless otherwise specified. (However, see paragraph (a)(4) of this clause concerning payments due on Saturdays, Sundays, and legal holidays.)

(a) Invoice payments-

(1) Due date. (i) Except as indicated in paragraphs (a)(2) and (c) of this clause, the due date for making invoice payments by the designated payment office is the later of the following two events:

(A) The 30 thday after the designated billing office receives a proper invoice from the Contractor (except as provided in paragraph (a)(1)(ii) of this clause).

(B) The 30 thday after Government acceptance of supplies delivered or services performed. For a final invoice, when the payment amount is subject to contract settlement actions, acceptance is deemed to occur on the effective date of the contract settlement.

(ii) If the designated billing office fails to annotate the invoice with the actual date of receipt at the time of receipt, the invoice payment due date is the 30 thday after the date of the Contractor's invoice, provided the designated billing office receives a proper invoice and there is no disagreement over quantity, quality, or Contractor compliance with contract requirements.

(2) Certain food products and other payments.

(i) Due dates on Contractor invoices for meat, meat food products, or fish; perishable agricultural commodities; and dairy products, edible fats or oils, and food products prepared from edible fats or oils are-

(A) For meat or meat food products, as defined in section 2(a)(3) of the Packers and Stockyard Act of 1921 (7 U.S.C.182(3)), and as further defined in Pub.L.98-181, including any edible fresh or frozen poultry meat, any perishable poultry meat food product, fresh eggs, and any perishable egg product, as close as possible to, but not later than, the 7 thday after product delivery.

(B) For fresh or frozen fish, as defined in section 204(3) of the Fish and Seafood Promotion Act of 1986 (16 U.S.C.4003(3)), as close as possible to, but not later than, the 7 thday after product delivery.

(C) For perishable agricultural commodities, as defined in section 1(4) of the Perishable Agricultural Commodities Act of 1930 (7 U.S.C.499a(4)), as close as possible to, but not later than, the 10 thday after product delivery, unless another date is specified in the contract.

(D) For dairy products, as defined in section 111(e) of the Dairy Production Stabilization Act of 1983 (7 U.S.C.4502(e)), edible fats or oils, and food products prepared from edible fats or oils, as close as possible to, but not later than, the 10 thday after the date on which a proper invoice has been received. Liquid milk, cheese, certain processed cheese products, butter, yogurt, ice cream, mayonnaise, salad dressings, and other similar products, fall within this classification. Nothing in the Act limits this classification to refrigerated products. When questions arise regarding the proper classification of a specific product, prevailing industry practices will be followed in specifying a contract payment due date. The burden of proof that a classification of a specific product is, in fact, prevailing industry practice is upon the Contractor making the representation.

(ii) If the contract does not require submission of an invoice for payment (e.g., periodic lease payments), the due date will be as specified in the contract.

(3) *Contractor's invoice.* The Contractor shall prepare and submit invoices to the designated billing office specified in the contract. A proper invoice must include the items listed in paragraphs (a)(3)(i) through (a)(3)(x) of this clause. If the invoice does not comply with these requirements, the designated billing office will return it within 7 days after receipt (3 days for meat, meat food products, or fish; 5 days for perishable agricultural commodities, dairy products, edible fats or oils, and food products prepared from edible fats or oils), with the reasons why it is not a proper invoice. The Government will take into account untimely notification when computing any interest penalty owed the Contractor.

- (i) Name and address of the Contractor.
 - (ii) Invoice date and invoice number. (The Contractor should date invoices as close as possible to the date of the mailing or transmission.)
 - (iii) Contract number or other authorization for supplies delivered or services performed (including order number and line item number).
 - (iv) Description, quantity, unit of measure, unit price, and extended price of supplies delivered or services performed.
 - (v) Shipping and payment terms (*e.g.*, shipment number and date of shipment, discount for prompt payment terms). Bill of lading number and weight of shipment will be shown for shipments on Government bills of lading.
 - (vi) Name and address of Contractor official to whom payment is to be sent (must be the same as that in the contract or in a proper notice of assignment).
 - (vii) Name (where practicable), title, phone number, and mailing address of person to notify in the event of a defective invoice.
 - (viii) Taxpayer Identification Number (TIN). The Contractor shall include its TIN on the invoice only if required elsewhere in this contract.
 - (ix) Electronic funds transfer (EFT) banking information.
- (A) The Contractor shall include EFT banking information on the invoice only if required elsewhere in this contract.
- (B) If EFT banking information is not required to be on the invoice, in order for the invoice to be a proper invoice, the Contractor shall have submitted correct EFT banking information in accordance with the applicable solicitation provision (*e.g.*, 52.232-38, Submission of Electronic Funds Transfer Information with Offer), contract clause (*e.g.*, 52.232-33, Payment by Electronic Funds Transfer-System for Award Management, or 52.232-34, Payment by Electronic Funds Transfer-Other Than System for Award Management), or applicable agency procedures.
- (C) EFT banking information is not required if the Government waived the requirement to pay by EFT.
- (x) Any other information or documentation required by the contract (*e.g.*, evidence of shipment).
- (4) *Interest penalty.* The designated payment office will pay an interest penalty automatically, without request from the Contractor, if payment is not made by the due date and the conditions listed in paragraphs (a)(4)(i) through (a)(4)(iii) of this clause are met, if applicable. However, when the due date falls on a Saturday, Sunday, or legal holiday, the designated payment office may make payment on the following working day without incurring a late payment interest penalty.
- (i) The designated billing office received a proper invoice.
 - (ii) The Government processed a receiving report or other Government documentation authorizing payment, and there was no disagreement over quantity, quality, or Contractor compliance with any contract term or condition.
 - (iii) In the case of a final invoice for any balance of funds due the Contractor for supplies delivered or services performed, the amount was not subject to further contract settlement actions between the Government and the Contractor.
- (5) *Computing penalty amount.* The Government will compute the interest penalty in accordance with the Office of Management and Budget prompt payment regulations at 5 CFR Part 1315.
- (i) For the sole purpose of computing an interest penalty that might be due the Contractor, Government acceptance is deemed to occur constructively on the 7 thday (unless otherwise specified in this contract) after the Contractor delivers the supplies or performs the services in accordance with the terms and conditions of the contract, unless there is a disagreement over quantity, quality, or Contractor compliance with a contract provision. If actual acceptance occurs within the constructive acceptance period, the Government will base the determination of an interest penalty on the actual date of acceptance. The constructive acceptance requirement does not, however, compel Government officials to accept supplies or services, perform contract administration functions, or make payment prior to fulfilling their responsibilities.
 - (ii) The prompt payment regulations at 5 CFR1315.10(c) do not require the Government to pay interest penalties if payment delays are due to disagreement between the Government and the Contractor over the payment amount or other issues involving contract compliance, or on amounts temporarily withheld or retained in accordance with the terms of the contract. The Government and the Contractor shall resolve claims involving disputes and any interest that may be payable in accordance with the clause at FAR 52.233-1, Disputes.
- (6) *Discounts for prompt payment.* The designated payment office will pay an interest penalty automatically, without request from the Contractor, if the Government takes a discount for prompt payment improperly. The Government will calculate the interest penalty in accordance with the prompt payment regulations at 5 CFR Part 1315.
- (7) Additional interest penalty.
- (i) The designated payment office will pay a penalty amount, calculated in accordance with the prompt payment regulations at 5 CFR Part 1315 in addition to the interest penalty amount only if-
 - (A) The Government owes an interest penalty of \$1 or more;
 - (B) The designated payment office does not pay the interest penalty within 10 days after the date the invoice amount is paid; and

(C) The Contractor makes a written demand to the designated payment office for additional penalty payment, in accordance with paragraph (a)(7) (ii) of this clause, postmarked not later than 40 days after the invoice amount is paid.

(ii)

(A) The Contractor shall support written demands for additional penalty payments with the following data. The Government will not request any additional data. The Contractor shall-

(1) Specifically assert that late payment interest is due under a specific invoice, and request payment of all overdue late payment interest penalty and such additional penalty as may be required;

(2) Attach a copy of the invoice on which the unpaid late payment interest is due; and

(3) State that payment of the principal has been received, including the date of receipt.

(B) If there is no postmark or the postmark is illegible-

(1) The designated payment office that receives the demand will annotate it with the date of receipt, provided the demand is received on or before the 40th day after payment was made; or

(2) If the designated payment office fails to make the required annotation, the Government will determine the demand's validity based on the date the Contractor has placed on the demand, provided such date is no later than the 40th day after payment was made.

(iii) The additional penalty does not apply to payments regulated by other Government regulations (*e.g.*, payments under utility contracts subject to tariffs and regulation).

(b) *Contract financing payment.* If this contract provides for contract financing, the Government will make contract financing payments in accordance with the applicable contract financing clause.

(c) *Fast payment procedure due dates.* If this contract contains the clause at 52.213-1, Fast Payment Procedure, payments will be made within 15 days after the date of receipt of the invoice.

(d) *Overpayments.* If the Contractor becomes aware of a duplicate contract financing or invoice payment or that the Government has otherwise overpaid on a contract financing or invoice payment, the Contractor shall-

(1) Remit the overpayment amount to the payment office cited in the contract along with a description of the overpayment including the-

(i) Circumstances of the overpayment (*e.g.*, duplicate payment, erroneous payment, liquidation errors, date(s) of overpayment);

(ii) Affected contract number and delivery order number if applicable;

(iii) Affected line item or subline item, if applicable; and

(iv) Contractor point of contact.

(2) Provide a copy of the remittance and supporting documentation to the Contracting Officer.
