(4) Identify the Authority and Supporting Rationale (see below and if applicable, a demonstration of the proposed contractor's unique qualifications to provide the required supply or service.

☒ [FAR 8.405-6\(a\)\(1\)\(A\)](#): An urgent and compelling need exists and following the ordering procedures would result in unacceptable delays:

This is an emergency procurement for the repair and overhaul services of government owned TRANE Chiller Compressors at the Sepulveda Medical Center. The chiller compressor repair is currently failing to provide adequate cooling for the facility therefore, any delay in repairs will affect patient care services due to inoperable cooling systems.

☐ [FAR 8.405-6\(a\)\(1\)\(B\)](#): Only one source is capable of providing the supplies or services required at the level of quality required because the supplies or services are unique or highly specialized;

☐ [FAR 8.405-6\(a\)\(1\)\(C\)](#): In the interest of economy and efficiency, the new work is a logical follow-on to an original Federal Supply Schedule order provided that the original order was placed in accordance with the applicable Federal Supply Schedule ordering procedures. The original order must not have been previously issued under sole source or limited source procedures.

☐ [FAR 8.405-6\(b\)](#): Items peculiar to one manufacturer:

☐ A patent, copyright or proprietary data limits competition. The proprietary data is:

☐ These are "direct replacements" parts/components for existing equipment.

☐ The material/service must be compatible in all aspects (form, fit and function) with existing systems presently installed/performing.

(5) Describe Why You Believe the Order Represents the Best Value consistent with FAR 8.404(d) to aid the contracting officer in making this best value determination:

The Contracting Officer has authorized vendor to perform work immediately on 03/06/2025 due to the urgency of nature. The award was made under task order 36C26225F0332 against GSA FSS contract 47QSWA20D002A. GSA has already determined

prices of supplies and fixed-priced services under contracts to be fair and reasonable, therefore it represents the best value to meet the Government's needs.

(6) Describe the Market Research Conducted

Due to the urgency procurement of chiller compressor repair market research was not conducted, however proposed price provided was against an GSA FSS contract 47QSWA20D002A.

(7) Any Other Facts Supporting the Justification: Besides the reason of urgency, TRANE U.S. is the original manufacturer of chiller compressors located at the VAGLAHCS. This vendor meets all training and are qualified to perform emergency repairs.

(8) A Statement of the Actions:

No action is currently planned to overcome barriers to competition. This procurement was deemed as urgent. The Contracting Officer has provided authorization for work to start immediately on 03/06/2025.

(9) Requirements Certification: I certify that the requirement outlined in this justification is a Bona Fide Need of the Department of Veterans Affairs and that the supporting data under my cognizance, which are included in the justification, are accurate and complete to the best of my knowledge. I understand that processing of this limited sources justification restricts consideration of Federal Supply Schedule contractors to fewer than the number required by FAR Subpart 8.4. *(This signature is the requestor's supervisor, fund control point official, chief of service or someone with responsibility and accountability.)*
