1.3 Background. One (1) IC system's manufacture warranty ends 22 January 2025 and the two (2) other IC systems' service contract ends 31 August 2025.

1.4 Scope. Thermo Electron, LLC shall provide at least one Preventive Maintenance (PM) service annually, technical support and/or repairs as necessary when the instrument does not function at its optimum. Services include 24/7 telephonic support as well as onsite repairs, replacement of parts when necessary, and annual PM service. The contractor shall accomplish the availability of technical support and service calls within 24 hours for emergency matters and within 72 hours for normal service calls.

1.5 General Information.

1.5.1 Place of Performance. The work shall be performed at Navy Environmental and Preventive Medicine Unit FIVE, Industrial Hygiene Laboratory located at 3235 Albacore Alley, San Diego, CA 92136.

1.5.2 Points of Contact. Georgina Talavera-Veloz, IH Department Head, 3235 Albacore Alley, San Diego, CA 92136, (619) 556-1427, georgina.talavera-veloz.civ@health.mil

1.5.3 Recognized Holidays. The contractor is not required to perform services on any observed Federal Holiday as noted below:

New Year's Day	Labor Day
Martin Luther King Jr.'s Birthday	Columbus Day
President's Day	Veteran's Day
Memorial Day	Thanksgiving Day
Juneteenth Day	Christmas Day
Independence Day	

1.5.4 Hours of Operation. The contractor is responsible for conducting business Monday thru Friday except Federal holidays or when the Government facility is closed due to local or national emergencies, administrative closings, or similar Government directed facility closings. The contractor must at all times maintain an adequate workforce for the uninterrupted performance of all tasks defined within this PWS when the Government facility is not closed for the above reasons.

1.6 Contractor Identification. Contractor personnel performing services in a contractor capacity in a Government facility are required to possess and wear an identification badge that displays his or her name and the name of their company, to ensure all those with whom the person interacts in any face-to-face dealings while supporting the Government understands that the person is contractor support personnel.

2.0 PERFORMANCE REQUIREMENTS

2.1 Preventive Maintenance (PM). Annual Preventive Maintenance shall be performed without delay by a Thermo Electron certified service professional with genuine Thermo Electron parts and consumables as required. A written report of the service, PM, provided will be available within one (1) business day of the service. (See Section 5, DELIVERABLES)

2.2 On Site Repair Visits. A Thermo Electron-certified service professional will be available to perform a diagnosis, repairs, and/or services necessary. This will include travel and repair cost and any genuine Thermo Electron parts required for repair or preventive maintenance. Repair visits will not be limited but rather unlimited expected to ensure optimum performance of the IC system. All repair sessions will be followed by a written report describing the service(s) performed. Reports shall be available within one (1) business day of the service. (See Section 5, DELIVERABLES)

2.3 Agilent Parts and Consumables Required for Repair(s). The required parts and/or consumables shall be provided for all onsite repair visits and/or during technical support calls, if required. This will include but will not be limited to replacement parts necessary for the repair of the instrument.

2.4 Technical Support. Technical support over the phone shall be available to resolve any issue, when possible.

3.0 CONTRACTOR QUALIFICATIONS / CONSIDERATIONS.

3.1 The contractor shall be an Original Equipment Manufacturer (OEM) authorized dealer, authorized distributor, or authorized reseller for the proposed equipment/system such that OEM warranty and service are provided and maintained by the OEM. All software licensing, warranty, and service associated with the equipment/system shall be in accordance with the OEM terms and conditions.

4.0 CONTRACTOR FURNISHED ITEMS AND SERVICES

None.
