DESCRIPTION

This is a notice of intent to award a sole source contract and is not a request for quotes.

The Department of Veterans Affairs Syracuse VAMC awarded a firm fixed price sole source contract to

Name of Contractor: Bayer Healthcare
Street Address: 1 Bayer Drive
City, State, Zip: Indianola, PA 15051

The objective of this action is the procurement for:

Nationally required, need to update end-of-life injectors to maintain services and avoid shutdown of facility. The CT injector is a dual injector that injects contrast followed by saline during CT exams to perform enhanced studies. Requesting the same injector installed in B341 for consistency of materials in the CT suite. The MRI injector is made of nonferrous materials to be compliant with the magnet to inject contrast for enhanced studies. The portable injectors and injector for the OR hybrid room must be compatible with sterile injector syringes that are utilized during vascular hybrid procedures to prevent infection.
