SUBJECT: Pre-proposal Conference Minutes & Record of Site Visit, Solicitation No. FA520525R0001,
Operation and Maintenance (O&M) of Draughton Bombing and Electronic Attack Range, Misawa Air
Base, Japan

1. These are minutes of the pre-proposal conference and its subsequent site visit conducted for the subject solicitation on 1 Apr 25 (Japan Standard Time (JST)), in accordance with the Attachment 1 of the solicitation, Other Contract Requirements, paragraph 7, L002 "Notice of Pre-bid/Pre-proposal Conference", as well as FAR 52.237-1, "Site Visit". The pre-proposal conference was held at 35th Contracting Squadron's conference room, Bldg. 656, Misawa Air Base, Japan, with attendance of the representatives of the firm and from the Government as listed in the Attendance Record (ref. Attachment 1, Attendance Record).

2. Outline of Pre-proposal Conference and Site Visit conducted.

a. Pre-proposal Conference. The purpose of the conference/site visit is to enhance "exchange of information" encouraged in FAR 15.201. The conference was opened by 2d Lt Forrester at 0900 hours who proceeded with the topics of the conference as prepared on the briefing slides (ref. Attachment 2, Pre-proposal Conference Briefing Slides).

(1) 2d Lt Forrester explained the scope and requirements, remarks and filling instructions of the solicitation including proposal preparation instruction and proposal evaluation procedures. All attendees were allowed to ask questions anytime during the conference.

(2) At the end of the briefing, 2d Lt Forrester reminded the attendees of the following:

- All questions asked must be formally submitted to 35 CONS in the form of questionnaire and/or request for clarification later;
- Any technical questions deemed to be critical by the Contracting Officer's Representative (COR) and the Contracting Officer (CO) must be submitted in writing to 35 CONS;
- Information provided at this conference shall not qualify the terms and conditions of the solicitation and the Performance Work Statement (PWS). Terms of the solicitation and the PWS remain unchanged unless the solicitation is amended in writing (ref. Attachment 1 of the solicitation, Other Contract Requirements, paragraph 7, L002 (c)); and
- The proposal closing date/time will be extended from 22 Apr 25 / 10:00 AM (JST) to 25 Apr 25 / 10:00 AM (JST) by issuing an amendment and questions shall be submitted to 35 CONS in writing no later than 8 Apr 25 (JST).

(3) The conference was ended at around 0920 hours and moved on to the site visit.
