

Notice of Intent to Sole Source

The Uniformed Services University of the Health Sciences (USU) is the Nation's federal health sciences university and is committed to excellence in military medicine and public health during peace and war. We provide the Nation with health professionals dedicated to career service in the Department of Defense and the United States Public Health Service and with scientists who serve the common good. We serve the uniformed services and the Nation as an outstanding academic health sciences center with a worldwide perspective for education, research, service, and consultation; we are unique in relating these activities to military medicine, disaster medicine, and military medical readiness. USU is located in Bethesda, MD on the grounds of the Naval Support Activity Bethesda.

The mission of USU is to provide the highest quality education programs in the health sciences to those selected individuals who demonstrate dedication to a health profession career in the Uniformed Services. As such, it is essential USU provide the necessary training and equipment required for our students to become successful doctors and nurses and to be able to provide the best care possible for our soldiers and to support our research efforts.

Intended Recipient: Signet Technologies, Inc. (Signet), 6650 Eli Whitney Dr., Columbia, Maryland, 21046-2143

Intent to Sole-Source: USU intends to award a sole-source, firm-fixed-price contract to Signet for upgrade and device replacement installation of the Armed Forces Radiobiology Research Institute (AFRRI) Electronic Security System (ESS).

Sole Source Justification: Signet designed and installed USU's ESS. As the manufacturer, Signet has proprietary rights for maintenance and upgrade of their ESS. Additionally, Signet has no authorized distributors for maintenance or upgrade of its systems. Therefore, the circumstances of the contract action deem only one source reasonably available.
