

DEPARTMENT OF THE AIR FORCE
87TH AIR BASE WING (AMC)

28 Jan 2025

MEMORANDUM FOR 87 CONS/LGCC

FROM: 87 CES/CEF

SUBJECT: Sole Source Justification for Monaco Enterprises PMI.

1. 87 Civil Engineer Squadron is requesting procurement of PMI Service from Monaco Enterprises (ME). The fire department uses the Monaco system to monitor all fire alarms across the Joint Base. It is designed to function as a main platform for all emergency related activities.
2. This PMI Service can only be purchased through Monaco Enterprises because they own the system we use in the emergency dispatch center and across the Joint Base. Using ME, will allow the fire department and all facilities across the Joint Base to continue to communicate with the correct software and hardware without sacrificing with non compatible third party equipment, ultimately jeopardizing life safety. These are the reasons we ask that a sole source justification be used to purchase this equipment.
3. If there are any questions about this Monaco Enterprises PMI, please contact me at DSN: 650-3608 or email me at robert.gerry@us.af.mil
