5. Reasons for Authority Cited:

The Chief of Staff for USSOUTHCOM issued a directive that all future purchases of furniture must be of the same colors, makeup, and configuration of the current furniture. Since the Command is furnished with Steelcase products it is important to maintain uniformity and interchangeability of the furniture as much as possible.

It is important to the USSOUTHCOM Commander to have spare parts that can be used to maintain the aesthetics and uniformity throughout the Command facility. Using one manufacturer gives USSOUTHCOM the flexibility to realign office configurations to accommodate changes due to growth or shrinkage within the command staff functions.

There are two (2) STEELCASE distributors and installers in the local area, [REDACTED]. However, due to administrative issues with Empire Office Inc., Empire can no longer provide USSOUTHCOM any type of service (quote, design, and material). Therefore, [REDACTED] is the only local source and distributor of Steelcase for USSOUTHCOM.

6. Publicizing Contract Actions: For FAR Part 8 actions, the public display and synopsis requirements of FAR 5.101 and FAR 5.203 does not apply due to an exception at FAR 5.202(a)(11).

Requirement to post justification in accordance with FAR 8.405-6(b)(3), Action is a brand name restriction, under \$25K, no posting required.

7. Market Research: Market research and previous acquisition history revealed that the required supplies are available via GSA federal supply schedules through [REDACTED]. Since Empire Offices has refused to do business with USSOUTHCOM, [REDACTED] is the only local distributor for Steelcase products. Therefore, the Government intends to sole source this requirement as a Firm-Fixed Price contract to [REDACTED] utilizing FAR Part 8 procedures.
