Intent to Sole Source: The Government intends to make a sole award firm-fixed-price contract in accordance with Federal Acquisition Regulations (FAR) 6.302-2 Only One Source in conjunction with FAR 13.5 Simplified Procedures for Certain Commercial Items. The requirement is for Radiology Safety Officer. A Service Contract is needed to provide comprehensive Radiation Safety Program (RSP) and Laser Safety Program (LSP) safety services, including program oversight, compliance monitoring, training, and incident reporting, incompliance with federal guidelines, ALARA principles, NRC regulations, and ANSI standards. Place of Performance is at the San Diego VA Medical Center. The intended source is Rene Michel, 6276 E Lake Dr, San Diego, CA 92119. In accordance with FAR Part 6, contracts awarded using this authority shall be supported by a written justification and approval described in FAR 6.303 and 6.304; as applicable, the justification will be posted within fourteen (14) days after contract award. The Government will consider all capability statements received by this synopsis's closing date. The Government's determination not to compete based on responses to this notice is solely within the Government's discretion. Information received will be considered strictly to determine whether to conduct a competitive procurement. The applicable North American Industrial Classification System Code (NAICS) code that this work falls under is 541990 - All Other Professional, Scientific, and Technical Services with a size standard of \$19.5 Million.

THIS NOTICE OF INTENT IS NOT A REQUEST FOR COMPETITIVE QUOTATIONS. All capable sources must provide past performance experience in similar research services and be a licensed provider (whichever applies to the requirement). All the above information should be included in the vendors' capability in response to this notice.
