

LONG-RANGE ACQUISITION FORECAST ESTIMATES	
Activity Name:	Naval Air Warfare Center Weapons Division (NAWCWD)
Contracting Office UIC:	NAWCWD Procurement Group, N68936
Public Release Date:	1/21/2025

Disclaimer: All procurement information contained within the long-range acquisition estimates is subject to modification and is in no way binding on the Government. The long-range acquisition estimates, and any data contained herein, are based on the best information available and are being shared for information only. Small business set-asides may be projected herein, but the actual set-aside determinations will be made by the Contracting Officer at the time the procurement action is initiated. More specific information relating to any individual item or class of items will not be furnished until the proposed action is synopsisized through the Government Point of Entry (GPE) or the solicitation is issued. The GPE is located at <https://sam.gov>, as prescribed by the Federal Acquisition Regulation (FAR). Acquisitions other than those provided in these estimates will be published in accordance with FAR 5.101.
