Acquisition Plan Action ID: 36C249-25-AP-1124

1. **Contracting Activity:** Department of Veterans Affairs, VISN 09, Tennessee Valley Medical Center Murfreesboro.
Purchase Requisition Number: 626-25-2-1876-0018

2. **Brief Description of Supplies/ Services required and the intended use/Estimated Amount:** TVHS Murfreesboro has requested a birthing simulator for clinical staff training regardless of the VA medical facility's ability to provide labor and delivery services. The procurement requirement must be a wearable device to simulate patient questions, lightweight due to transporting between Murfreesboro Urgency Care Center and Nashville.

3. **Unique characteristics that limit availability to only one source, with the reason no other supplies or services can be used:**

The proposed services require specialized training supplies and equipment specific to certain needs of the facility. AVKIN INC., has performed as supply leaders in the birthing and training aid simulators across 50 different states. Unique characteristics that limit availability to only one source, with the reason no other supplies or services can be used is based on sole source and proprietary justification.

4. **Description of market research conducted and results or statement why it was not conducted:** The SBA VetCert search by NAICS 339113 yielded 933 results comprised of both SDVOSBs and VOSBs however none were in the local area and capable of completing this service. The vendor that provided a quote AVKIN Inc., a small business, that can complete this service and is the proprietor of the required equipment.

5. **Contracting Officer's Certification:** Purchase is approved in accordance with IAW FAR13.106-1(b). I certify that the foregoing justification is accurate and complete to the best of my knowledge and belief.
