

**Statement of Work
for
Comsol from Comsol, Inc.**

The annual renewal from COMSOL, Inc. for nine (9) COMSOL Multiphysics Floating Network licenses, three (3) AC/DC Module, three (3) Acoustics Module, two (2) Battery Design Module, six (6) Cad Import Modules, four (4) CFD Modules, four (4) Chemical Reaction Engineering Modules, one Design Module, one Electrodeposition Module, one (1) Fuel Cell & Electrolyzer Module, three (3) Heat Transfer Modules, one (1) LiveLink for Excel, four (4) LiveLink for MATLAB, one (1) LiveLink for Simulink, one (1) Material Library, one (1) MEMS Module, one (1) Microfluidics Module, one (1) Multibody Dynamics Module, one Optimization Module, one (1) Particle Tracing Module, three (3) Pipe Flow Module, one (1) Plasma Module, one (1) Ray Optics Module, one (1) RF Module, and one (1) Structural Mechanics Module for the Service Period April 1, 2025 through March 31, 2026.
