

NAVSUP Fleet Logistics Center Jacksonville, FL intends to issue a Request for Quotation (RFQ) on or about 31 March 2025 for telecommunication support services for the Naval Computer and Telecommunications Area Master Station, Atlantic (NCTAMS LANT) Base Communications Office (BCO) located at NAS Key West, FL. The RFQ will be issued Unrestricted Sole Source to AT&T Corporation.

NCTAMS LANT is requiring telecommunications support services to maintain command and control for Navy shore activities, home ported and visiting fleet units, and authorized non-Navy activities in the vicinity and outlying sites of Naval Air Station (NAS) Key West. The Contractor shall manage and maintain approximately 1,828 telephone numbers at this location. These services are delivered to the Rate Demarcation Point (RDP) locations for multiple buildings on the installation and surrounding locations.

The North American Industry Classification System (NAICS) Code for this acquisition is 517111 with a business size standard at 1,500 employees.

Offerors are encouraged to review the referenced websites frequently for updates. No paper copies of the RFQ, attachments or amendments will be provided. No solicitation mailing list will be issued. System for Award Management (SAM) <https://www.sam.gov> registration is mandatory, and all offerors must be listed under NAICS Code 517111.

ONLY email requests for clarification to the Contract Specialist are acceptable. No phone call communications or personal office visits with NAVSUP FLCJAX or its internal or external customers regarding issues or questions pertaining to this procurement will be accepted for the duration of the solicitation, evaluation and award process. Questions from responsible interested business parties regarding the synopsis must be submitted by email to DeAundrae Rogers at deaundrae.l.rogers.civ@us.navy.mil. Reference Solicitation number N6883625Q0074.
