

Program Manager Ground Based Air Defense (GBAD) within Program Executive Officer, Land Systems (PEO LS) Marine Corps intends to negotiate and award on a sole-source basis in accordance with Federal Acquisition Regulation (FAR) 6.302-2 to Blue Halo Corp, 24206 Dante Cir, San Antonio, TX 78261, to procure Skyview systems and sustainment. The Marine Corps has an urgent and compelling need to procure Counter-small Unmanned Aircraft Systems to support dismounted Marines. The Marine Corps intends to procure 84 systems to also include training, initial spares, and sustainment. The Skyview system fulfills the urgent need to detect, track and identify small UAS in a small, rugged form factor that will help protect Marines.

The Government anticipates award of a hybrid Cost-Plus-Fixed Fee/Firm-Fixed-Price contract, with a period of performance of five years. This acquisition is being pursued on a sole source basis under the statutory authority of 10 U.S.C. 3204(a)(2), as implemented by Federal Acquisition Regulation (FAR) 6.302-2(a)(2) "Unusual and compelling urgency". Blue Halo is the designer, developer, and producer of the Skyview system.

This is not a request for competitive quotes. No formal solicitation package is available. The Government will not be responsible for any cost incurred in responding to this notice; however, interested parties may identify their interest and capability to meet the requirements and past performance data no later than 1000 local time on 1 April 2025. Responses received will be evaluated; however, a determination by the Government not to compete the proposed procurement based upon responses to this notice is solely within the discretion of the Government.

All responses to this notice shall be submitted to Mr. Justin McPherson at justin.mcpherson.civ@usmc.mil and Ms. Stasia Baker at stasia.baker@usmc.mil. Please reference the announcement number on all correspondence. Telephone calls will not be accepted.
