

Notice of Intent to Sole Source

The Uniformed Services University of the Health Sciences (USU) is the Nation's federal health sciences university and is committed to excellence in military medicine and public health during peace and war. We provide the Nation with health professionals dedicated to career service in the Department of Defense and the United States Public Health Service and with scientists who serve the common good. We serve the uniformed services and the Nation as an outstanding academic health sciences center with a worldwide perspective for education, research, service, and consultation; we are unique in relating these activities to military medicine, disaster medicine, and military medical readiness. USU is located in Bethesda, MD on the grounds of the Naval Support Activity Bethesda.

The mission of USU is to provide the highest quality education programs in the health sciences to those selected individuals who demonstrate dedication to a health profession career in the Uniformed Services. As such, it is essential USU provide the necessary training and equipment required for our students to become successful doctors and nurses and to be able to provide the best care possible for our soldiers and to support our research efforts.

Intended Recipient: Echo Healthcare Inc., 4715 Spinnaker Drive, Bradenton, Florida, 34208-8492

Intent to Sole-Source: USU intends to award a sole-source, firm-fixed-price contract IAW FAR 13.106-1(b) for an end user license to access Immersive Studio's API, full cloud content library, and updated feature sets, a license to full BioDigital content creation platform, ten (10) individual Studio software user accounts are included with the end user license, and a hardware warranty for the Echo Healthcare installed immersive projection screen. Due to the proprietary nature of software and warranty coverage of the immersive projection screen, Echo Healthcare Inc. is the only vendor that can meet Government requirements.
